GENESIS	001	27-May-07	GENESIS: INTRODUCTION TO THE GREATEST LECTURE SERIES ON EARTH	This is in fact the greatest lecture series you will ever hear. Pretty bold talk... This is the introductory sermon to Pastor Chronister's lecture series on Genesis chapters 1 through 19. This series is 105 sermons long. We will be presenting all of these sermons to you in the following months. And you will be amazed at the insight and the depth this lecture series will take you.	GEN 3:15 1 COR 15:50-54	ADAM SIN TREE FALL			1911324152
GENESIS	002	17-Jun-07	ADAM, EVE, & SATAN. DO YOU REALLY THINK YOU KNOW THIS STORY?	Pastor Chronister starts this lecture with a discussion of Moses apparently arguing with God. Does that make sense? How do you argue with an Omnipotent, Omniscient God? OK, then what was really going on there? If you're confused, this sermon should clear it up for you. Do this... Get out your Bible. Now read Deuteronomy 18:15. Do you know what that passage is really saying? If you do, then you're probably weird like us. If you don't know for sure what this passage means, then you'll want to listen and find out. Trust me, you'll like it. When pastor finally gets into the sermon, he lists out what he's going to be teaching you in the next few lectures. And then he gives you some insight into Genesis 2 and 3 and Adam and Eve that you have probably never heard before. This sermon and this whole series, 105 sermons in all, will be the most insightful trek through Genesis 1-19 that you'll ever hear.	GEN 3 GEN 2	ADAM EVE FLESH FRUIT MOSES SATAN TREE			11211020492
GENESIS	003	24-Jun-07	GENESIS 2 AND 3 IS NOT SEEKER SENSITIVE! THAT'S WHY MOST CHURCHES DON'T TEACH THIS.	Pastor Chronister begins with, 'Good vs. Evil is Not a fair fight.' God always wins. Then he gets to Adam and Eve... and there's so much he discusses here that doing an overview is nearly impossible. Trust me... you might not like it. If you do, you're probably weird like us. SO... Just open your text book, press play, and let's begin. PS. If you happen to like this sermon, then please submit a comment and send pastor Chronister a letter to encourage him... or just send pizza for the buffet after the service at about 5:30pm Alaska time. That would really encourage him. PSS. If you don't like any part of the sermon then call him and argue with him about what you didn't like. He's usually home to answer calls on Saturdays. That will encourage him too. Just be sure and bring a lunch... 'cause he's going to eat it.	GEN 3 GEN 2	ADAM DECEIVED EVE NAKED SATAN SERPENT SIN			11211203222
GENESIS	004	1-Jul-07	ADAM AND EVE; WHAT REALLY HAPPENED?	There is so much confusion in the church today on this event. Pastor Chronister goes really deep into scripture to help us figure this out. Did you figure the crucifixion into all of this?... This lecture will open your eyes to what the Bible says in ways you never thought possible. WARNING: This is a post seminary level lecture. If you have graduated from seminary, listening to this sermon may cause you to demand your money back! Do you think you know what Adam was really like? This sermon might have you rethinking your position.	GEN 3:8-13	ADAM CRUCIFIXION DECEIVED EVE FALL NAKED SERPENT			11511119390
GENESIS	005	8-Jul-07	DEEP TEACHING ON ADAM & EVE. THIS IS THE STUFF YOU ARE NOT SUPPOSED TO HEAR.	Many Christian leaders and pastors today believe that you should not be taught these kind of deep things. They'll tell you that you should be content with the surface of the Bible, and you should leave this deep stuff to the scholars. Our pastor's response to this is to teach it anyway, simply because he doesn't want to have to answer to God for not doing it. He'll have enough to answer for without adding that to the list. But the funny part about all this is, the Baptist preachers here in Anchorage (who are all wonderful men of God by the way) have all asked for access to his material. I suspect they want it so they can slip some of this stuff into their sermons so they'll sound impressive to their respective congregations... but hey, if that's what they're doing, that's great! GENESIS	006	15-Jul-07	EVE IS DYING RIGHT IN FRONT OF ADAM. IF YOU WERE ADAM, WHAT WOULD YOU DO?	First Pastor Chronister tells us some of the tricks most televangelists and their like try to use on us. These people are not even good con men. The lecture begins with the dilemma of Adam. He sees that his bride is dying right in front of him. Pastor Chronister works us through the thought process Adam must be going through according to what we know of him in scripture and using logic based also on scripture. Pastor goes pretty much word for word into the passages here. This lecture is one you'll definitely want to hear. There is deep teaching here that you won't hear anywhere else, because most pastors don't think it wise to take you this deep into scripture. Most think the common man or woman can't understand it. In most places, if you read and glean from the surface, you just don't get the full meaning from the Hebrew. So Pastor Chronister takes us boldly deeper than most are willing to go. We can handle the truth.	GEN 3 ROM 5	ADAM DEATH EVE FALL FEAR JUDGMENT SATAN TREE WOMAN			11911115150
GENESIS	007	29-Jul-07	DID ADAM BLAME EVE? IT'S NOT WHAT YOU MAY HAVE THOUGHT.	In this lecture Pastor Chronister does an excellent job in explaining this question and answer period that goes on between God and Adam and Eve. This may not be what you've been taught all along, but Pastor Chronister takes the time to really explain what's really going on here. Were Adam and Eve's responses to God's questions a desperate attempt pass blame? Listen in and you'll find out. Then he compares the questioning of Adam and Eve with the questions God asks of Cain. Have you ever put these two incidences together? Well... I know how you feel. Neither had I. You'll find the comparison astonishing. Pastor tells his story of the mice catching contest at the railroad where he used to work to make a point. You're going to love it. Well... the ladies might not, but all you guys will think it's great... but I digress. The point is that Satan is not interested in you... OK, I'll just let pastor explain it. He does a much better job than I could. All of you who call pastor Chronister to ask him questions and those who send him notes... thank you for taking the time out of your busy schedules to encourage our pastor. And I want to give a special thanks to Chaplain Fairfield for your kind note to pastor as well. As I have mentioned before, if you want to express your thanks and encourage him we would really appreciate it. GENESIS	008	5-Aug-07	SATAN, WHY DID YOU PICK A SNAKE. WOULD ADAM HAVE BEEN FOOLED BY A SNAKE.	One of the questions Pastor Chronister starts us out with is, Why did Satan pick a snake to deceive Eve. And, would he have used a dog if he was trying to fool Adam? Interesting questions, but that, of course, is not the thrust of the sermon, as is often the case here at Cliffside. The main sermon has to do with the intriguing comparison of the questions God asks Eve and the questions God later asks Cain. The questions are almost identical, but the answers and God's responses are quite different. Of course, God would easily win at Jeopardy, 'cause he knows all the answers. Do you think He asks these questions because He doesn't know the answers? Did He know you would be reading the questions? But Cain was murderously angry. Why? The discussion that ensues will be of great interest and benefit to you. Of course that's a biased statement. As I have said before, the only thing we can guarantee about any of Pastor Chronister's sermons is that you might not like it. And of course, if you do happen to like our pastor's sermons then we can deduce one thing... you're most assuredly weird like us. Speaking of weird, pastor also brings up Lilith. Google it if you don't know what Lilith is all about.	GEN 3 GEN 4 JAMES 1:15	ABLE ADAM BLOOD CAIN EVE MURDER SATAN SERPENT			12411257390
GENESIS	009	12-Aug-07	TALK TO A SKEPTIC LATELY? HOW DO YOU HANDLE THAT, PASTOR?	Pastor Chronister says, When you reject Christ, you will not understand Scripture. That's one of the things he tells a skeptic. There are a lot of things you can learn here for when you talk to your skeptic. Trust me, one will find you this week, and this will be valuable stuff for you to have when it happens. That's just the bonus material in this lecture. After that, Pastor Chronister starts the sermon with an insightful and non-seeker sensitive look at Adam and Eve's questions in Genesis 3, compared with the questions God asks Cain in Genesis 4. And there's even a chance, quite small of course, that you just might like it.	GEN 3 GEN 4 HEB 11:4	ABLE ADAM ALTAR CAIN CURSED EVE			12611142203

GENESIS	010	26-Aug-07	2 DEATHS AND 2 TREES. IS THAT A COINCIDENCE?	Did you know that Genesis 3:24 is the first teaching of the doctrine of eternal salvation? Go ahead, pull out your Bible and read it... I'll wait. Did you see it? If you didn't don't feel bad, I didn't either. This is just one of the eye opening things Pastor Chronister explains to us in this lecture. This sermon may test a few of your paradigms and it will let you see some great truths from God's Word that you may have never seen before. Things like the Star of Bethlehem... Do you know what it is? And why did the angels talk to the shepherds? That one will amaze you. OK, now I'm starting to sound like I'm bragging about our pastor. So I should stop now. But wait, there's more! Have you been taught that it was how Cain felt about his offering and that's why God didn't accept it? A lot of churches teach that. Pastor Chronister explains. GENESIS	011	9-Sep-07	CHRISTOPHER HITCHENS VS MOTHER THERESA. AND, CAIN VS ABLE.	Why does God not audibly speak to us today? Wouldn't that be a good thing? Wouldn't men believe if he did? I could answer these questions for you. (I have an advantage because I've heard this sermon.) No... I would much rather you hear it and work it out for yourself, so I'll let Pastor Chronister help you with these questions. Let me ask you this. If Christopher Hitchens were to try and tear your faith apart, could you stand and give answer or would you fail? Am I being a little tough on you? Yes, probably so. I just want to challenge you to gain wisdom and I want to pass this sermon on to you so that you can learn with us.	GEN 4 EXOD 20	ABLE BLOOD CAIN GRACE OFFERING SALVATION	HITCHENS		12911330360

GENESIS	013	23-Sep-07	GENESIS 1 - GOD'S ANSWER SHEET	Pastor Chronister describes Genesis 1 through Genesis 2:7 as God's answer sheet for the Bible and then gives us examples of the questions that the answer sheet includes. This may surprise you a little. Then pastor reads through the first few verses and starts describing them in great detail. But please understand that our 'great detail' is just scratching the surface of scripture. Still... I have not seen a more in depth discussion done in a Sunday sermon on Genesis 1, well, ever. If you have a pastor that does this, we would love to hear from you because I haven't found one. And, as you'll see in this sermon, our pastor even takes the time to have a discussion with someone who asks a question during the sermon.	GEN 1	AGES CREATION DARKNESS LIGHT VOID			2211253360
GENESIS	014	30-Sep-07	SATAN'S CHECKERBOARD AND IT'S GOD'S MOVE. WHO DO YOU THINK WILL WIN?	Pastor starts with this strong statement: "God intends for man to be a being of free will! To the point where He makes certain of it. Ask why." This is a very important doctrine that is laid down firmly in Genesis. Then pastor asks, "Who else has free will beside man?" Then pastor discusses how God made Adam and how God made Eve, and what all that means. There's much more to this than is on the surface. Fascinating discussion. Then pastor gets into the 2 trees and the prohibition of eating from one of the trees. Then he asks, where in the New Testament does it say 'don't eat or you'll die'? Then pastor gets into the title of this sermon. It seems that Satan is trying to play checkers with God... move, counter move. Who's winning? Then pastor sets up the next several sermons by giving us an overview of Genesis 6, which is where he's going to take us next. Then pastor goes over 'Christ in Creation'. Finding Christ in the first 4 days in creation. If you've not heard this before you'll find it fascinating and maybe somewhat controversial. GENESIS	016	14-Oct-07	1ST 4 DAYS OF CREATION - CHRIST'S REDEMPTIVE WORK PATTERN. WOW, THAT'S COOL	Pastor Chronister gives us the pattern in the first 4 days of creation and how it's a picture of Jesus Christ's Redemptive Work pattern. Then pastor asks us about our free will and our dependences. Things like breathing, eating, drinking and sleeping. Why are we dependant on these things? Pastor explains why we were designed this way, putting in us dependency along with free will. Then the discussion gets into the wonderful pictures he placed in those dependences. Wow... this is great stuff. Now, if you haven't got a clue about what I've just said, then that's good. Why? Because now you'll just have to listen to the sermon. Side Note: You'll notice that the recording jumps ahead a little to a later spot in the sermon. That's not intentional, it's just some kind of recording mistake. GENESIS	017	21-Oct-07	THE FOUR 'IT IS FINISHED'S'. GENESIS 2:1 IS THE FIRST ONE. LET'S GO FIND THE REST.	In this lecture Pastor Chronister starts out with Genesis 2:1, the first one. Pastor explains that 'It is finished' is repeated in scripture 4 times. Then, if you're not sufficiently enthralled, our pastor has to take us deeper into what he started teaching in the last sermon titled 'You'll Find Christ In Creation.', which I highly recommend. This sermon will take us much deeper into the 4 dependencies and what they should mean to us. And if you have no earthly idea what the 4 dependencies are, then... that's good! Why is that good? Because now, if you want to find out, you'll need to listen the sermon. I will tell you that, in my opinion, you'll find it very fascinating and educational. GENESIS	018	28-Oct-07	GREAT WICKEDNESS!? WHAT WAS IT EXACTLY THAT CAUSED GOD TO DESTROY THE EARTH?	Pastor Chronister starts out explaining the importance of Genesis. If you are studying any book of the Bible and it does not take you back to Genesis then you've missed something important. Then pastor gets us back into the 4 'It Is Finished' found in scripture. But then our beloved pastor takes us right into Genesis 6, where he intends to remain for a few Sundays. This is very interesting and insightful preaching. You won't want to miss a one of these. The answer to the title of this lecture is what you'll get in these sermons. Then there's the question of the Nephilim, or the mighty men, the men of renowned, the giants. Who are they? What were they like? What did they do? And... can they be saved? Woe, now that's a question. Then Pastor Chronister continues on to give us a preview of many of the passages that Genesis 6 will take us into. And it's quite a list. GENESIS	019	4-Nov-07	DEEP TEACHING ON GENESIS 6. THIS IS PROBABLY THE MOST COMPREHENSIVE TEACHING ON THIS SUBJECT.	He starts off telling us about the 4 most common positions that are held regarding the Nephilim, or the giants if you will, in Genesis 6. You know... the part where the sons of God saw the daughters of men and took wives of all which they chose. And he talks about all the questions he raises that he does not seem to answer. Pastor argues that he does answer them... he just answers them in the sermon you missed because you've been skipping around in your listening. You see, only the most holy of you are listening to all of pastor's sermons, and so it is only the most holy of you that will get all the answers. OK that was just for fun. Pastor says he always wonders what the first time visitor thinks when they come in and hear a comprehensive discussion on Genesis 6. So as the actual sermon starts pastor gets much deeper into the discussion of these angles that took wives and the conditions of the people at the time before the flood, and what was it that made God greave in His heart that He had made man. And pastor goes all over the Bible to bring in many of the relating passages, some of which you may not have considered. Trust me when I say, you'll find this a fascinating lecture. GENESIS	020	11-Nov-07	A WHOLE LOT OF DEAD PEOPLE AND A WOMAN BURIED IN SALT. WHAT'S THE CONNECTION?	Pastor Chronister is going to link Genesis 6 to Genesis 11 and Genesis 19. Pastor says there is a relationship between the three of those. They are related. So, in this lecture, pastor is going to help us relate the Noatic flood with the tower of Babel and Sodom and Gomorrah. Pastor explains that these passages, along with Genesis 15 are... Gethsemane. Wow, this is going to be good. This is God's judgment and God's mercy.	GEN 6 GEN 11 GEN 19	BABEL FLOOD GETHSEMANE GOMORRAH JUDGMENT NOAH SODOM			2191123331
GENESIS	021	18-Nov-07	WHEN GOD ATTACKS. AT THE FLOOD, AT BABEL, AND AT SODOM - WHY DOES HE DO THAT?	First our pastor attempts to get across to us what it means when God says "great wickedness". Then Pastor Chronister says, "Sin without death, is hate. And God would never do that, would he." And then he goes on to say, "Sin without consequence, is hate. ...Strong words from the pastor today." In these passages, Genesis 6, 11, and 19, you have Christ coming in wrath and in judgment. Pastor admits that talking about this subject will thin out a crowd in a hurry. But our pastor doesn't care. He is faithfully following the mandate that Jesus Christ Himself gave. And that is to search the scripture, for they testify of Him. Pastor's main concern for us is that we should know when we read any part of the Old Testament the first thing we should do is... Find Christ. That has to do with Rule #5. Our pastor has given us 5 Rules For Reading Scripture and we think you should have them. Rules For Reading Scripture #1 John 8:24, John 8:58 Where you begin. Jesus IS God. Always IS God. Never is NOT God. He is Omniscient, Omnipotent & Omnipresent. He is ALWAYS just, good and has NO sin or fear (which is sin) ever in Him. #2 When God/Christ asks a question it is never for Himself. He knows the answer (see rule one). The question is not for Him but for us, He is teaching. #3 When God/Christ weeps it is not for Himself. It is for the lost/Israel. #4 When God/Christ intervenes something extraordinary has occurred. A great truth has been protected. A great sin has been committed. Or a combination of both. #5 The purpose of Israel and the Law is to teach of Christ, in Portraits, Types, Shadows and Doctrine. GENESIS	022	25-Nov-07	WHAT CAUSES THINGS TO DIE? AND HERE'S A HARD QUESTION - WHAT CAUSES THINGS TO LIVE?	Pastor Chronister has posed these questions... What causes things to die? and What causes things to live? Answering these questions may seem to be easy, but pastor explains that the questions should start with "Who" not "What". Can you explain it now? If you can answer these questions correctly, then you will be able to talk to a person who believes that you cease to exist when you die. Then pastor asks the question, What about the Angles? and What about animals? Now if you can answer these questions, then you're really equiped to talk to an athiest who believes that when they die, nothing happens. Now... Can the Nephilim be saved? Or try this one... Can Judas be saved? Or this one's really good... Can the Anti-christ be saved? And can any of the fallen angles be saved?	GEN 1-19	ANGEL ANTICHRIST FALLEN NEPHILIM			22011337520
GENESIS	023	2-Dec-07	THIS SERMON IS NOT FOR CHILDREN. IT'S ABOUT SODOM'S SIN AND THE UNCOVERING OF NOAH	This sermon title "Not For Children" is for real. We cleared out all the children from the auditorium for this lecture. Pastor Chronister safely says that no contemporary church is teaching this topic today. GENESIS	024	9-Dec-07	DISCIPLESHIP AT THE HIGHEST POSSIBLE LEVEL. IT'S A RARE CHURCH THAT WILLING TO.	This church is dedicated to discipleship at the highest possible level. We dive into topics that most churches won't touch. In ecclesiastical terms... we're weird. Our pastor teaches things like dramatic theodicy. He teaches us that Christ is found in the Old Testament in portraits, types and shadow, and that Jesus Christ is never not God. He teaches scientific subjects such as black body radiation and the ultraviolet catastrophe and why it does not happen, and the metaphysical implications of subatomic diameter. He teaches us about radical dualism compared to monistic materialism. He teaches the Bible unashamedly as literal truth written by an Omniscient, Omnipotent and Omnipresent God. And every detail in the Bible is important. Pastor Chronister is not afraid to tackle the hardest topics of the Bible and science. He wants us to be the ones other people come to for answers to the hard questions. He wants this church to be the lightning rod that attracts people who want truthful, well thought out, logical, Biblical answers to the toughest questions this world can throw at the church today. He wants us to be ready when someone comes to us for answers at the death of a loved one. We're thankful to God for Pastor Chronister and we're glad that so many of you are attracted to his sermons, and we thank you for taking the time to listen. In this sermon pastor gets into great and wonderful detail about Lot, his wife, and his daughters and Sodom. Why does Jesus say "Remember Lots Wife"? GENESIS	025	16-Dec-07	REMEMBER LOT'S WIFE. DO YOU KNOW WHY JESUS SAYS THAT?	Jesus connects how things were in Noah's day to how things were in Lot's day in relation to the end times. In this sermon we take a pretty deep look into this. In our simple minds here at Cliffside, if Jesus thinks it's important, perhaps we should look into it. I mean, after all it's Jesus, God Almighty, the Ancient Of Days, the Everlasting Father who's saying it. Until this set of sermons, I never knew just why it is that Jesus says, "Remember Lot's wife." Have you ever wondered what Jesus means when he says this? I never could figure it out until I started attending this church and asking Pastor Chronister to explain these things to me. If you would like the answers to these questions then I would encourage you to keep listening. You'll get it... eventually. At least you have an advantage. GENESIS	026	30-Dec-07	LOT'S WIFE: JESUS SAYS TO REMEMBER. WHY IS SHE IMPORTANT	In this lecture Pastor Chronister is going to take us from Genesis to Revelation to find the answer to this very important question that we ask. Why does Jesus/God tell us in Luke 17:32 to "Remember Lot's wife." Pastor takes us to the Feast Day of Remembrance and then to the 'Books' talked about in Revelation. Then he takes us to Luke 12:47-48 where it talks about "...unto whomsoever much is given, of him shall be much required..." where pastor informs us that what he is doing to us by all this teaching is to increase the size of our beating. That sounds exciting! Therefore this may not be a good sermon for those who are faint of heart. Then Pastor Chronister dispels the old false belief that Lot's wife was wicked. Does this offend you? It did me! But I couldn't stand being wrong about scripture, so I had to learn and study. Lastly, to find out what Jesus is saying when He says 'Remember' pastor leads us to all 14 times (2 groups of 7) when Jesus says to remember. And now we're on our way to finding out some of what Jesus wants us to figure out with his statement, "Remember Lot's wife." because then we must look at what Jesus says in reference to this verse. What did they do to cause the flood? ...Wait a minute! They caused the flood? Yes, that's one more thing you'll be surprised to learn about. Have I offended any of you yet? Probably about 80% of you. But you wanted a brief overview, and pastor told me it's all right to be honest with you about what you'll be hearing. And all this offending is just in the pre sermon stuff. Pastor Chronister will be offending even more of you during the rest of the sermon. Hey, don't shoot the messenger, and please don't shoot the pastor. We want to keep him around a little while longer. Again... just my attempt at honesty. One of our motto's is 'Driving away the visitors every Sunday, no matter what.' Speaking of visitors... Just as an aside, the visitors he refers to in this sermon just so happen to be my wife and I. I think this was our second or third Sunday. It was a very exciting time for us, knowing we had finally found our new church home. In this sermon our beloved pastor finally gets back to the topic of Lot's wife. GENESIS	028	20-Jan-08	RAPTURE = REMEMBER LOT'S WIFE? THIS IS A VERY COMPLICATED SUBJECT	Pastor Chronister starts off by equating Lot's wife with the rapture. That's pretty sound footing, because Jesus does this in Luke 17, and we should know what this is all about. It's very important to have this figured out. And of course, our pastor is going to help us. He tells us that one of the definitive works on this topic was written by Ada Ruth Habershon. She is the very best lady Bible scholar, probably ever. As a side note, she taught Dwight L. Moody just about all he knew. Are you impressed with this lady yet? Look her up and find her books and you'll be a lot more impressed. OK... The sermon. WARNING! This one is on the very popular topic of INCEST! Specifically, Lot's daughters. I challenge you to find a pastor who is willing to preach on this topic. I'm not putting down the great pastors out there (Most of them have the wisdom to stay away from this topic). Our pastor...? Is he crazy for doing this? The jury is still out on that one. Pastor does a wonderful job of noting just about everything that is similar between Noah in Gen 6 and Lot in Gen 19. Hey, Jesus equates these two in Luke 17, so pastor just thought it might be a good idea to look deeper into this. You might like how he does this... and this sermon might offend some as well. GENESIS	029	27-Jan-08	JESUS DOESN'T ANSWER THE QUESTION. NOW THAT'S GOOD TEACHING.	Pastor Chronister starts off by explaining why David is called a man after God's own heart. Then he explains how David is a type of Christ. And he also explains how Saul and Absalom is a type of the anti-christ. Then pastor describes who Judas actually is. I won't tell you about that. If you've listened to the sermons that pastor has here on Sermon Audio then you'll know what he says about that. And if not, I wouldn't want to give it away. Next, pastor talks about Bible and how it is absolutely unique and designed. He does this by bringing up other religious books and comparing them to the Bible. All the others do not speak of Christ. All the others do not teach salvation by Christ alone through faith alone by grace alone. They are religions of salvation by works. Pastor Chronister makes many wonderful cases for the Bible as a work of God. And all this is just the prelude to the actual sermon. The sermon starts with Jesus in Matthew 24. And He's asked a question. But He goes on for twenty four verses and doesn't answer the question. Now that's good teaching. And of all things, pastor tells us that Lot is a type of Christ. GENESIS	030	3-Feb-08	IT'S A RUNNING GAME - RUN FOR YOUR LIFE! LOT/SODOM/SUPER-BOWL SERMON	I figured you would like to get back into the Genesis series. After all, this is a 105 sermon lecture, and I really do want you to have all of them. And some of you are probably dying to get back to this wealth of knowledge that is in Genesis 1-19. So here we go! Do you like the catchy title? Pastor thought that one up all by himself. Hey, this is a great feat for him. Usually all he can come up with is, "February third, two thousand eight, Lecture discussion number 30 on Genesis 1 through 19." Now I'll grant you, that's not an easy title to come up with, but it lacks a certain panache which I, as pastor's humble servant, will endeavor to tantalize you with for as long as the Lord lets me. OK, so what's this sermon about? Do you even care? It's about Lot and his run from Sodom. OK, that's obvious from the clever title. I love how pastor makes the events of Genesis 11 just fly off the page and come to life. He makes it very plain what actually happens to Lot, his wife and his daughters. This sermon is also about End Times Prophecy. And... this sermon is also about Genesis 1. How does this humble pastor do it?! Is this a seeker sensitive, warm fuzzy applicational sermon? No... Why would pastor do that, when he can teach you about Jesus?	MATT 24 GEN 11	END-TIMES LOT RAPTURE RETURN SIGN SODOM			54111638190
GENESIS	031	10-Feb-08	WHY CAN'T GOD MAKE IT EASY? ARE YOU FRUSTRATED WITH THE BIBLE? THIS SHOULD HELP.	If you're new to Pastor Chronister sermons, a disclosure is in order: This pastor is committed (after hearing him you might think he should be committed) to a high level of discipleship and teaching. If you are 'normal' then this lecture might fascinate you but you'll probably never come back. 'Normal' people just want the simple. They want the Bible to be easy... and I would ask them, did you think that an omniscient, omnipotent, omnipresent God would write an easy book? OK... I know that I've just offended most of you. So to all of you weird people still reading this, here is deep teaching that will challenge any serious student of Scripture. Amazingly this pastor will not dumb down Scripture for you, but he will make it palatable with his fascination with God's Book and... there's a chance you just might like it. OK, that's enough obligatory braggadocios pontification. What's this sermon about, you might ask. Well, in the middle of a lecture on Genesis, our illustrious pastor is on one of his wonderful rabbit trails and he's teaching on the End Times. If you want to find out how he got here, you'll have to go back and listen to the past 30 lectures in this series. Again, if you're one of the weird people who actually like our pastor's sermons, then you just might like this one. Will you also risk being offended? Oh yes. If you'd like to be weird like us, just open your Textbook and press play. It will happen somewhere around the tenth lecture. PS. To 'Larry in Ohio', thanks for your e-mail. Pastor will talk to you in one of the upcoming lectures. Your insight about Saul is... I'll let him tell you. But you'll like it. GENESIS	032	17-Feb-08	ARE YOU A FUTURIST, A LITERALIST, A HISTORICIST, OR A PRETERIST? LET'S FIND OUT.	OK... For those 3 or 4 of you out there who have listened to the first 31 lectures that Pastor Chronister has done on Genesis, and you're patiently waiting for the rest of the 105 sermons... well, here we go. As you may recall, we left our Genesis series as pastor has wandered off into the proverbial corn field of... Matthew. So what in the world does Matthew have to do with Genesis? And why did we wait so long to get back into the Genesis series anyway? Well... this is Cliffside Community Chapel, so that makes this a..... Cliffhanger. Ha, Ha, Ha. Hey, I didn't come up with that line, I just repeated it. OK, but really... what about the Matthew question? Well, Genesis as you'll recall has the Fall in chapter 3, and the Flood in Chapter 6, and then you'll remember Sodom and Gomorrah in chapter 19. OK, all those have to do with the conversation that Jesus is having with His disciples chapter 24 of Matthew, known as The Olivet Discourse. Those portions of Genesis, along with others, have to do with the time of the Great Tribulation and Christ's return. If this is new to you then I can't promise you you'll like it. But just try it. You might like it. If you find you don't like it, that's OK. The door is over there and you can leave whenever you'd like. So... would it be a good idea to start at lesson 1? Perhaps. Do I expect you to go back and listen to all 32 previous lectures before you listen to this one? For goodness sakes, no. OK... in this lecture, Pastor Chronister is in Matthew 24... What? I thought this was a series on Genesis. You would be surprised to know just how much your Bible is interconnected. If this idea is new to you, don't worry, our pastor can help you. When Jesus says in Matthew 24, "For as in the days that were before the flood..." He's talking about Genesis. If that makes sense to you, then you are starting to think too much like Pastor Chronister. If it doesn't make any sense at all to you then you're OK. But now you'll need to listen to this sermon to get an understanding. What... you think I can explain this to you? There's not enough space here to even begin to do that for you. So... Moses was high on drugs? What's that all about? Again... do you think I have room here? All I can say is, if this is your first time listening to Pastor Chronister, you're in for a treat. GENESIS	036	16-Mar-08	THE MYSTERY OF THE MAN OF SIN. THE 8TH OF THE 11 MYSTERIES	Pastor starts off this sermon by listing all eleven Mysteries. But his focus in this sermon will be on the 8th, which is sometimes called The Mystery of the Antichrist. In most of his sermons pastor gives alternate views, and this one is no different. But unlike most preachers out there, this preacher actually gives you the depth of Scripture to help you to determine the Biblically correct view. In this sermon Pastor Chronister is going to give you an in-depth study of the antichrist, the seed of the serpent you see in Genesis 3:15. Sense this passage is concerning both Christ and the antichrist, our pastor is going to spend a considerable amount of time talking about the actions that this passage talks about. But he gets into a lot more than this. If you have heard any of Pastor Chronister's sermons in the Antichrist series, this one will be of great interest to you. GENESIS	037	6-Apr-08	WHAT DOES "BRUISE HIS HEEL" MEAN, AND WHAT DOES "BRUISE THY HEAD" MEAN?	Pastor Chronister asks the questions in the title. The seed of the serpent of course is the antichrist, and he gets his head bruised or crushed. But when and where does this actually take place? Now we go back to Zachariah 11 and talk about the good shepherd and the idol shepherd because that's where the prophecy of the 30 pieces of silver is. Then we go into Matthew 26 because, believe it or not, the antichrist is there. OK... now I'm giving away the story, so I'll stop there. If you want to find out about the antichrist, this pastor's teaching is one of the best sources out there on this topic. Alright... I'll admit it. I brag about my pastor. Hey, you can brag about your pastor if he brags about his savior, right? This pastor is one who honors Christ above all and we're grateful for it. Pastor concludes the sermon with the idea that the church should not be indoctrinating anybody. We should be teaching and asking questions. GENESIS	038	13-Apr-08	THE MOTIVES OF THE ANTICHRIST. ZECHARIAH 11 TELL YOU	Pastor Chronister starts off this sermon with his favorite verse, Deuteronomy 18:15, where God says through Moses that He, Jesus, will be a Prophet "like unto me [Moses]". Moses says, Look at my weird life... this Great Prophet will do the things I've done. That's how you'll know Him. Then pastor goes into a wonderful description of Judas after Satan enters him. This is a fantastic sermon on the anatomy of the situation where Judas comes with a small army to take Jesus and deliver Him to be crucified. Just picture this... Jesus asks "Whom do you seek?" They answer "Jesus of Nazareth." Then Jesus says "I AM", and Judas with his army fall back on the ground. What would you do if a guy says "I AM" and you're flat on your back? And keep in mind that these people, the chief priests and the elders of Israel are there with them, and they know what it means when Jesus says, "I AM". GENESIS	040	27-Apr-08	JESUS IS IN CONTROL OF HIS OWN CRUCIFIXION! HE LEADS THEM TO GOLGOTHA.	Pastor Chronister takes on this extremely controversial topic. The fact that Jesus was completely in control of His Own crucifixion is lost among almost all of today's churches. Now, before I loose most of you, let me ask you a question. Is Jesus Christ 100% God? OK, if you answered this question correctly then you might like this sermon. If you answered anything but 'Yes' then I can assure you that you will not like this sermon, so pick another one if you value your blood pressure. Even if you answered 'Yes', this sermon may offend you. But if you want to know the truth about your Savior and not the Catholic (Mel Gibson) version, then you'll want to hear this pastor out. GENESIS	041	4-May-08	IS JESUS INFERIOR TO GOD? A STUDY OF THE HYPOSTATIC UNION - THEY MYSTERY OF GODLINESS.	In this lecture pastor Chronister is continuing with the 8th Mystery which is 2 Thessalonians 2:7-9. There are 11 Mysteries (just in case you were wondering). The 8th is the Mystery of the Lawless One, The Man of Sin, The Antichrist. Surprisingly enough, this involves Judas. I'll let this pastor explain that to you. This is also Genesis 3:15; the seed of the serpent, and the seed of the woman. And this preacher expands much on this. 1 Timothy 3:16 tells us that the Mystery of Godliness is very hard to understand (this is the first Mystery). Genesis 3:15 is the first mention of the Hypostatic Union. God taking on humanity. Pastor talks about an article that Mark gave him asking, "Is Jesus inferior to God?" This view, that He is subordinate to God is, well... it's heretical. But it's very common in Christian circles today. Of course, our pastor has to expand greatly on this, as well he should. He talks about the human will and the Devine will of Jesus Christ. The question here is: do you have an impeccable or a peccable view of Christ? And: was Christ always aware of His Deity? This is the most important doctrine in Scripture. So, just suck it up buttercup (he didn't say that, it's just how I interpret it, but I'm prior military). But now we get back to talking about what we went through last week. That Christ is in complete control of His own crucifixion. And this discussion is very fascinating and informative.	1 TIM 3:16 JOHN 1:1-4 2 THES 2:7-9	CRUCIFIXION JUDAS SATAN SERPENT WOMAN SEED MYSTERY			1125161635426

GENESIS	044	25-May-08	GOD IS NOT GREAT AND OTHER THINGS THAT CAN BE PARALYZING TO CHRISTIANS	<p>We're spending considerable time on Genesis 3:15 because it is essential to know how the "interface" between the human nature of Jesus Christ works with His Devine nature. This passage also speaks of how God/Jesus will crush Satan's system of sin-evil-death. Satan's rebellion and the origin of sin, and consequently our sin, and the question of why did God allow sin, death and free will, is of great importance. "And what about the Angelic host? Why did God do this free will thing?"</p> <p>Our wandering around with these ideas has led us to 2 Samuel 24 and 1 Chronicles 21. God kills 70,000 military men because of what David did, and it has something to do with 2 Samuel 21 where Saul thinks it's okay to kill Gibeonites. And if you can figure out Satan's motive, because he's involved in this too, then you can find out the motives of David and Saul. See, it's simple... okay, maybe not.</p> <p>And because of Genesis 3:15 we're also asking: In which garden did the bruising of the heel of the seed of the woman occur? Was it Gethsemane or Golgotha? GENESIS	045	1-Jun-08	JESUS WEPT: FOR HIMSELF? NO! WHY THE SORROW OF GETHSEMANE?	<p>Yes, this is in fact a Genesis study. It's just that the Old Testament references in Genesis 3 have taken us to the most prominent New Testament complement. Just who is this The seed of the Serpent? But who is the Antichrist? If you don't like the answer, it's okay to disagree with this preacher (at least until you find out that he's right). So we're searching all over the Bible to bring you as many of connections to Genesis 3:15 as this pastor possibly can. This will also help you to understand what Christ is up to much of the time.</p> <p>This has led us to a discussion of the Two Gardens (the dying garden and the grieving garden). David bought this entire area; see 2 Samuel 24 and 1 Chronicles 21. He did it because he didn't count the people with the atonement silver, like God told him to. Very bad idea. And we go from there to the tenth plague in Egypt because it's the same thing that's going on in David's case. Then we go to the Passover meal where Satan enters Judas. And that's just a brief description of the introduction. Yep, you've just entered the advanced class.</p> <p>And now I'll let you figure out why our pastor is talking about Joshua and the stopping of the universe. Here's a hint: It has to do with, "You never, never ever kill Gibeonites." That will only make sense to you if you have been listening to the last several lectures in this series.</p> <p>Today we're looking into 2 Samuel 21. GENESIS	046	8-Jun-08	SATAN IS HAVING CLASSES? YES. HIS FIRST ONE WAS: HOW TO DEFEAT GOD 101.	<p>God tells us that Satan is filled to overflowing with wisdom, and he has great beauty. With that said, it stands to reason that Judas would be the human equivalent: very smart and beautiful.</p> <p>Satan can also lie. Can he lie to God? Well, no. So, who does he lie to? People, yes, but what about Angels? And another thing... Satan knew that God would not annihilate him at the first lie. But why didn't God at least stop him? Why doesn't God stop us?</p> <p>There is only one truth – one God – one path – one Savior. God Is One.</p> <p>Satan has plotted and schemed against us for some time now. But let's look back to some examples in the Old Testament. Case in point; would he know that killing Gibeonites would cause a plague? And would he also know that if David counted the people without the atonement money (silver), there would be a famine?</p> <p>Here are 5 bold lies of Satan:</p> <p>God Is Afraid of Sin. (Which means He is not omnipotent) God Is Not Omnipresent. God Can Be Killed. Jesus Christ is God, and if He can be killed, then... God Lies God Is Not Just – He's not fair – He will not judge. (And if He does not judge, He cannot return)</p> <p>The notes written above are an adaptation of some things I jotted down as I listened to pastor Chronister, before we were able to persuade him to put his lectures online. That probably makes no sense at all to those of you who are new to Cliffside. And to make matters worse, our pastor tells us that everything that happened at Golgotha has something to do with killing Gibeonites. I can give you a hint: The seven sayings of Christ on the cross are a salvation by grace sermon, and the Gibeonites understood, more than anybody, salvation by grace. Last week's lecture didn't get recorded so our illustrious pastor will try and catch us up while he moves along. But first... he's going to do his famous, "Things I've learned from the Internet, television and Hollywood." This week it's Kabbalah and Scientology, and the intellectually challenged Hollywood elite. Listen in... It'll be fun. "If you want something you must first give something". Only the Bible teaches Salvation by grace. All others teach a human based works / law system. The absolute pinnacle of that, was legalistic Phariseism. And what did Jesus Christ, God, say about them? God is The Possessor of Heaven and Earth! He has Everything. We have nothing. We're described as naked, filthy, blind, lost, dying, deprived, and desperately wicked, and we could add in, incompetent and stupid. So then... how do we get saved? If we have salvation, God has given it and He has superglued it to us. And the rant goes on... Do we ever get back to Genesis 14? Well... We even get into Benny Hinn. Slaying and pushing and catching. A child can see it's not real. How does that keep working? Matthew 4:5-7. Satan is doing the same thing here. Altruism... Goodness... Sacrifice. Here we have a meeting between Abram and Melchizedek and the real king of Sodom; the king of wickedness. Now, who is that really? And who is Melchizedek? He is the King of Salem. Wait, doesn't Salem mean Peace? He's also the Priest of God Most High. Wait... you can't be both the King and the Priest. It's forbidden in Mosaic Law. And look, He brings bread and wine. But then, the king of Sodom says to Abram, "Give me the persons, and take the goods for yourself." What were these "goods"?</p> <p>This testing is paralleled in Matthew 4. Can Jesus Christ, The Almighty God, be tempted? This is a testing, but most have a peccable view of Christ. We have the impeccable view. I'll let pastor Chronister fill you in here.</p> <p>Satan and Sodom both have nothing to give. God – Jesus Christ – Is The Possessor of All things. And all means all. Satan's nothing is the 8th Mystery (of the 11 Mysteries – which we're all supposed to know). It's a poker game and Satan is bluffing, because he has nothing. What is Satan attempting to accomplish? How's he doing? He's doing really well. How is that so? Look at the battle of Armageddon. He's got thousands supporting him.</p> <p>Matthew 12 is an even better example of a parallel to Genesis 14. It's a courtroom... Okay, I'll need to let pastor explain this.</p> <p>Okay, now let's go to Matthew 25, The Olivet Discourse. Look at the 5th Parable. The Parable of the Talents. Who is the Master here? Who is the wicked servant? Now we're back in Genesis 14. And I'm out of space here, so you'll just have to let our pastor delve into this with you.</p>	GEN 14:18-24 MATT 4:1-11	ABRAM MELCHIZEDEK TITHE SODOM			11301882425408
GENESIS	053	3-Aug-08	PRODIGAL SON: THINK YOU KNOW? THE MOST ASTOUNDING STORY EVER TOLD. PART 1	<p>Last Sunday we were in Genesis 14. It's Melchizedek and Abram, and the real king of Sodom, in a meeting. The king of Sodom wanted to exchange goods for Abram's people. Last week we learned that Melchizedek is God Himself, Christ incarnate, The Possessor of all things. This is Satan bargaining with Abram, and God/Christ swoops in with flesh and blood. But trust me, you'll want to hear how this pastor explains it.</p> <p>Now, from there we made the connection to Matthew 25:14-30 the parable of the talents, and for review we'll read it again and catch you up. Isaiah 5:20 connects with this passage, just so you know. Lot is a part of this story too. But today we're moving on.</p> <p>We're adding to all of this. Where will this preacher go now? Wait for it... Luke 15! That's right. You know it as "The Prodigal Son". There's a better name, but you'll learn that later. No human being can right Luke 15. Now, there's 3 parables in this chapter but they're really one.</p> <p>Here Jesus is doing only what can God can do. He's telling a story about each group of people gathered around Him, with a twist... You see, He's also teaching them about Himself, because He is in the stories also. And... You are in the story. I'll give you a hint: you're not the Father. But... if you thought you knew what is really going on in the parable of the lost son, this is where you will find out some things that you never suspected. Because, most likely, if you haven't read Kenneth E. Bailey's book on this, you don't really know the story.</p> <p>This is an astonishing story. And in my opinion, it's the very best lecture this pastor has ever done. Tune in next week for part 2.</p>	GEN 14:18-24 LUKE 15:11-32	PRODIGAL SODOM MELCHIZEDEK TALENTS	BAILEY		12121873817622

GENESIS	054	10-Aug-08	PRODIGAL SON: WHAT? REALLY? THE MOST ASTOUNDING STORY EVER TOLD: PART 2	<p>We continue from last weeks lecture in Luke 15. I know. This is supposed to be a Genesis lecture. Well... no time to explain now. The lecture is about to start. Your mission, if you chose to accept it, is to press play after you read this.</p> <p>It's the story of "The Compassionate Father". You know it as "The Prodigal Son", but not anymore. First: step one... if you haven't, you absolutely must listen to the previous sermon. This is a two-part lecture that you won't want to miss.</p> <p>Alright, for those of you who have complied with step one, I will attempt to give you a short description of this one. You'll want to listen and take notes, because there'll be a test on Friday.</p> <p>This is a two-hour synopsis of the knowledge Kenneth E. Bailey, who spent 40 years studying this story of the Compassionate Father.</p> <p>Here, we get to know the context. Who is attending this story as Jesus is telling it? Now, what's their back story? How many of them know this is God standing in front of them? JesusGod is telling them a story. They are all in the story, and they all know it. The Pharisees knew they were in the parable of the talents, Matthew 25:14-30, and they know they are in this one as well. They weren't happy before, and they're not any better now.</p> <p>Pastor Chronister does in fact help you with the connection to Genesis 14. JesusGod is the possessor of all things.</p> <p>This is an astonishing, astounding story. Jesus is telling a story that is happening to the people in front of them, while He is telling it.</p>	LUKE 15:14-32 MATT 25:14-30	PRODIGAL JESUS-GOD	BAILEY		121618823282462
GENESIS	055	17-Aug-08	THE PRODIGAL SON EXPLAINED? SOME THINGS YOU MAY NOT HAVE CONSIDERED: PART 3	<p>While Jesus is telling this parable, it is all actually taking place right in front of the people He's speaking to. Being never not God has its advantages. This is an astonishing study and I am so very happy to finally get it out to all of you on SermonAudio. There are stanzas and a pattern to this parable, and our infamous pastor will explain why and how that is important. So, here are some notes I took all those years ago of what pastor Chronister put on the board. That should make following along a little easier.</p> <p>Younger Son 1. Death (them) 2. Get stuff – Should have never happened – Lost all 3. Feeding pigs. Rejected – "Die Jew" – Hatred 4. "I am perishing" – Recognition of his problem 5. Returning to The Father – Solution 6. GENESIS	056	24-Aug-08	WHAT IS GENESIS 15 ABOUT? AN INTRODUCTION TO A VERY IMPORTANT PASSAGE OF SCRIPTURE	<p>Pastor Chronister says, today is a special day because... we're on the down hill slope of our Genesis series. ...Or are we?</p> <p>Pastor gives us an idea of where he might go next. Philippians 2:12, Work out your salvation with fear and trembling. Never have an interpretation that is clearly in opposition to the rest of scripture. People that come to your door will show you how they twist this one.</p> <p>But on with the lecture. We return to Genesis 14 and 15. Pastor says that Genesis 14 and 19 is a Melchizedek sandwich. So really, it's a Christ sandwich, because Melchizedek is of course, Christ in the flesh. There are some very interesting things in between, to be sure. So, this should be a fantastic sermon. But Genesis 15 is probably the most important passage in all of scripture. And that's where we go now.</p> <p>If you don't understand Galatians it's because you don't understand Genesis 15; actually 14 through 19. Basically, this lecture is setting us up to better understand this amazing Genesis 15 passage.</p>	GAL 3:6 GEN 15:1-21	MELCHIZEDEK SALVATION			11319810171394
GENESIS	057	7-Sep-08	THE ANSWER SHEET: GENESIS 15. IT ANSWERS SALVATION, IMMORTALITY, GETHSEMANE, ETC, ETC	<p>This is the beginning of this pastor's foray into the wonder of Genesis 15. He introduced this part of the Genesis 1-19 series last Sunday but now we dig in. Proof that Scripture is from God is, you open a door and you find ten more doors. Scripture must reveal Christ and take you all over the place. That's how you know it's of God. Genesis 15 is extraordinary; it's a monster (in a good way).</p> <p>Your assurance of Salvation is in Genesis 15. The solution to Gethsemane is in Genesis 15. The doctrine of immortality is in Genesis 15. Salvation by grace is established by Genesis 15. Basically, this chapter is the answer sheet of the Bible.</p> <p>Will we get to all the answers that Genesis 15 provides? ...no. Will we get five of them? That's a possibility.</p> <p>Now open your TextBook to Genesis 15. You'll want a notepad or a notetaking device.</p> <p>This broadcast is brought to you by... Brady from the front row. GENESIS	058	14-Sep-08	HOW CAN I KNOW. TAKE ME. WAIS! SO, WHA'S WITH THE ANIMALS IN GENESIS 15?	<p>It will become obvious to you when you listen to this lecture that the first part of it didn't get recorded. But... as you start listening, you'll quickly figure out that this is not an easy study. And, when you get down to it, neither is any part of God's word. This is Genesis 15. Probably the most important chapter in the Bible, albeit one of the most misunderstood.</p> <p>Undoubtedly, as you will learn from the previous lecture and the subsequent ones, this is God's answer to Abram's question, "How can I know that I'm saved?" God's answer contains, at least in the King James, this statement: "Take Me...". I capitalized the 'Me' to illustrate to you that it is this "Me" you must take to be saved.</p> <p>So, with that little tidbit in place, we now start the lecture with our pastor giving a description of these animals and birds that God tells Abram about. This is an incredible puzzle, and God lays it out for us to solve. The 'Life Verse', if you will, of this church is Proverbs 25:2, which says, "It is the glory of God to conceal a thing: but the honour of kings is to search out a matter." And you, dear people, are about to find out why we like this verse.</p> <p>Oh... did you know that God has a sense of humor? Well, yes. Listen and find out about it.</p> <p>I'll not be giving you any kind of brief description of this lecture, other than to say, if you are a serious student of Scripture, you are in for a treat that will enrich you for the rest of your life. If you're not a student of Scripture, it is our sincere hope that these lectures will inspire you.</p> <p>May God richly bless you and yours with wisdom and grace as you "search the Scriptures" with us.</p>	GEN 15 PROV 25:2	ABRAM			6261954554611
GENESIS	059	21-Sep-08	WHY TAKE ME IN GENESIS 15? BECAUSE IF YOU DON'T, YOU'RE LOST ETERNALLY!	<p>You need to know that Melchizedek in Genesis 14 is God in the flesh. And then you have Him appearing in the flesh again in Genesis 19. So, along with those chapters that are in between, you have what our pastor calls, a Melchizedek sandwich. And that's where we find ourselves today, because we're learning from Genesis 15. And Genesis 15 is defined as The Day of Christ.</p> <p>We have a letter from Mark, and he asks, Wouldn't it be easier if God just laid it out for us, one, two, three, four. God's spirit formed each and every part of us, and he want's us to know the parts of Scripture. He wants us to argue... the right way. He wants us to wrestle with the Word together. And today, we wrestle with the "Godzilla" of the Bible... Genesis 15. There are a lot of first's in this chapter, and this pastor tells us about some of them. First mentions in the Bible are very important.</p> <p>Today, we're going to take on one of the Take Me's; the virgin, three-year-old red cow (heifer). And that takes us to Numbers 19, 31, and Deuteronomy 21. And you're probably saying to yourself, How is it that to solve a Genesis 15 problem, I have to go all over the Bible. Well... our pastor tells us, That's just how it works.</p> <p>But why do you have to "Take Me"? Because if you don't, you're lost.</p> <p>I should probably stop trying to describe what is being relayed to us in this lecture. Because the more I try, the more people I'll lose.</p> <p>You'll learn things here that you will probably not be taught anywhere else. Welcome to one of the last advanced Bible classes left in the US.</p>	GEN 15 NUM 19	VIRGIN HEIFER MELCHIZEDEK			62719736593014
GENESIS	060	28-Sep-08	REPLACE ABRAM WITH YOU! GOD, IN GENESIS 15, ANSWERS A CRITICAL QUESTION.	<p>I just want stop here and ask that you be in prayer for our Pastor. As I am writing this description tonight, June 27, 2019, I got a call that Pastor Chronister is back in the hospital. I don't have any details, but it's his heart. Please, every one of you who are reading this, stop and pray. I don't care if you listen to the lecture or not; just pray.</p> <p>There's been three lectures before this one that try and deal with this Behemoth, Genesis 15. All the animals mentioned by God in this passage are referencing a sacrificial animal that is a foreshadowing of The Great Sacrifice Himself, Jesus Christ, the Lamb of God. Jesus Himself told us to search the Scriptures, John 5:39. He said, "...they are they which testify of me." And Genesis 15 is probably the most important passage that Jesus wants us to look into. It testifies of Him.</p> <p>Hopefully, as we go through these lectures, the totality of what God is telling Abram will make sense to you. In fact, our pastor tells us to consider what is being said to Abram, as though God is speaking directly to you. Replace Abram with you. Verse 8 would be you saying to God, "How can I know that I'm saved?" You'll find His answer to your question starting in verse 9. The first thing God tells you is, "Take Me...". And now you've got to figure out what He is telling you about Himself and His plan of salvation, when He tells you about what to do with these animals. And... the really fantastic part is what God does next.</p>	GEN 15	BEHEMOTH SALVATION SACRIFICE			6281975635969
GENESIS	061	5-Oct-08	IS GOD SADISTIC? IS JESUS GOD? THIS LECTURE SHOULD HELP YOU A LITTLE WITH THOSE QUESTIONS.	<p>Did you know that Genesis 15 = Matthew 26:36-55? What's that you say? Did you just ask, "How can anything in Genesis 15 relate to Gethsemane?" Oh, you think Genesis 15 is Abram asking God how he is going to inherit a great nation? Well... that would be incorrect. I'll tell you what; back that tape up in your head so we can record some new information on it. Oh, and by the way... there's been about four lectures before this one on Genesis 15 in this series, so after you listen to this one, you might as well go back and listen to those.</p> <p>Okay, that's just my comments from the peanut gallery. And no, this is not pastor Chronister writing under a pseudonym. Allow me to introduce myself. I'm Dave, aka, Supper Dave, and I'm your very biased commentator. But, on with the lecture...</p> <p>Well, I thought we were going to start the lecture, but our pastor has run off on a rabbit trail. It's good though. "Good" in Cliffside means we're probably gonna step on your toes.</p> <p>We're going over the animals God brings up in this chapter, and we are talking about the young goat. So, off we go to Leviticus 16. Yes, that's Yom Kippur. FYI... all of these animals are pictures of Christ's sacrifice. If you're using the Old King James, it has the correct phrase in verse 8, "Take Me..."</p> <p>In this study we will talk about the Flaming Torch and the Smoking Furnace. All of the persons of the Godhood are represented here, but it's more than that, and we'll help you solve some things here. But... we can't do that unless you press play. So, open your TextBook, get out a notepad and let the advanced class begin.</p>	GEN 15 MATT 26:36-55	GETHSEMANE YOM-KIPPUR			630197594437
GENESIS	062	12-Oct-08	PERMINERALIZED DINOSAUR BONES? I THOUGHT THIS WAS A LECTURE ON GENESIS 15.	<p>Our pastor is going to go back and revisit last week's lecture. He's calling this "A Repletion of a Previous Beginning". Will I, your anointed deliverer of short lecture descriptions, use that for the title? No. Are you kidding? Who would listen to this lecture if I did that? And, if you have read any of my previous descriptions and titles, you have already figured out that I am neither brief nor anointed. Long winded and annoying... okay, I'll give you that.</p> <p>Now he's talking about Christians talking about dinosaurs. His point? The Bereans would test what Paul would tell them with the Scripture, Acts 17:11. So, this section is about permineralized dinosaur bones. I know... you're wondering what this has to do with Genesis 15? Nothing. Our Governor, at the time of this recording, was Sara Palin, and she was asked about dinosaurs. We admire her for the great things she has done for this state and more, but she didn't have a good answer to the question. So, our pastor is helping us out with what to say when you are asked about this subject.</p> <p>But alas, we must get back to Genesis 15. So, we start with Leviticus 16 of course. Why? Genesis 15 leads us to the ashes of the Red Heifer. And now we need to revisit the two goats from last week. This is the goat for YHWH and the goat for Azazel. Are we lost yet? If you are, I would suggest going back to the last few lectures. Will you? Probably not, so I'll give you a hint: Genesis 15 is all about salvation. These animals are all sacrificial and they are all a picture of Jesus Christ who sacrificed Himself for all of us.</p>	LEV 16 GEN 15	PERMINERALIZE DINOSAUR HEIFER AZAZEL BEREANS	PALIN		7719749372811

GENESIS	063	19-Oct-08	THE BLOWING OF THE SHOFAR! BUT WHAT'S THAT HAVE TO DO WITH GENESIS 15?	<p>We have covered The Day of Atonement. That's the first animal God gives Abram in Genesis 15. I should stop here and let you know that it's okay to listen to this lecture first, but you'll want to go back and listen to the last five or so, to get a better understand of this great passage of Scripture.</p> <p>Next, we covered the two goats. One is sacrificed to YHVH. The other one is for expiated sin. And this goat is allowed to be set free to run in front of Azazel, which we have determined to be Satan.</p> <p>You see, the purpose of Genesis 15 is to answer Abram's question. How can I know that I am saved? That is what he is really asking here in verse 8. All these animals are a picture of Christ and His redemptive work at the cross. And the answer God gives is not simple. But this is knowledge of salvation.</p> <p>Now we're going to the ram, and that sends us to Genesis 22; Abraham and Isaac. That's the exact same spot that Jesus chose to be crucified. That's probably the easiest ram. You just have to solve why it's caught in a thicket. Did you know that there's another ram in Exodus 19? This passage is the blowing of the Shofar; one of the exact same rams' horns that was caught in the thicket. See... easy as cake, piece of pie. ...In case you haven't already figured this out, you need to go find all the places in the Bible where these animals are mentioned in order to get the complete picture. But that's only one of the horns. Where's the other one? First, we look at Hebrews 12:2, but the second place is Revelation 4:1.</p>	GEN 15 REV 4:1	SHOFAR ABRAM ATONEMENT AZAZEL GOAT SALVATION SATAN			7111960395747
GENESIS	064	10.26/08	THE RAM IS A TYPE OF CHRIST. AND THE FOUR KINDS OF EVOLUTIONISTS. WHY? YOU'LL SEE.	<p>Genesis 15 is so very important. If you don't know Genesis 15 you won't be able to explain things to people. Why? Because this is the definitive answer to the question, "How can I know that I'm saved?"</p> <p>Ooo... he's throwing in some political commentary. Looking back now, as I post this lecture to SermonAudio in 2019, what he predicted actually came true. And no, we don't look at him as a prophet. It's just easy to predict what will happen when that kind of president gets elected.</p> <p>We now get to review what this pastor has gone over in the past several lectures. He's been doing Genesis 15 for 9 weeks now (in case you want to go back and listen, he began this part of the Genesis series on 08/24/2008).</p> <p>So, where are we today? There's the wedding. We'll get to that, but first you have to look at the ram with his horns caught in the thorns. This ram is a type of Christ and therefore we have to understand that the ram didn't get caught in the thicket. He put Himself there. That has to do with the crown of thorns, but it also takes you back to Adam being in thorns.</p> <p>Now, why did God put the first three animals in the order that He did? Because they coordinate with Death, Sin and Substitutionary Sacrifice, in that order. So, what do the birds signify? They are not divided or beheaded. We'll get to that another day. Today is about the ram.</p> <p>But first our pastor does a section he likes to call, "At least it's not Leviticus". What's that all about? Well, you'll have to listen.</p>	GEN 15	EVOLUTION RAM GOAT SACRIFICE TYPE-OF-CHRIST			831985493640
GENESIS	065	2-Nov-08	LORD, HOW SHALL I KNOW? AND A QUICK INTRO TO DISPELLING PROGRESSIVE CREATIONISM.	<p>The question always here at Cliffside is, "What are we going to do next?" Our pastor describes the common teaching that is becoming more and more prevalent today, that God used death to create. Yes, he's going to take on Progressive Creationism. He'll do it in segments along side this Genesis 1-19 series, but, we're not doing that today. This is just a quick intro.</p> <p>Last Sunday we were discussing the Wedding imagery that accompanies the Ram of Genesis 15 and Genesis 22. Why did God place His plan of salvation inside His ordinance of Marriage? Why is it that the first institution God put into place is marriage? Inside the Hebrew Betrothal system is His plan of Salvation. In there is, when He leaves, and when He's coming back. And what about that verse that says, Only the Father knows when Jesus is coming back. You think that means that Jesus doesn't know? Our pastor is happy to dispel that notion.</p> <p>Pastor's hope today is that he gets into you how important Genesis 15 is. It answers some crucial dilemmas you'll come across as you study the Bible. But the main question it answers is... How can I know that I'm saved? I know... It doesn't look like it on the surface, but study along with us and you may find some amazing things that will ground your faith. This pastor will teach you how you can know, while most other churches out there just want you to walk away with a good feeling. Nothing wrong with a good feeling, but here's my question for you. GENESIS	066	9-Nov-08	CHRIST = RAM IN THE THORNS! AND, IS GOD THE CREATOR OF DEATH?	<p>The following description was taken from the notes I wrote down as pastor Steve Chronister was presenting it. So, I hope it doesn't dissuade you from listening. If it does, you will listen regardless. This Genesis Series is the epitome of the work this pastor has presented, and besides... We have ways to make you listen. Okay, I'm messing with you but, just try it... you'll like it.</p> <p>Jesus Christ is saying to us, I Am the Ram in the thorns. The crucifixion and the Ram are steeped in the Hebrew Marriage Ceremony.</p> <p>But first, as is the tradition, we have the brief interlude. This time our pastor is not going to continue to destroy Progressive Creationism... so he says as he dives right into it with a rant. Hey, he can't help himself. Because Genesis 6:5-7 and 11 make sense only if God is the Author of Life, and it makes no sense whatsoever if you think God is the creator of death.</p> <p>Okay, on to Ezekiel 38:13. Is this country on its way to this passage? Most likely, yes. Ezekiel 38 and 39 is the pre rapture war of Russia coming to strike against Israel, and God stops it! Israel is not ready for this attack and will know for sure that God saved them.</p> <p>Now, the last part of my notes says this:</p> <p>Ram means marriage. GENESIS	067	16-Nov-08	WHAT ARE THE 2 BIRDS? HEALED LEPER. SO, WHAT DOES JESUS DO WITH THAT?	<p>So, what are the 2 birds? First and foremost - Christ. Remember, This is Genesis 15 where God/Jesus Christ says, "Take me..." in answer to the question Abram asked Him, "Lord God, whereby shall I know that I shall inherit it?", or, "How shall I know that I am saved?" And remember, every beast and bird, the heifer, the goat, the ram, and therefore the turtledove and the pigeon, are also symbols of Christ, even though Abram hasn't seen it yet. But this is God speaking to us throughout the ages. No part of Scripture stands alone. It is up to us, with the help of a good pastor, to find the mystery's and riches of this conversation God is having with us and His Angels (in case you've forgotten, this is all on display for the fallen and unfallen heavenly host, as well as for us). And just so you know, only the first two sentences of this paragraph are actually part of pastor Chronister's lecture. Everything after that is just me, Supper Dave (if I exist), trying to fill you in on some important things we've learned so far.</p> <p>But let's take another look at Genesis 15:8. "How shall I know that I am immortal?" That's what Abram is saying.</p> <p>Now take a look at Leviticus 14. Here we have the procedure that God commands to be done when a leper is healed... but... No one is ever cured of leprosy. Until Luke 5:15! Jesus healed thousands of them! And the medical and religious community hates this! Why? Well, I'll let this pastor explain it. Besides, he's much more entertaining than I am. Side note: today's Leprosy (Hansen's Disease) is curable. GENESIS	068	23-Nov-08	THE I AM IS HERE! HE CAME AND HEALED LEPERS. DID THE PHARISEES BELIEVE?	<p>This Sunday we continue on finding out more about this relationship between healed lepers and the 2 birds of Genesis 15, and ceremony required for healed lepers in Leviticus 14. But, the most obvious of the obvious questions here should be, "Why are there any healed lepers?" How are there any at all? How are they healed, and why are they healed? Leviticus 14 promises there will be healed lepers. So, we have to go to Moses. God gives him two signs. A stick that turns into a serpent, and a hand that turns leprous. Leprosy is the symbol for sin, and only God can heal it. And that's why Jesus healed thousands of lepers, to show people that He Is God! This is telling those around Him and the priests, The I Am is here! The people believed but the Pharisees did not. But let's go back to Exodus 4:29-31. This is the sign of the leprous hand and the people believed that the Creator God was with Moses... unlike the Pharisees in the New Testament. They refused to believe that the Creator God was walking among them.</p> <p>Okay, our pastor gives us a lot more on this, but I'm running out of space to tell you about it. GENESIS	069	30-Nov-08	THE RIGHT WAY TO DO A WEDDING? IF YOU WANT TO KEEP YOUR PASTOR JOB, DON'T TRY THIS!	<p>We start this short lecture with our pastor describing what he does when he officiates a wedding. He knows Who he'll be standing in front of on that day, and he knows he will have to answer for how he did with these people who may never hear the gospel or darken the door of a church their entire lives. He does John 8:24 and explains the Hebrew Marriage Ceremony and how it teaches of Jesus Christ and His redemptive work and His return to claim His bride, the Church. Trust me, this is not your normal pastor and I hope you'll want to get to know what he teaches. It's been the experience of my lifetime and I want it to be yours as well.</p> <p>But on with the lecture. Okay, part of it is still why he does what he does at a wedding. And then we're back to Moses in Exodus 4, where he gets instruction from The I AM, Jesus Christ Himself. He gives Moses the two signs to prove that he is the one who has God with him. Those two signs do not include a Blackhawk helicopter. He gets a stick that turns into a snake and a leprous hand. And we got here because of the two birds in Genesis 15. If that doesn't confuse you, you've cheated and listened to the previous lectures, or... you're a weird person like us.</p> <p>And the cool part is how pastor Chronister gets us into the type of Christ which is a serpent on a stick. Christ is crucified because we are to look at Him up on the pole. Now do you get the connection? If not, you'll just have to listen to the lecture. It will be worth it. You'll learn a lot that you may never hear in a church service... or a wedding.</p>	JOHN 8:24 EXOD 4	TWO-BIRDS CEREMONY LEPROSY SERPENT TYPE-OF-CHRIST			11120840324088
GENESIS	070	7-Dec-08	SERPENT ON A STICK = CHRIST? WHEN YOU FIND OUT HOW, THERE'S MUCH MORE TO LEARN	<p>How is it that the Serpent/Rod, and the Serpent on a Rod is like Christ? One of Christ's names is... Rod and Staff.</p> <p>In John 3:14 Jesus told Nicodemus, The teacher of Israel, "And as Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up," Notice "and as" and "even so".</p> <p>Poison = Leprosy = Sin = Death</p> <p>Why must Christ be lifted up on a cross? Like in Numbers 21, is it because He must be seen? No, Faith cometh by hearing. It's John 8:28, and it's also Numbers 21:4-9. Jesus must be lifted up.</p> <p>Now go to Exodus 4:1-9. The Rod/Snake and the Leprous Hand are the two signs that God gives Moses.</p> <p>Then turn to Deuteronomy 21:23, and Paul tells us what that means, "Cursed is everyone who hangs on a tree" in Galatians 3:13-14.</p> <p>The stone tablets are protected from us by being in the Ark and covered with blood.</p> <p>Christ is the Snake and He eats the cursed snakes. The curse is now safely inside Christ. He drinks the cup. He is protecting us.</p>	EXOD 4:1-9 GAL 3:13-14	ARK BLOOD LEPROSY SERPENT TREE SON-OF-MAN			33020825151014
GENESIS	071	14-Dec-08	ONLY JESUS CAN HEAL LEPROSY? AND WHAT DO YOU KNOW WHEN HE IS LIFTED UP?	<p>You see, many in the church today are apposed to the testing of ideas, and that leads to no one learning. We need to have deep concern for people to learn the Scripture properly. He gives a quote from M. R. Dehaan to make his point. You may not know him, but he was the founder of the beloved Radio Bible Class. Pastor also talks about his experiences with Doctor Hayes in Hawaii, who would destroy him doctrinally at every turn.</p> <p>So, is today's sermon going to be confrontational? We're talking about the rod/snake and the bronze serpent. They're the same but when you add them together you get something else. (If that make sense, you've been coming to Cliffside a little too long, bless your hearts.) We're combining Numbers 21 and Exodus 4. These both say, see and believe/live, and then you add John 3:13 and 14, where you get the "And as" and "even so", "must!" Christ said "must!" That's Math! And here we go. Now add John 8:28. Because we find out that you now know something when He is lifted up. Know what? Listen and find out.</p>	NUM 21 JOHN 3:13-14	SERPENT	DEHAAN HAYES		41201832335255
GENESIS	072	21-Dec-08	LEPROSY SERMON FOR CHRISTMAS? LEPROSY IS DEATH AND SIN. CHRISTMAS IS ABOUT THE CURE	<p>Now, normally this would be a continuation of our Genesis 1-19 series, but... our illustrious pastor knows what time it is. It's Christmas time, so... It's time for... Leprosy! Okay, it really isn't leprosy as we know it today. That's Hansen's Disease, and I'll let pastor explain the differences. So, why is that important? When you read Scripture you need to apply God's definition of leprosy. And you cannot have a discussion about God becoming man and descending to the earth without talking about leprosy, because leprosy symbolizes what God came to solve. It's the answer found in Genesis 15. Abram asked God, How can I know that I'm saved? And that has everything to do with... Christmas. Wait 'till you find out what Jesus did with leprosy in Israel?</p> <p>But we just have to take a little foray into humanistic philosophy vs. literal Biblical interpretation. This rabbit trail is partially due to a young man in our local congregation who was assigned this in school: Contrast the truth of Scientific Humanism, with the myth of Creation. First you have God's definition of leprosy. Leprosy is death. The contrast with Biblical Creationism and evolutionary materialism is "Death". And when you're in this discussion with someone, if you don't go immediately into a discourse about death, you're doomed. I'll let pastor fill you in on where you go from there.</p>	GEN 15	CHRISTMAS LEPROSY EVOLUTION			462061042449
GENESIS	073	28-Dec-08	TYPICAL POST CHRISTMAS RANT! AFTER YOU HEAR THIS, DON'T TRY IT AT HOME.	<p>This is actually a post-Christmas analysis, but our pastor just can't help but turn it into an all-out rant. Now, we at Cliffside love it, but most of you are going to want to plug your ears at certain points... okay, most points. Here's the danger in listening (as the title tells you). The minute you go to your home church and try and teach anything you hear from this pastor, you'll be thrown out or excommunicated, or both. So, listen and enjoy learning new things, but whatever you do... keep it to yourself. People don't want to know when your right... at least most of the time.</p> <p>The birth of Christ, as well as the death of Christ, are so convoluted by the traditions today that most churches are a mess. You're going to hear literal Biblical interpretations and man wants some silly tradition. I mean, flying Santa's? Come on. What's the thought process that came up with that?</p> <p>Before I lose anymore of you, I should probably stop here. If it helps, the only other great preacher that I've heard take on these things, was the late Dr. Adrian Rogers, who was a Southern Baptist pastor, radio preacher, author, and did a wonderful job as the President of the Southern Baptist Convention for three terms.</p>		CHRISTMAS			4820726272759

GENESIS	074	4-Jan-09	WHAT DOES IT MEAN - TAKE ME? OSH, THE HIDDEN THINGS OF SCRIPTURE WILL ASTONISH YOU.	<p>Genesis 15 is about leprosy? Well... that's what the pastor said. And when you listen to what he says, it all the sudden makes sense. When you realize that the question Abram is actually asking is, "How can I know that I'm saved?", then you see that God's answer is to accept His sacrifice, "Take Me!" and that "Me" is symbolized by all the sacrificial animals that immediately follows... then you can figure out why the two birds are in the story. See, you've got this. It's easy as cake, piece of pie.</p> <p>Alright... hardly anybody knows what the two birds are doing in the story. And, do I want to give you the Cliff notes? (Get it? Cliffsides... Cliff-notes) Yes! We are given instruction in the Bible to seek out understanding of the hidden things of Scripture. This pastor will guide you in doing just that. But all I'm gonna give you is this. Where in the Bible are there two birds being sacrificed? And, what are they being sacrificed for? Here's another hint. The remainder of the lecture, for the most part, is about Naaman! And not just what he was healed from, but what he gave in return for his healing. Did you think those things were arbitrary? But at least understand that what he was healed from has deep meaning as well... and that's why the two birds are in the story.</p>	1 COR 2:6-10 COL 2:2-3	LEPROSY TWO-BIRDS SACRIFICE NAAMAN			41520619455383
GENESIS	075	11-Jan-09	JESUS AND NAAMAN, SAME SPOT! BUT WHAT'S SO IMPORTANT ABOUT THE TWO LOADS OF DIRT?	<p>What has been placed within Genesis 15 is beyond our grasp, at least in our lifetime. It is the most complexed passage in the Bible, and the most valuable for your ability to understand the rest of the Bible. Well, the two birds here wind up taking us to some really interesting understandings. The first door you open up is leprosy, which takes us to Meriam, then Gehazi, but now we stop at Naaman for a little while. This is in 2 Kings 5, but he's dipped in the Jordan River! Who else gets dipped in the Jordan River?</p> <p>In 2 Kings 6 we have this floating ax head in the Jordan River. Then the Ark crosses the Jordan River. Is this the same spot where Jesus Christ Himself wants to be dipped? Oh yes. God loves this spot. What meaning does this River have? It starts at Adam and ends in death.</p> <p>But here's Naaman. He's dying. That's where we get back to leprosy. But what does he do after he is healed? He takes two mule loads of dirt. ... Wait a minute. Does that make any sense at all? Okay! This is where you dig to find the buried treasure. Why? Because the purpose of 2 Kings 5 is to show you Salvation by Grace.</p> <p>Still unclear? In the dirt you find you find some things you didn't expect. And... what's he going to do with the dirt? Press play and you might learn more than you bargained for.</p>	GEN 15 2 KINGS 5	NAAMAN ADAM ARK AXE TWO-BIRDS LEPROSY SALVATION			41520835285265
GENESIS	076	18-Jan-09	CHRIST IN THE OLD TESTAMENT? HE IS EVERYWHERE, AND IF YOU DON'T FIND HIM, THEN WHAT?	<p>We left off last lecture with Elisha refusing payment (probably more than two million dollars' worth) for healing Naaman of leprosy. Leprosy = Death = Sin. There's no possible payment you could make for the forgiveness of sin or healing from leprosy for that matter. But Naaman was asking for two mule loads of dirt after that experience. And our pastor gave you enough to solve that in the previous lecture. To make an altar.</p> <p>But... to really understand 2 Kings 5, you have to know what 2 Kings 6 is teaching. What is underneath this literally true story of the floating ax head? Stay tuned. That's coming.</p> <p>Anyway, our pastor is wanting us to figure out who each of the characters in this leprosy story represent. What position is Elisha in? And what about the messenger? You've got Naaman and Gehazi... the Israelite slave girl. Naaman is easy. Unsaved people, who by nature despise God. Gehazi is a clearly the Pharisees. To solve the messenger, you go to Malachi 3:1. That's okay. There's much more I'm not telling you.</p> <p>Naaman gets saved. That's pretty clear. He returns to God... and now you need the meaning of the floating iron ax head. But this is a three-part play. You must connect the story of Naaman with the Gehazi story. And now let's hear the ax head story. Press play and be amazed.</p>	2 KINGS 5 2 KINGS 6	NAAMAN ELISHA GEHAZI AXE LEPROSY MULE PHARISEE			41720743216090
GENESIS	077	25-Jan-09	SALVATION: FLOATING AX HEAD! THE MOST ASTOUNDING SALVATION STORY IN THE BIBLE!	<p>Where did we leave off... oh, yes. We were combining 2 Kings 5 with 2 Kings 6. Let me preface this lecture with this. Along with Genesis 15, this is perhaps the most effective picture and presentation of salvation in the Old Testament, if... you find the hidden meaning that is so plain once it's been pointed out to you.</p> <p>Our pastor starts off describing all of the occurrences that happen in this exact spot of the Jordan River. That should get your interest right away. Then he gives us some 3:16's to ponder. Look at Joshua 3:16 alongside Matthew 3:16, and then go to John 3:16 and 1 Timothy 3:16, and then finish with Revelation 3:16. That's just an extra credit assignment.</p> <p>We're understanding the picture, the shadow, the types of Christ and His redemptive work found in the Old Testament at 2 Kings 6. GENESIS	078	1-Feb-09	THIS ISN'T A GAME! WE'RE ALL LOSERS. FIGURE IT OUT OR PERISH IN YOUR SINS.	<p>Our pastor could go directly to Miriam, or a number of other places to get more pieces of the leprosy string we are pursuing because of the two birds in Genesis 15, But... this is the High Holy Day of Super Ba'al, and thus we must do a special Super Bowl Sunday lecture! He thought long and hard about a title... "This Isn't a Game, We're All Losers. Figure it out in fear and trembling, or perish in your sins." That's inspiring! Here's his subtitle: "Did you really think a leprosy, hideous, filthy, blind, wicked, lame, dying, hopeless sinner was the point of all of this? It's not about you, it's not about us, it's not about me, it's not about them. It's about Him... Duh!"</p> <p>So, we go to Joshua 3 and 4, the sign of the Twelve Stones! (He never does a Super Bowl sermon!) So, open your TextBook and follow along.</p> <p>Okay... Why that spot? The Number 1 view... the slaying of the two lambs. But... Someone in the Church that day shouted out, "The Creation of Adam!" And pastor said, "That's an interesting position." Just keep that one in mind when you listen to his April 2020 lectures.</p> <p>Luckily, I was there when this message was taught, and I have the list from the white board!</p> <p>A. GENESIS	079	8-Feb-09	CHRIST OR MAN? CHOOSE WISELY. AND WHAT DOES THAT HAVE TO DO WITH THE ARK?	<p>Now, please understand... this is a Fundamentalist Southern Baptist pastor. He even sounds a little like Foghorn Leghorn. And thus, Kentucky Fried Chicken is the most essential subsistence his Most High Pastor Potentateness must rely upon (that and Diet Coke). So, the professionalism he exudes when walking into a KFC after Church and before the Super Bowl pregame starts, is information he is duty bound to instruct us on. I say, that's a joke, son. But anyway...</p> <p>On with our pastor's list. This is Joshua 3:14 thru 4:24 diagrammed out. To see the list for yourself, I dutifully wrote it down in last week's sermon description, don't have space to rewrite it here. The theme of the Old Testament is Jesus Christ. Jesus Himself requires us to Search the Scriptures, they testify of Him. And this is a very complexed portrait of Jesus Christ. He is typified by the Ark of the Testimony. The Ark is to cross the Jordan River (on dry ground), with the River being backed up to Adam.</p> <p>This passage is clearly a reference to Christ and His redemptive work. Our pastor explains this exceptionally well. Yes, he's not just good at chicken pickin'. He also talks about two belief systems, one of which is Christ centered and the other, man centered. Some of you won't like what he says here, but one, he's weird, and two, he just doesn't care much about offending people who want to see the Bible as anything they want, just as long as it gathers a crowd. And all this, just in the first 15 minutes.</p>	JOSH 3:14-17 JOSH 4:1-24	ADAM ARK JORDAN			42520420324761

GENESIS	080	15-Feb-09	WHAT HAPPENED IN THAT SPOT? JESUS LIKES THAT SPOT. WHAT DOES HE WANT US TO KNOW?	<p>Genesis 15, Why are the TWO Birds not divided?</p> <p>Leviticus 14, TWO Bird ceremony for the cleansing of the Healed Leper.</p> <p>No one is ever Healed from Leprosy... except for Naaman in 2 Kings 5. He's dipped in the Jordan, and then he wants TWO mule loads of dirt.</p> <p>In 2 Kings 6 we see the borrowed Axe head is lost then raised... also in the Jordan River, at the exact same spot.</p> <p>And in Joshua 4 and 5 the Ark crosses the Jordan... and they were told to raise TWO 12 stone memorial towers... also at that exact spot. (What is so important about this spot? Well... if you listen to our pastor's April 2020 lectures, he helps us understand what happened first at that spot.)</p> <p>But wait, there's more! So far, that's just an overview of what we've uncovered in the last several lectures. All of this, because the two birds in Genesis 15 were not divided. It is extraordinary in its impact and very important for any student of the Bible to understand.</p> <p>Now, how does he know that all these things happened in the same spot? It's Matthew 3:16 where God in the flesh chooses to be baptized. But how do we know it's the exact same spot? Because John tells us. That's the place of the crossing. Pastor explains it better. And there's more, but again, I can't do it justice.</p> <p>Then there's the TWO ordinances, and TWO stone tablets.</p> <p>These TWO's are all memorials in some way, and...</p> <p>All of these are TWO that Testify... GENESIS	081	22-Feb-09	LET'S GIVE MIRIAM LEPROSY? AND BURNING COALS ON SOMEONE'S HEAD? THAT'S HELPING?	<p>We last left our hero dangling from a Cliff...side. Okay... that's our pastor attempt at humor. But he does leave us at the end of practically every lecture with unanswered questions and this sick feeling. And now he is telling stories about his childhood to emphasize that he always wants us to take what he gives us and study it out for ourselves... and it has worked pretty well, especially for those of you out there in Internet land. You are very special to us, in case you were wondering. But enough of the mushy stuff. We've got some learnin' to do.</p> <p>Omniscience requires Omnipresence. You can't know everything unless you are physically present everywhere. Omnipresence requires Omnipotence which requires Omniscience which requires Omnipresence. Now you have a valuable piece of doctrine. Remember this when you read about Jesus Christ in the New Testament.</p> <p>But we left off with Miriam at Numbers 12. She was immediately leprous upon the departing of the pillar of cloud. That's much like the departing of the Shekinah Glory from the Holy of Holies in Ezekiel 10, and probably for the exact same reason. They were putting pagan symbols inside the Holy place; in case you were wondering.</p> <p>If you weren't here last week our pastor will catch you up, so you can find out about what's going on with Miriam, but he still hasn't really answered why she was given leprosy. And pastor was asked to briefly explain Romans 12:7-21, and Miriam is the place to do it. But "briefly"? It would take seven weeks to begin to explain it. So, he gives us a list. Now you can solve it on your own. Have a nice day. GENESIS	082	1-Mar-09	THE MIND - BRAIN PROBLEM? SOLVE IT. YOU'LL NO LONGER FEEL YOU'RE SAVE - YOU'LL KNOW!	<p>Pastor Chronister says, the days of the study of the two birds are almost over. He says, it's one of the most important discussions you can have in all of Scripture. There are other views of the two birds, but they just do not line up with Elisha and Revelation 11, the ministry and the mystery of the two witnesses. Pastor expands on this, so I won't give any more of it away. And the three "come up here"s are enough to explain the two birds. You must know what the two birds testify of. There is a whole lot learn in these next few lectures. And pastor warns us that this will be the greatest drool fest of his career. That should get us excited enough right there. But he intends to prove the existence of your soul/spirit with the two birds. It's why he saved it till last. It will change how you think. You'll no longer feel you are saved... you'll know.</p> <p>So, class begins with our teacher asking how many have figured out why the two birds were not divided.</p> <p>What will the unsaved be charged with? There was a crime committed. Murder... but also theft. They stole something that didn't belong to them and then they murdered it. What would that be? Their soul. It's the floating axe head. It was borrowed and when they were told to pick it up from death and judgement, they let it die. Pastor explains this well.</p> <p>What comes next is the reconciliation of the metaphysical with the physical. It's called, "The mind, brain problem." You need to teach your children ontology, radical dualism, and epiphenomenalism, and how it differs from monistic materialism or functionalism.</p>	GEN 15 2 KINGS 6:1-7	AXE TWO BIRDS MYSTERY TWO-WITNESSES			552074839807
GENESIS	083	8-Mar-09	THE EXISTENCE OF YOUR SOUL? THE METAPHYSICAL IMPLICATIONS OF SUB-ATOMIC DIAMETER.	<p>This is the final lecture on Genesis 15. It's on the two birds. And like everything else in the Old Testament, they portray Jesus Christ. The two birds are part of the "Take Me" in this passage and our pastor will explain that a little to get you caught up (sort of). You first see the two birds as part of the cleansing ritual for healed lepers. And he does a brief trek of what we've covered so far. It's a lot, but it's really cool.</p> <p>Where are we now? We're at the Mind, Brain problem from last Sunday. It's the collision of Radical Dualism vs. Monistic Functionalism. Does that sound like it's going to be hard? Oh, you better believe it.
