JOEL	000	29-Oct-17	THE CHURCH AGE IS GONNA END. INTRODUCTION TO THE NEXT LECTURE SERIES AT CLIFFSIDE.	<p>We will return to your regularly scheduled ending to pastor Chronister's Romans Study next week. So if you would like to get caught up on that series before it ends; no problem. We have most of them on <a href="http://www.cliffside.org">www.cliffside.org</a>, but if you want to start at the beginning go to <a href="http://cliffside.podbean.com/">http://cliffside.podbean.com/</a> and scroll down to the lecture dated 06/06/10. There are only 300 of them, and they're only about an hour long. So if you start now, and listen twenty four hours a day, every day, non-stop, you'll be caught up in only twelve and a half days. Just make sure you go to Costco or Sam's Club and get a couple dozen bags of coffee first. You should be fine.</p> <p>It looks like he's calling this series, "The Church Age Is Gonna End." Or maybe we'll call it, "The End Of The Age Of The Gentiles." But he'll probably just call it "Joel". This lecture series is a very special look at what is going to transpire after the Rapture.</p> <p>Throughout this series, beginning with this very lecture, you're going to have a lot of questions. That's good. With this pastor you'll learn to ask the right questions. Then you'll be on your way to discovering the underlying awe and beauty, tone and texture of the Bible. You'll have a deeper understand of who God is and what He is really like.</p>	JOEL 2:1-32 REV 9:1-21	LOCUSTS RAPTURE TRIBULATION TRUMPETS WOE CHURCH-AGE			1127171559495
JOEL	001	12-Nov-17	JOEL! THE INTRODUCTION - THIS IS OUR FIRST LECTURE ON JOEL 2 AND REVELATION 9	<p>Today Pastor Chronister starts Cliffside's Next Lecture Series. Joel! It's got a certain ring to it, don't you think. Okay, maybe not. But it's a study of What Happens After The End Of The Church Age. That's too big a mouth full, thus, "Joel". Of course Joel 2 is also Revelation 9. So follow along. He's starting the lecture at Revelation 8:10. Enjoy, and do try to keep up. Even though you may be new to this advanced class, trust me, you'll get it. Our humble pastor will make sure you're not left behind.</p> <p>Right now, we're in the Church Age. The end of the age of the gentiles (or The Church Age) is known by signs of which we are starting to see. Pastor explains, but it's not what most so called "Preachers" might have told you. So, if you're new to Cliffside, prepare to learn something new.</p> <p>Pastor puts a nice diagram on the board that you'll need to watch the YouTube video to get, but I'll try to tell you about it. First there's The Church Age. Then shortly after the Rapture we have the 7 Year Tribulation. That time period is divided into 4 quarters, a year and three quarters each. Then, after the seventy five day interval, there is the Messianic Age, lasting 1,000 Years. But. from here he gets into the 7 Trumpets and the 7 Seals along with the 3 Woe's. And keeping up with him here live, without a pause button, is all but impossible.</p> <p>He's starting the lecture at Revelation 8:10. Enjoy, and do try to keep up. Even though you may be new to this advanced class, trust me, you'll get it. Our humble pastor will make sure you're not left behind.</p>	REV 8:10-13 REV 9:1-21	CHURCH-AGE END-TIMES SIGNS TRIBULATION 75-DAY-INTERVAL			12191739122
JOEL	002	19-Nov-17	THE TRIBULATION BEGINS! AN IN-DEPTH LOOK AT THE 1ST HALF, AND A LAODICEAN CHURCH RANT	<p>As we start this second lecture on Joel 2, our pastor makes the attempt at letting us know what has gone before. And we find out that this is a combining of Joel 2 and Revelation 7 thru 11 so as to not blunder our way thru Scripture. like most of the "vomit" churches of this age. See Revelation 3:16. These churches and today's society are hell bent at eliminating the name of Jesus from the culture. His name itself is Salvation. So if you can't say His name, whose side are you on! Jesus Christ is GOD! We say it every Sunday. because you don't hear it today. But alas, we have to get on with the lecture.</p> <p>We are looking at the first quarter and the second quarter of the first half of the 7 year Tribulation. There are mid points to all of the quarters in this time period. So, we're going to make a stab at helping you figure out what's going on in each quadrant.</p> <p>The methodology here is going to be three fold. 1) Putting things in order so we know when things happen. 2) Helping you figure out what is actually transpiring in each segment with all the questions that go along with the learning process. 3) And (this is not being taught that I've seen) we're going to discover the Omnibenevolence of Jesus Christ, Almighty God in everything He is doing in these segments.</p>	REV 9:1-15 REV 9:18-21	BOTTOMLESS-PIT THIRD-WOE TRIBULATION			123017214582
JOEL	003	26-Nov-17	THE LIES OF THE MYTHICISTS. AND WE CONTINUE OUR STUDY OF THE "WOES" OF REVELATION	<p>Okay, we're starting the lecture with one of pastor Chronister's famous charts. So he lets us know where we are, and he tells us that we're dealing with the third of the three Woes. Jesus Christ, The Lord God Almighty, Creator of Heaven and Earth, is doing these things to convince the "stiff necked people" that He is in fact The God of the Old Testament; The Great I AM. And He's also saving as many people as He possibly can with this "woe", just like everything He does in the Tribulation. But we need to back up and look at the order of the Trumpets so we can understand the reason for His order. After all, He is Omnibenevolent.</p> <p>But. Our humble pastor has to do something of utmost importance this time of year. The Monistic Atheist community comes out about now and invariably shakes up a great deal of the Christians, causing turmoil and consternation that shouldn't even be there. So, even if your faith is not shaken by these things, listen for some great ammunition to help you with your friends, acquaintances, and family members. The Mythicists have devised some very convincing lies, and they know they're lies. This pastor just tees them up and knocks them out of the park. All that to say. A really good and informative rant is coming. Enjoy!</p>	DAN 12:11-12 REV 13:1	ANTICHRIST ATHEISM MONISTIC STIFF-NECKED TRIBULATION TRUMPETS THREE-WOES			12311719213810
JOEL	004	3-Dec-17	LET'S GET INTO THE TRIBULATION. AND, ANSWERS FOR ATHEISTS, ISN'T GOD EVIL?	<p>We are delving even deeper into Joel and Revelation. In Joel 2 you can clearly see the plain portrait of Christ. Jesus Christ is always God and He is pictured thru out the entire Old Testament. That's why the books of the Old Testament are there.</p> <p>Let the weak say I am strong. Sound familiar? It's Joel 3:10. They're going to be like David.</p> <p>More "vomit" church rant, and the atheist arguments destroyed. That's what this pastor does best. This is the answer to the question, Isn't God evil? Revelation 13:8. God solved evil before He even created time.</p>	JOEL 1:8-9 JOEL 2:23-24 JOEL 2:27 JOEL 2:32 JOEL 3:10 ZECH 12:8 REV 13:8	ATHEISM CHURCHES LAODICEA TRUMPETS WOE LUKEWARM			115181736524
JOEL	005	10-Dec-17	IS THE CAT DEAD OR ALIVE? AND HOW DOES SCHRODINGER'S CAT RELATE TO THE THREE WOE'S?	<p>We start the lecture with a gift and long letter from Sheri from Illinois who is now in Arizona colluding with Jennifer. The letter is full of humor and sarcasm.</p> <p>In our current lecture series we are studying Joel 2 and Revelation 7 thru 11. Our method is to go over the material again and again, discovering more depth and meaning as we do. Which, BTW, is what the self-esteem church of today will never do. They're not into learning who Jesus Christ is. They would prefer to make up who God is, instead of trying to find out who He really is. Why is this happening? Don't worry. Our pastor will fill you in.</p> <p>And next we get back to the topic of Mythicism. But now our pastor gets deeper into the reference to Schrodinger's Cat. It is a study on the Quantum Mechanics discussion of Superposition; which is obviously Revelation 9. If you want someone to blame for this, blame the good Doctor from Australia. Okay you can blame our pastor too, because he planned to do it to us anyway. "What says Christmas better than a dead cat?" (His words not mine) So we're going to see how this pastor connects the cat in the box with the 3 Woe's.</p>	JOEL 2:1-32 REV 9:1-21	PHYSICS	SHERI JENNIFER SCHRODINGER	IL AZ	3121840180
JOEL	006	7-Jan-18	LIFE AND DEATH. IT'S MORE COMPLEX THAN YOU THINK WHEN YOU USE GOD'S DEFINITION	<p>We start with a "To boldly go where no pastor has gone before" rant. It's about what Paula White did with her congregation recently. If you guessed, "Ask for money" you'd only be partially right. She's asking for their entire January salary as a First Fruits offering, and then has the audacity to tell them there are consequences if they don't.</p> <p>We're all a year older and it has to do with Genesis 3. Pastor gets back into Schrodinger's Paradox and Entanglement. It all returns back to Genesis 2 and 3. And now we're in a discussion of the word "Woman", and the first Adam and the second Adam. But pastor digresses into a woman that's now 104 years old and why she's so cognizant, and that old.</p> <p>Jesus Christ is the Sower and the Seed. And Mary and Eve gave birth to the Seed, even though He is the only One Who gives Life!</p> <p>Back to Schrodinger. It turns out that Adam and Eve are in the box. Okay, pastor has to explain this, but it's intriguing and fascinating.</p> <p>And towards the end, he addresses a question from a gentleman on one of our recent YouTube videos: "Why are your gods still hiding from us?" Yes, that was his comment. And our pastor is inclined to give answer. He's answered it before, but I think you'll like what he has to say.</p>	JOHN 19:25-26 GEN 2:23	EVE MARY PHYSICS SEED WOMAN FIRST-FRUITS	SCHRODINGER		331181225340

JOEL	007	14-Jan-18	GOD'S DEFINITION OF ALIVE. OR DO YOU LIKE WHAT HOLLYWOOD HAS BEEN FEEDING YOU?	As we start the lecture our pastor brings out a new toy. It is a box with a cat that opens up the lid a little and does several funny different things whenever you push the button (which pastor will probably do throughout the lecture). I wouldn't have to describe this to you if you would just watch the video on YouTube.  If you are new to this lecture series or to this pastor, the cat in the box is due to the last few lectures in which we have been discussing the Schrodinger's Cat thought experiment and the spiritual implications of it. It has to do with Genesis 2 and 3. There Adam and Eve go from 'life', to a death and life state simultaneously. Where else can you find this kind of teaching? But there's a difference between "alive" in Schrodinger's view, and "alive" by God's perspective. The question, 'Is the cat dead or alive' has a very different answer depending upon who's definition you apply. Another question is: When the cat dies physically, can anyone resurrect it? Okay, have I confused you enough yet? Sorry. It's a ploy to get you listen to the lecture. The ploy has yet to actually work, but I like doing it because, well... it's kind of funny.  This thought experiment relates also to Revelation 9:6 because that's where death is suspended for five months. And now we're back into our Joel 2, Revelation 9 discussion. JOEL	008	21-Jan-18	HOW DOES THAT CAT FEEL? NOT DOIN' IT! WE WANT TO KNOW SOMETHING, NOT FEEL SOMETHING	Now our pastor gets into describing who and what Joel is. He is a prophet of God, and no prophecy is derived from the prophet himself. He has to tell truth and not lies. Otherwise people will stop listening to him.  Now we get into Joel 3:2 which coincides with Matthew 25:31-46. Also, Joel 3:20 has to do with the Millennium. How can Joel know these things?  We get back into Schrödinger's Cat. Oh, we're not done with that cat by a long shot. The Time factor is important. And pastor asks the question, "When did Jesus Christ create time?" Yes, that is a joke. I'll let him explain it because there's more to it than that. How does time glorify God?  So why don't we do, "How does that cat feel?" It's what most churches today would do. We are different. We want to know something, not feel something. You see, when you are feeling, you can't know.	JOEL 3:2 MATT 25:31-46	END-TIMES KNOWLEDGE MILLENNIUM PROPHETS TRIBULATION			416182112441

JOEL	010	11-Feb-18	THE NATURE OF TIME ITSELF. TIME TRAVEL: CAN YOU DO IT? WHAT IS REQUIRED TO DO IT?	Our pastor talks in the pre-game show about the degradation of our youth to the point of. well, I'll let pastor get into trouble for me on this one. But the actual lecture begins along the lines of a question he asked a few weeks ago. Where did the animals come from that went to Noah's ark?  Now on to the question, Why water? Could God have used something else? No. Listen to pastor for an explanation of that one. Very interesting. You'll learn more here about what transpired in this deluge. There's a lot to find out; things many of you have never been taught. Ask why. And what about the verse in Revelation that says God raised those in the sea and Hades? But. that's not what this lecture is about. It's the premises of what is currently being touted in the show, Marvel's Agents Of S.H.I.E.L.D. and others. The Nature Of Time Itself. Time Travel. Can you do it? What is required to do it?  This was an odd lecture; only in the sense that it doesn't seem to follow our Joel study. Our pastor makes Cliffside a lightning rod for any and all questions. With that said, feel free to call or write him with any questions you may have. Be sure to encourage him for us too. JOEL	011	18-Feb-18	FLOOD = TIME. TIME FOR WHAT? HOW FAST WILL PEOPLE DIE IN THE TRIBULATION?	As the lecture starts we continue with the renaming of the woman because of her repentance. We're talking about Eve. She is named the mother of all living, and she is the first to repent. If you listen to this lecture you'll find out there is much more to this absolutely marvelous occurrence than you might have known. It is crucial that you know this. You need to know what she repented of, and also, what did she then believe? And what did that mean to the audience of the day. the Angels?  But this is an integral part of our Joel Study. Genesis 3 points to Joel 2 and 3, which relates to Revelation 9. (The 'Who' and the 'How' is left for you to glean.) It has to do with The Two Woes, because at the end of the first Two Woes mankind refuses to repent. JOEL	012	25-Feb-18	WHO IS JOHN HARPER? WHAT ONE MAN DID FOR THE SOULS OF MEN	The Woman, Eve, was the first human to repent of her unbelief. Who's witnessing the repenting of her unbelief? Then there's the sentencing of Satan, and then the lake of fire was created. Who's that spectacle for?  And last week we had a refusal to repent in Revelation 9, and that's why we went back to the first to repent. What do they need to get them to repent? How do you get an evil heart to repent? Pastor gets into a few verses that have to do with this. I think you'll find it enlightening to say the least. But there's more.  The actual lecture today, believe it or not, is the true story of John Harper. If you've never heard of him. Blame Hollywood. Hint: He was coming to America from Scotland to take over the pulpit after Dwight L. Moody passed away. Still nothing? Okay. another hint. "Dance Band on the Titanic". This is the first time our pastor has told this account at Cliffside. If this doesn't move you, nothing will. This man went in the water and swam to every person to tell them, "Believe on the name of Jesus Christ and you shall be saved. Do you Believe?" He did that until he finally slipped into the deep. As pastor reads and expounds on these, he'll also help you connect them to Joel 2. So, we're spinning plates. How many do we have in the air? Come with us and we'll teach you how. "Why learn that?", you might ask. We want you to have a sound faith, and that entails learning how to ask the right questions as you study Scripture. If you would like to see videos of pastor Chronister's lectures please search Cliffside Community Chapel on YouTube. For podcasts: iTunes or cliffside.podbean.com.  As we start the lecture our pastor is going to get into a difficult passage. Why? Because someone asked a fantastic question. You see. It pays to ask questions in this church. Let's find out how Matthew 11:20-24 and Luke 10 fit into our study of Joel. The Matthew 11 passage is not touched in the commentaries. They are considered, "Verses That Must Not Be Spoken". Our pastor asks, Why does God hide things. It will only take pastor 16 yellow legal pages of notes to get thru it. "Oh, is that all?"  Here we have places; Chorazin, Bethsaida, and Jesus did not have nice words to say about them. But of Capernaum, He says the punishment of Sodom is nothing compared to what's going to happen to these people. "But that's not What Jesus Would Do!" Oh really? Well, go ahead and back that tape up in your head. We've got some new information for you.  Here you've got a bunch of Blind, Lame, Deaf, and Leprous people, and poor people. And Dead people, that are given the Gospel and healed. and Raised. There are thousands of them. You might want to hear what this pastor has to say about this. Then again, a few of you may not.  The advanced class begins when you press play. But first, get out your TextBook and a note pad. We hope you find this lecture to be of value. JOEL	015	18-Mar-18	WHAT WOULD JESUS DO? ARE YOU KIDDING ME?! STOP. JUST STOP	<p>We start our lecture time with a wonderful letter from Del. We discover what Del did wrong. To find out you'll have to listen. We're in Joel 2 and reading some very familiar verses that a lot of people assumed were only in the New Testament. We are looking at how Joel 2 relates to Revelation 9. Recently we've connected Genesis 3 with Revelation 9, and more recently we added in Matthew 11:20-24 and Luke 10:12-16. And here's where the picture that most people have of Jesus gets shattered. Some even think they know What Jesus Would Do.</p> <p>Anthropomorphizing God is never a good idea. So let's find out who Jesus is and what He really did. and what He meant in this passage about scorpions and serpents. You do know, don't you, that Christ Himself actually wrote the entire Bible? Then you would be able to connect what He said while He was fully God on earth, to what He wrote through John in Revelation.</p> <p>Sodom 1. Jesus Christ 2. Haughty Ezekiel 16:49 (Proud) 3. JOEL	016	25-Mar-18	WAS PAUL QUOTING JOEL? AND SOME SAY THE OLD TESTAMENT DOESN'T APPLY TODAY	<p>Oh good. our pastor starts out by clearing up what he said in lecture number 11. It sounded like he said something to the effect of, "God refers to Himself as the father of death." Actually, our pastor was talking about Adam and then said, "as God defines death, he calls himself the father of death as referenced in Romans 5." So, it's Adam who call himself the father of death, not God.</p> <p>We start with the considerable challenge which is Joel 3, and so we need to refer to the list our pastor recently put on the board, and perhaps add to it. But let's start with the "BEHOLD!" and find out more. Because, trust me, there's much more. You've got to know what days and what time Joel is referring to.</p> <p>Joel 2:32 is who Paul was quoting in Romans 10:13. So let's see some of what God wants us to find. What you'll learn here may be a little different than what you may have thought, but don't run away screaming just yet.</p> <p>Here Jesus Christ proclaims that He is the Lord God of Israel. And, that their rejection of Christ is not final. There will come a time when All of Israel will be saved. This a tribulational event, referring to, "all the Jews alive at that time" will be saved.</p>	JOEL 2:32 ROM 10:1-13	ADAM BEHOLD ISRAEL LORD			62818115394
JOEL	017	1-Apr-18	THIS IS FIRST FRUITS. TODAY WE ARE COMMEMORATING ONE OF THE LORD'S FEAST DAYS	<p>He chose the 3rd of His Feast Days to Resurrect Himself. All of the Persons of the Godhead Raised God from the dead. The Godhead is a Triunity. And there are. three aspects of the Resurrection. But where do we find the 3rd aspect? In Joel 3 of course. What a coincidence... we just happen to be in a Joel Study</p> <p>And now somehow, we are in a discussion of the orbit of the moon. It's 29.5 days. Yes, this pastor is going to attempt to teach us gentiles the Hebrew calendar, and he will definitely have to explain all this, because today just happens to be the actual Feast Day of First Fruits.</p> <p>So now we have to go to 1 Corinthians 15:12-58, just like all churches do to understand this Feast Day. Okay... no other church that we know of is doing this. Why? Because this pastor likes to be weird and take off through the high grass. That's what we do here.</p> <p>All resurrection is dependent on God's resurrection. Sounds simple, but it's a lot more complicated than you think. And if Christ did not raise Himself up, our faith is of no consequence. If God doesn't exist, nothing exists. So, the people that want there to be no God, don't really know what they're asking.</p>	JOEL 3:1-21 1 COR 15:12-58	BREAD FIRST-FRUITS PASSOVER PENTECOST RESURRECTION TABERNACLES TRUMPETS UNLEAVENED TRIUNITY			630182222
JOEL	018	8-Apr-18	WHO RESURRECTED JESUS? IS IT THE SAME ONE WHO CREATED TIME? WHOM MIGHT THAT BE?	<p>We are continuing on with Joel. Last week we delved into the three aspects of the Resurrection of Christ:</p> <ol style="list-style-type: none"> <li>1. All Resurrection is Dependent on Christ's Resurrection</li> <li>2. Christ Is The First Fruits</li> <li>3. Delivery Of The Kingdom – 1 Corinthians 15:24</li> </ol> <p>Do not attempt to dissect the Triune Godhead into three pieces. And Paul, in 1 Corinthians 15:27, warns against it. But Churches today try and put the Divinity of Christ beneath the Divinity of God The Father. Can you put infinity below infinity? Can infinity be reduced to non-infinity?</p> <p>Now he's talking about Time. There are quite a few shows out there on TV that try and deal with Time Travel. But why don't they try and travel back before time? Are their more questions that our pastor has for his "friends" in Hollywood? Maybe. You'll have to listen to the lecture to find out. It's really good. Try it. You'll like it.</p> <p>This all takes us to Joel and John who actually sees the future. How did they do that? John is seeing and hearing things that will happen in the tribulation.</p> <p>Here's a thought. Time proves that we exist. You won't learn this stuff in our school system, so it's the churches responsibility to teach this; but do they? JOEL	019	15-Apr-18	INSIDE AND OUTSIDE OF TIME. JESUS CHRIST, THE I AM, CREATED TIME AND CONTAINS TIME	<p>Revelation 1:17 and 18 is so hard to understand. We'll probably have to go up to Jesus when we get to heaven and ask Him to explain this one to us. But, it wouldn't be Cliffside if we didn't at least try. The church has allowed the teaching of the supremacy of time. This has got to be corrected. So, we'll do it here. Warning: this requires teaching on quantum mechanics.</p> <p>You really don't keep time. You can observe its effects. Time is a created entity; so, to understand time is to understand the entirety of God Himself in all His glory, which we cannot do. Jesus Christ contains time. Now we need to read Daniel 7, starting at verse 11. Then we go to the list on Revelation 1:17-19, which our merciful pastor has written out before the lecture:</p> <p>A. And When B. I Saw Him C. And when this church says hard, that means something. Sorry to all you other churches out there. Well... not really. Fake sorry.</p> <p>We start off with the statement, "All Resurrections are dependent on His Resurrection." He will deliver the kingdom of God to the Father and His people shall not be put to shame. This is a "Whosoever..." description. See Joel 2:32 or that other verse in the New Testament. And then take a look at Joel 2:26-27 and that other passage at 1 Corinthians 15:12-28. I think Paul liked what Joel had to say. We are now talking about Christ, the Deliverer. Revelation 7:14 talks about this. It's necessary to be cleansed by His blood. Nothing else works!</p> <p>Jesus Christ is The Only One Who Is Able:</p> <p>Hebrews 7:25: He is Able to utterly save James 4:12: He is Able to save and destroy John 5:22: He is Able to forgive sin</p> <p>He declared Himself to be God by forgiving sin. JOEL	021	29-Apr-18	WHO CAN SAY, I AM? WHO IS ALWAYS IN THE PRESENT? WHO CAN SAY, IT IS FINISHED	<p>Recounting what has gone before, we go thru a litany of things that we have laid out and need to get deeper into. Joel is just 5 pages... 3 chapters. How deep is God's Word? Well, I don't know. He's God, I'm not. So, shouldn't Titus be easier? Oh no. That one takes you back to Genesis 1, and there you go. Pack a lunch.</p> <p>I know I'm not giving you much to go on here, but just trust me... It's really good. Try it, you'll like it. This is probably the deepest Bible teacher left on the earth today. You regulars, you know this.</p> <p>But now we have to start the lecture. We're at Joel 3 and more specifically Revelation 1:17-19 and 1:8 and 1:11. And we're talking about Time again. Jesus Christ created time, He inhabits time and He contains time. We're talking about the Alpha and the Omega Who created everything and everyplace. He is the only One Who can say "It Is Finished!", and He is the only One Who can say, "I AM", because He's the Only One Who is always in the present. If you think you have a present, time it for me. JOEL	022	6-May-18	HOLLYWOOD! WHY TIME TRAVEL? AND WHY ARE THEY SO COMPLETELY WRONG ABOUT IT?	<p>Today we lay out what is probably the most essential to study in Joel; it would be the "Behold's".</p> <p>Joel 2:19, 3:1, 3:7 As well as Joel 2:12, 2:27, 2:30, 2:32, 3:3, 3:15.</p> <p>He says that 3:1 is most important. And Joel 2:32 is the great "Whosoever" of Scripture. Our pastor goes on to discuss many of these great verses and their ramifications. I wish I could get all of you to listen. The church of today has left this kind of deep teaching long ago.</p> <p>The verses starting at Joel 3:1 are very often mistimed. When it says "in those days and at that time..." Joel is dealing with the 75-day interval.</p> <p>But why are we talking about this incredibly hard passage of Scripture when we could be talking about Time Travel and Marvel's Agents of SHIELD? Who says we are unwilling to give people what they want to hear? Actually, it's because our pastor just can't help himself. He is fascinated with Time and completely incredulous of these shows. But at least he is willing to help us see the falsehoods they spew out on a regular and constant basis.</p> <p>Ooo... now we're in a discussion of people who think they can grab the writing implement of Christ and blot themselves out of the Lamb's Book Of Life. Our pastor even relates this to those TV shows. He is a professional. Please, do not try this at home.</p> <p>Where does space come from? Where does time come from? JOEL	023	13-May-18	WHAT IS TIME? WHY IS TIME? DOES IT ONLY EXIST BECAUSE WE THINK IT DOES?	<p>To start. Pastor Chronister re-emphasizes the meaning of "those days" and "time", found in the Joel 3:1. And when Christ says "the beginning" in Genesis 1:1, He is talking about the beginning He Himself created and sustains. and Time. He is the one who says He Is and Was and Is to come. All of Revelation 1:8 is Jesus Christ describing himself. He is the launcher of time. Why did He do it? What does time prove? What does it provide? Nothing is real unless it is perceived, unless it is observed, and He, Jesus/God, is the ultimate observer. (I'm just throwing out phrases that this "ranting idiot" is saying, thinking it will pique your interest. I know. not working.) According to Einstein, time only exists because, We, think it exists. And that's being taught in the majority of our colleges and universities today. He and Sir Isaac Newton would be in disagreement there. And our faithful pastor explains this along with other simple quantum mechanical operations.</p> <p>From the description I just gave, I'd be surprised if you listened to the lecture. But if you do, you'll experience a church where the pastor doesn't take himself seriously, but takes God's Word very seriously. So, go get a note pad and your TextBook, pull up a chair and press play. Try it, you'll like it.</p>	JOEL 3:1 REV 1:8	CREATION ISAAC PHYSICS TIME	SHERI EINSTEIN NEWTON	IL	81818253502
JOEL	024	20-May-18	JESUS: NEVER NOT OMNISCIENT. WHAT? YOU'VE NEVER HEARD THAT BEFORE?	<p>We start the lecture with a question from one our own. She asked a question about the 12 step Hebrew Betrothal Ceremony. It's Joel 2:12-16. This passage talks to the divorced wife, Israel. Here we see God calling this "wife" to restoration. Israel is not destroyed and replaced like many churches teach. The "Church" is being set aside to be the betrothed bride awaiting consummation.</p> <p>Here's where a lot of churches enter into heresy. They find verses they mangle into saying that Christ our Lord is not God at all.</p> <p>Matthew 24:36 26:36 4:11 (Behold!!) Genesis 15:6-17 Matthew 27:46 / Psalm 22:1 The 4th saying of Christ on the Cross. John 19:28 I Thirst</p> <p>But let's read Matthew 3:16-17. That's the big one. The baptism of Jesus.</p> <p>Jesus Christ is Never Not Omniscient. He is Never Not God. If you don't want to believe this but you can't seem to reconcile it with other parts of the Bible, stick around. If anyone out there can help, Pastor can. Listen and be prepared to be given well thought out, Biblically supported answers (along with a little light-hearted sarcasm).</p>	JOEL 2:12-16 MATT 3:16-17	BAPTISM BEHOLD BETROTHAL BRIDE CEREMONY HERESY ISRAEL WIFE			82718325810
JOEL	025	3-Jun-18	THE MYSTERIES OF TIME. LET'S GO DEEPER INTO THE WORD, THE INFINITE CHRIST	<p>The pastor says we are eager to get back to our discussion of Time. The nature of time is beyond the grasp of mankind. Therefore, time must lead us to Jesus Christ. The invisible is clearly seen. Time is one of those unseen attributes of Christ Himself, The Lord God Almighty. Here are some of His unseen mysteries:</p> <p>Energy, Time, Consciousness (Mind), Gravity, Space, Language. Mathematics, Matter</p> <p>Then there's the Mysteries of Godliness: 1 Timothy 3:16 Infinite God / Perfect Humanity Colossians 1:26-27 Salvation given to the Gentiles Ephesians 3:3-6 And he goes on thru nine of them.</p> <p>But the Church today goes into the ditch on these things. There's a good rant coming. If you like it when he rants, you'll really like this one.</p> <p>And now we take another letter break. While we were out, many letters on the Divinity of Christ have come in for our pastor. In Revelation Christ describes Himself as outside the church of these days. You've seen them. They have some sort of cardboard cutout of Christ and don't even know that he's Infinite. And our pastor goes on. and on. Trust me. this is really good stuff. And that's just the Segway into the lecture</p>	1 TIM 3:16 COL 1:26-27 ROM 1:18-25	CONSCIOUSNESS GODLINESS MATHEMATICS MYSTERY PHYSICS	SHERI JENNIFER SHANNON	IL	8281821850
JOEL	026	10-Jun-18	TIME AND CREATION. HOW DO WE LEARN THE TRUTH? PROFOUND KNOWLEDGE OF CHRIST	<p>Our pastor boldly starts off this special session proclaiming, Jesus Christ IS GOD. It's pretty much all we do, and we try to bring it to you in a way you've never heard before. God's Word is deep and full of wonder; it's not simple. We don't just dig slightly below the surface and call it deep. But hopefully we will also give you the direction and the right questions to ask so you can start finding things on your own.</p> <p>Now this is interesting... Pastor is relating our discussion of Time with details of the components and systems he worked on as an electrical engineer on the Alaska Railroad. Now listen as he connects this with the creation of the world on a micro level up to the macro. The Bible possesses the Why's of life and the church today doesn't care. They want to starve their people with stories and 'feel good' experiences that leave them hungry and they don't even know it.</p> <p>Let's ask a few questions about time. Imagine all motion ceasing, everything stops. Think about it. If everything stops, nothing changes. How about if that went on for a million years? Would you know how much time has passed? But, the Bible specifically says there is a continuity of the soul. So, we just went into death. All right... if you're lost, it's my fault. Listening to the lecture might help you a little bit. JOEL	027	17-Jun-18	QUESTIONS THAT NEED ANSWERS. CHURCH: THE PLACE WHERE YOU SHOULD EXPECT SOUND ANSWERS	<p>Pastor names this lecture, "Father Time". We start with reading/discussing Joel 2:30-31. And here's what he puts on the board:</p> <p>Wonders 3 Heavens Earth Blood Fire Pillars Smoke Sun – Dark Moon – Blood Pour Out My Spirit</p> <p>This is the Taking Up of the Church. So, when Joel 3 says "In those days", that's it. But right now, we really need to rebuff the Signs and Wonders movement. They could not be more perfectly wrong. If you want to know what an actual Wonder is, we'll help you. We'll have Darkness. No, not like in Hawaii. That was a volcano. This is God. He is going to do things His way. And with all these wonders, many are saved. Remember, God is Omnibenevolent. Here's some questions for you (we're pretty sure he asks less than a hundred questions per lecture): Where did time start? Can you have light without the sun? How many roses can you grow in moon light? Were the angels created before time? God started the clock. How much time will the clock run for? What's it counting down to? What can happen in thorough darkness? Where did math come from?</p>	JOEL 2:30-31	BLOOD DARKNESS FIRE OMNIBENEVOLENCE PILLARS SIGNS-AND-WONDERS			83018155420
JOEL	028	24-Jun-18	WHEN THE INTERNET REACHES OUT TO A PASTOR. AND, LET'S TALK ABOUT THIS FLOOD	<p>We start off the lecture with yet another letter from one of our most beloved of the Internet audience. It's the best we've ever received. This one is from Joe from Seattle. I'm not going to give it away, but Bill the Cow commented on our Facebook Live post, "I don't think there was a dry eye in the house, first time I remember Steve ever doing this."</p> <p>With heavy hearts we must get back to our lecture series. And our pastor chooses the topic we want to go back to, simply because he holds the holy dry erase marker. It's Time And Death. We're back to the flood, as you'll soon discover. He wanted to do Quantum Zeno Effect and the Quantum Anti-Zeno Effect. He even gives us a teaser to pique our interest.</p> <p>We are delving into the most important prize in Scripture. Jesus Is God, THE I AM. The Deity of Christ is the at the top of the list for eradication in many of churches today. You must Believe He is The I AM or Die. Now Jesus didn't actually say that did He? JOEL	029	15-Jul-18	TALK WITH NEIL DEGRASSE TYSON. WHO DOES THIS? WHY... A CLIFFSIDE LISTENER, OF COURSE	<p>We have mail. It's a common thing for us to read the comments from the "vast" internet audience. This one again is from one of our many intellectuals, Lord James (as our pastor has named him), and it's really quite good. Not quite as profound as our last letter, but very advantageous. I would not want to go up against this guy if I were on the side that disagrees with him. Jim just happens to see a recognized "expert" in the physics world, Neil deGrasse Tyson, sitting on a bench in Texas. So, he sits down to converse with him. Just wait 'till you hear the transcript.</p> <p>What we have to understand is, this is actually a discussion on Joel. It's about "Time". So, our pastor takes the 'time' to help us understand the exchange. If I were to try and write down this part of the lecture, it wouldn't help, but trust me. you will be greatly entertained if you listen for yourself.</p> <p>Is the whole lecture on Quantum Mechanics? Nay, dear listener. Some of us would like it so, but alas, we do move on to a discussion of, "All sevens return to the first seven" . eventually. And that's because of another lengthy letter from Shannon from Texas. This is great stuff. So, write to our pastor with your observations and questions. JOEL	030	22-Jul-18	TIME IS DIVISIBLE TO INFINITY. YES, BUT WHAT ABOUT THE ZENO EFFECT? CAN JESUS DO IT?	<p>Again... we are connecting John 8:24 with the "I AM" at Exodus 3:14, and everyone listening knew what Jesus was saying... Without Exception. And many were not happy about it to say the least. When Jesus says I AM THAT I AM, it is incredibly complicated. You'll want to hear our pastor expound on this. In this church we are all about clarifying exactly who God is, as best as we can possibly do it. Here, it's like, "Will the real God please stand up."</p> <p>Jesus Christ is self-existent, and He Is Never Not God, and therefore He cannot not exist. He created and sustains time. And this. leads us to the Zeno Effect. An instant = Zero Time. If that is true then there is no motion. But. Time is divisible to infinity. Therefore, the One Who created time must be infinite and Only Jesus Christ can stop time or see an instant. So, the Zeno Effect can only be done by the Lord God, Jesus Christ. He is the one that started the clock.</p> <p>There's much more to this lecture, but I'll let you listen for yourself. It includes the day that God stopped the Sun and the Moon in Joshua 10, and it was so from the Angelic Host's perspective as well. Who saw the first division of light and darkness and the creation of the Sun and the Moon? Yes, the Angels. They were also the first to see utter darkness when God turned off the light in the beginning. See Genesis 1:2. Want to find out what that's all about? Click play. JOEL	031	29-Jul-18	INTELLECT AND THE BIBLE. GOD EXPECTS IT OF US. YOU WERE EXPECTING SOMETHING SIMPLE?	<p>Our illustrious, or infamous (whichever you prefer) pastor tells us that last week he gave us a semblance of closure to some of the questions raised so far. And right about now, you who listen regularly, are scratching your heads thinking, "Really?" You've got to admit though, this guy answers questions better than most. (the quality of the answers, not the percentage.) Is the Word of God hard? Ah, Dah. We are to be like Nicodemus in John 3:1-21. He is The teacher of all Israel, and he doesn't know. But later he seems to know quite a bit. There's an old saying. "People won't care how much you know until they know how much you care." But after that, they might just like it if you actually know something.</p> <p>But wait! What's this? We're saved! .by a question from the "vast" internet audience. Sheri (Hi Shari!) wants to know, Is light subject to forces that can change its speed, or is it constant like Einstein thinks it is? If the speed can change, what are the Parameters? And now. we are entertained. It's non-relativistic physics. and we like it. This is actually a continuation of a lecture our pastor did years ago that became the favorite on SermonAudio, "God Stretches Out The Heavens". Let's listen in, shall we. Maybe we'll learn something about quantum mechanics and astrophysics while being entertained.</p> <p>And now it's time to be even more entertained. Yes! We have another letter! This one is from Gabriel. Prepare to be amazed at this man's intellect and grace. We love it. We are astounded by you. And I mean all of you. JOEL	032	5-Aug-18	WHEN WAS THE FIRST DARKNESS? HOW MUCH TIME DID THE ANGELS HAVE TO SEE ALL THIS?	<p>Pastor's putting some good stuff on the board to start us off:</p> <p>Sun and Moon Time and Light Water and Darkness Life and Motion Quantum Zeno Effect Radiation Continuum Model Angelic Realm and the Sign of Jonah Infinity and Divisibility Gravity... Electromagnetic Energy and Vacuum Absolute Observation and Consciousness</p> <p>The Radiation Continuum Model can be found in: Joel 2:2, 2:10, 2:31, 3:15, 3:18, Romans 10:13, Ezekiel 47:1, Genesis 1:2-23</p> <p>We're getting deeper into what the Angelic Host saw from the beginning up until God brings darkness to the earth, and on to where God created light and physical life. There's a whole lot more to this than you may have been previously privy to. The Angels had a front row seat to everything that God i.e. Jesus Christ made after they were usurped. How much time transpired here? We know it was not billions or even millions of years. It wasn't even thousands or hundreds of years. If this messes up what you've been taught about Biblical history and doctrine, Sorry. Okay, not really. Fake sorry. I've just run off almost all of the "Christians" who just want to feel good, and now we can get through the sermon in peace. You're welcome.</p> <p>So, what's the lecture gonna be on today? Andy Stanley has the unmitigated gall to tell us that Christians must unhit the Old Testament from their faith. I'm surprised how much restraint our pastor used in confronting this heinously bad teaching. Pastor tells us he's going to do a lecture called Newton's Vengeance. That ought to be good.</p> <p>On to the lecture. What is the Great Sabbath Rest? NO! Who! is the Great Sabbath Rest? The Ark Rested on the 17th Day of the 7th Month; Genesis 8:4. He is the Ark. He is the Rest! Christ, after the Creation, rested on the 7th day. He is the Ark of Noah, the Ark of Moses and the Ark of the Testimony. Three types of Christ, found in the Old Testament, Andy. JOEL	034	19-Aug-18	RANTING AT THE VOMIT CHURCHES! IT'S AN UGLY JOB, BUT SOMEBODY HAS TO DO IT	We start our lecture discussion with yet another letter. This one is from Debra from San Diego. She is an itinerant preacher at the local woman's prison, and she wants to know if our pastor will get deeper into the grave cloths of Lazarus and Jesus, as she will be teaching on that topic this Sunday. And, it just so happens, that's what the bulk of the lecture will be today. It's a wonderful letter and well received by the little group at Cliffside.  Pastor is going to delve more into Light and Time. That is the theme of Joel, at least in this pastor's view. This leads to Day and Night, Good and Evil, Sheep and Goats, and that takes us to the Lord's Prayer, and Satan's deception, which is discussed therein.  And there is a movement by the world's beloved Pope (that is sarcasm BTW) to delete certain things from the Lord's Prayer. And, of course, we would be highly remiss if we didn't pounce all over Andy Stanley as we started to do last week. Most disturbing is Andy's belief that academia has disproved most of the Old Testament, which couldn't be further from the truth. YES! We're Still Mad With Andy! This is serious stuff that absolutely has to be dealt with. And just like Joel Olsten, with his new black Ferrari. It's Revelation 3:16 on review. Look at the parts of 2 Timothy that deals with this. Churches these days won't. I wonder why not. Humm? So, is the whole sermon a rant? No. He throws some humor in at spots. Okay, yes, It's mostly a very informative rant. How's that for honesty? JOEL	035	9-Sep-18	JESUS' DEATH LIKE NONE OTHER! HIS GRAVE CLOTHS PROVE IT TO JOHN. HOW ABOUT YOU?	We start off with an article about why young people are leaving the church. As pastor reads parts of it and adds his commentary, you'll see why. Churches today are a mess.  We were taking a very interesting look at Grave Cloths. Most churches are like, "Nothing to see here. Move along, move along." There is profound truth here, and pastor once again sets it up for us. And it's crucially important for our youth. You'll understand why when you listen. We're talking about the Grave Cloths of Jesus and Lazarus, and we're here because of The Lord's Prayer and the Pope's misunderstanding of it. Confused yet?  We are a church that takes the command of Jesus very seriously: Search the Scriptures, for they testify of Me. From our previous lectures you know that we're not happy with Andy Stanley.  Grave Cloths: the phrase as prescribed to Christ is found only in John 11:44. Let's read the actual account and see what we can glean. John saw the grave cloths and this is where he believed. What was it that he understood? He believed that Christ resurrected Himself after three days and three nights, but didn't know the scripture. It's the sign of Jonah. See Psalms 16:10. The Holy One couldn't go into any kind of decay or corruption. John's seen a lot of death and a lot of grave cloths, and these were completely different. JOEL	036	16-Sep-18	FACE CLOTH = RESURRECTION! JOHN PUT IT TOGETHER. CAN WE?	As we start the introduction to the lecture our benevolent pastor graciously gives us a synopsis of where we've been.  1. Mysteries of the Grave Clothes of Christ: Linen Wrappings / Face Cloth Folded 2. Sign of Jonah 3. "Resting" – Sabbath 4. Noahic Ark  So, we have John who gets to the tomb and sees the folded face cloth. That is the evidence God Himself left for John. And there's a reason God separated the face from the body and John figures it out. We know because of Psalms 16:10 that His body cannot decay, and that makes it imperative that we find out why God chooses to have His body wrapped in spices. But, what about the view from the weepy "Christians" that this is a Jewish tradition where the servant folds the napkin if the master gets up and intends to come back. And because Christ folded the napkin, He is telling us that He will return. First, it's not a napkin. Second, there is no such Jewish custom or tradition. It sounds nice, but it's just not true. But, why did He fold the face cloth? What is He teaching with the way He folded it?  But first, we need to answer Pastor Sherman's question. Where is it in the Bible that only the Messiah can cast a demon out of a blind, deaf and mute person. We go to: Matthew 12:22-24 Mark 9:17-29 Luke 8:30-31	MATT 12:22-24 MARK 9:17-29	BLIND CLOTHES DEAF DEMON GRAVE MUTE NAPKIN TOMB SIGN-OF-JONAH			91918246459
JOEL	037	23-Sep-18	THE LIES OF SATAN ON DISPLAY! FREEDOM IS GOOD. CONTROL IS EVIL !!!	We start by discussing evolutionary philosophers and the tautology of their reasoning. Here's an example: Evolution is proven because evolution is true. Our pastor goes on to describe what these people believe and just how serious it is. You can't be issued a biological degree without telling them evolution is true. This is the world descending further into darkness. It's a system of control. We know that Freedom is Good, and Control is Evil. But today it's just the opposite. And now we're back to Matthew 12 and the Messiah casting a demon out of the blind mute. They said Christ, God Himself, was evil. This is calling pure good, evil. If God is the author of evil, we have no existence at all.  All of this takes us to. Grave Cloths and. The Lord's Prayer. Okay, the 6th petition of the Lord's Prayer is in question by the Pope. If he doesn't understand it, that means he does not understand what happened in Genesis 3.  The Lies of Satan: 1. God is Evil. God Lies 2. NO Life. Existence is Illusion 3. NO Free Thought. It's a mirage 4. Time Uncreated 5. NO Judgement 6. NO Solution to Sin 7. The Fiction of Sin  How many of those did Eve believe? How many of the fallen Angels believed these lies? And that brings us back to, casting out a demon from a blind deaf mute. So, we're actually going to get an answer to the question: Where in the Bible does it say, only the Messiah can do this. Will our pastor get to the answer today? If he pulls this off by the end of the lecture, it will be a rare thing. JOEL	038	30-Sep-18	HE CAN RESURRECT HIMSELF! A DISCUSSION OF JESUS, MESSIAH, GOD HIMSELF! DEAL WITH IT	Pastor Chronister starts out proclaiming that Jesus Christ is the I AM, and when He was on earth people would flock to Him as they did when He was going to cast out a demon or raise the dead. Some of the people around Him are starting to realize that this man is actually The Holy One of Israel, The Son of David. This is the Holy Thing, The Messiah. But do they understand that God Himself is standing right in front of them?  The Pharisees saw what He did and had a slightly different reaction. They reject God to His face. The nation of Israel accuses God of being the origin of Evil. After this happens, Christ will only give them the sign of Jonah. First, Jonah is dead in the belly of a fish for three days and three nights. This is not the old Pinocchio movie. Jesus was in a cave for three days and three nights. That's the setup. Our pastor gets in depth with this, tying in other things to give us some conception of what and why these things happened.  Now we move back into the resurrection of Lazarus. Lazarus is a sign of Jonah. And there's another sign of Jonah (three total), but for now let's start at John 11:45 for what happens after that. JOEL	039	7-Oct-18	JONAH + NINEVEH + GOD = KURDS. HOW MUCH OF THE BOOK OF JONAH IS THE SIGN OF JONAH?	We are breaking up concrete to get to the treasure toward the bottom. We're looking for Gold. Today, it's the Sign of Jonah that Jesus gives the Pharisees. How much of the Book of Jonah is in the Sign of Jonah? Well, we have the crimson worm that attaches itself to wood and secretes red fluid as it dies to give life to its offspring. Is there more? Of course. This is Cliffside. It's what we do.  So, the question I want to ask pastor is, "Are we getting a Sign of Jonah right now and in recent times? I ask because, what God did with Jonah and the Ninevites gave us the Kurds, Assyria, fighting to destroy ISIS." And when I ask him, he says, "Don't get ahead of the teacher." The Ninevites will be the judge of that generation of Jewish rulers, along with the Queen of Sheba. Jesus tells us this. But this is interesting. Some Christian scholars say that Jesus' death and resurrection is not a sign of Jonah at all. Hum. Jesus says it is. But I guess that doesn't count much with those people.  And now we're on to some of the astonishing things that happened when Christ was crucified. Veil torn! Dead Saints coming back to life! How Many? How many years have they been dead? Rocks splitting! Earthquakes! How Loud is God's voice here? I can't even begin to explain this stuff that's going on. You've got to listen! It's the principle of recurrence. You'll find it in the Bible everywhere. That's how the Hebrews write. But notice not only the accumulation of evidence, but also, what is left out. Pastor can explain this. If you've been listening to the past few lectures, what he puts on the whiteboard next should spark some interest:  No Burial No Graveclothes 4, 3, 3 1/2  We get a rant about these people claiming to be able to raise the dead. JOEL	041	21-Oct-18	MOSES + ELIJAH = WITNESSES? HOW DID WE GET HERE? I THOUGHT THIS WAS A JOEL STUDY	<p>The Pregame show starts with our pastor exclaiming End Times fulfillments. Anti-ageing is one. JOEL	042	28-Oct-18	78% IN DAMNABLE HERESY? YES. % OF EVANGELICALS THAT SAY, JESUS IS NOT GOD!	<p>78% of Evangelicals believe Jesus is a created being. How's that for an opening line of a sermon. They say Jesus is the first created being. Oh, but He's the greatest created being. That, my friends, is Damnable Heresy. Jesus Christ says, ".Do not be unbelieving, but believing." These are some of the final instructions the Eternal God gave us before He bodily left the earth.</p> <p>John is the first to arrive at the tomb of Christ. But Simeon Peter, Son of Jonah, was the first to enter the tomb. John looked at the graveclothes of Christ, and the folded facedcloth, and believed. Peter missed it. John 20 says they didn't know the scripture that tells us what that is all about. Read along with us, John 20:3 and on.</p> <p>We are referred to Psalms 16:10, that proclaims The Holy One will never go into corruption. That's the Scripture they didn't know. Then you have Acts 13 where Paul writes and tells us about that Psalm. If you know that, do you know why He folded the facedcloth? So, let's listen to find out if this preacher will finally let us in on the secret. The very foundation of our faith rests on the totality of the bodily Resurrection of Christ. How much power is required to raise God from the dead? He cannot be killed, so he must lay down His own life. But 78% do not believe this. They think it was an ordinary crucifixion.</p>	JOHN 20:3-27 ACTS 13:32-39	CORRUPTION CRUCIFIXION RESURRECTION TOMB			1118230500																		
JOEL	043	4-Nov-18	DOES INFINITE GRAVITY EXIST? WELL, CHRIST DECLARES THAT HE IS GRAVITY. NOW WHAT?	<p>We're back with the much-needed push back of the frontiers of Biblical illiteracy. Last week our pastor quoted a survey that shows 78% of Evangelicals believe Jesus Christ is a created being. He believes it's more like 90%. It's Heresy to believe this way. And to think, in a hundred years, we've come this far. The evangelical church of this age seeks after fables. And the pastors of this world, by and large, get fantastically wealthy. They don't care about the sound doctrine of Christ.</p> <p>But, we must get to what our pastor promised he would get to last week. If you don't like it, blame Joe from Seattle. BLACK HOLE SINGULARITY! Yes, I'm shouting! I know, I know. If you're new here, you must think we're crazy (and you might be right), but we actually love this stuff. Before you turn us off, just know that we use quantum physics to drive home the truth of God's creation. We move into absolute consciousness. The Creator God has the absolute observation ability. The question Joe asks is, does time stop in a black hole? First, do black holes even exist?</p> <p>Now we're Back to the, "Martha, Mary, Peter, John" discussion. Two women, two men. Arbitrary? No. Okay, help me out here. How can I get people interested in this stuff? Because it's absolutely necessary that you know what's going on here and what it all means. If you're new and skeptical that's fantastic. You owe it to yourself to find out if what this pastor does with this stuff has any value.</p>	LUKE 7:36-50 JOHN 11:1-44	ABSOLUTE CONSCIOUSNESS PHYSICS MARTHA MARY			11818254371																		
JOEL	044	18-Nov-18	YOU THINK THE BIBLE IS SIMPLE? YOU JUST MIGHT WANT TO RETHINK THAT CONCLUSION	<p>Our pastor starts out calling out the Hollywood elite, and we love it. The issue with them is, "Thoughts and Prayers". Just know that there is no physical reality, there is only spiritual reality. If you want to know why he talks about this, just listen. But we're actually in the Book of Joel, and we're talking about the sign of the sun and the moon in the context of the tribulation. So, we go to the first sign of "sun and moon", which we find in Genesis 1:16-19. The Angels, both fallen and unfallen, were the only actual witnesses of that event, see Job 38:7. If you think this is not important, you may want to rethink that conclusion. This is a time-based event. The Angels recognize this, and they know that Jesus Christ is time-less. God, Jesus Christ, has everything under His control.</p> <p>But where we're really at is Mary, Martha, Peter, John. And we find out that John did not record any of the parables of Jesus. His plan was to reveal the true identity of Jesus Christ. He includes seven proofs of the Deity of Christ, and seven signs of Christ, along with 153 fish. Why did he pick those particular signs, and why are they spectacular? But look at the order they're listed in. Nothing is by chance here. We just happen to be in the Sign of Jonah. And pastor has prewritten on the white board, a Martha / Mary list, so you might want to watch the YouTube or FaceBook video.</p>	JOHN 11:1-39 LUKE 10:38-41	SUN-AND-MOON SEVEN-PROOFS SEVEN-SIGNS SIGN-OF-JONAH 153-FISH			112518080102508																		
JOEL	045	25-Nov-18	PROOF THAT JESUS IS GOD. DID MARTHA BELIEVE? WARNING: THIS COULD MAKE YOU ANGRY	<p>We start the lecture with a wonderful letter from Mike. You've got to hear this. But on with the lecture. Last week pastor left us with a huge pile of stuff that he's making us sift through to get to some semblance of what he wants us to learn. Just know that over half of the class will be getting an F. I'll let him entertain you with an explanation. He even makes up new words to describe it. Is Immensatude a word?</p> <p>But on to the Scriptures we couldn't get to last week. We start reading at Luke 10:38. If you think it is even almost possible to give you good notes on pastor Chronister's commentary of this passage, feel free to come up here and take over. But trust me, this is really good. Just ask Mike. (if you're old, that's almost funny)</p> <p>As an aside (that's Chronister for BTW), what did Jesus mean when He said, "If I will that he (John) remain till I come, what is that to you?" He's God, responding to Peter's question. And why did John include this at the end of his gospel? As another aside, God didn't put Mary and Martha in the Bible to tell you that you need to work harder when you're at church. If you're one of those that actually want that to be true, stop now, and whatever you do, do not press play. This lecture will just make you angry, and we wouldn't want that, now would we?</p>	LUKE 10:38-42 JOHN 21:1-23	MARY MARTHA	MIKE		112818528512933																		
JOEL	046	2-Dec-18	WHAT DO EARTHQUAKES TELL US? STOP LOVING THE EARTH, THIS LIFE. THEY'RE NOT DEPENDABLE	<p>After a 7.2 Major Earthquake, we get more mail than usual. Our pastor reads two and says he'll get to more of them at a later date. Thanks so much to Vic from New Hampshire and Stewart from Ireland for the kind words. You have no idea how much you all mean to us and our lone pastor.</p> <p>We're going to examine Joel 2:10 because it talks about earthquakes! Our pastor was in Anchorage back in the '64, 9.2, Five and a half Minute duration, Great Alaskan Earthquake. So, last Friday, when he heard the noise, he knew what was happening. You'll want to hear the experience of what this man went through back then. and with this one. Jesus Christ makes earthquakes at His death and resurrection. And pastor goes over a bunch of other earthquakes in the Bible. This leads us back to when the ground (earth) was cursed in Genesis 3:17. Notice the ground - not Adam - is cursed, for our sake. And then, in John 11, Jesus connects Genesis 3:17 with the death of Lazarus, by saying, ".for your sake". So, what does an earthquake tell us? The earth is not stable; not dependable. And people want to worship the earth? Now our pastor goes over passages that deal with, "The Day of The Lord", in which, the earth will be burnt to nothing. Maybe He's telling us to stop loving the earth, and stop loving this life we have here. For Our Sakes.</p> <p>Okay, back to John 11. What does Jesus Christ, God, mean when He says He is glad for their sakes that He is not there? He wants the people there to believe that He is God. He's always saving! What makes Him joyful? Salvation! What makes Him weep? People not believing, not being saved!</p>	GEN 3:17 JOHN 11:14-44	EARTHQUAKES	VIC STEWART	NH IR	1251887302451																		
JOEL	047	19-Dec-18	WHAT'S GOOD ABOUT LIVING DOGS? AND. JESUSGOD IS EVERYWHERE, ALL OF THE TIME	<p>As of Thursday, we've had 2,888 aftershocks since the earthquake; 412 a day. A dozen or so have been 5.0 or better. We had one of those this morning. Keep in mind, anything around a 3.0, we just mock and boo, but there are going to be earthquakes as a sign of the end times. How many?</p> <p>Mary from Seattle sent a question to Supper Dave (that's me). So, take a look at Ecclesiastes 9:4-6. Verse 5 says, "the dead know not anything." But some people will tell you, that after you get to heaven you will have no memory of your life and won't even know your own name. This is an "under the sun" reference. In other words, it's from an exclusively human, earthly standpoint. It's better to be a living dog. Why?</p> <p>But I promised you the list. This is a Martha / Mary list from John 11. In verse 15 God says He is glad He was not "there". Colossians 1 says He is everywhere all the time. So, when God says "I was not there", it's very important to understand why He says it.</p> <p>Now, pay attention to the "Day" references that God gives here. Hint: This is God talking. He can say many things at a "time", because he holds time.</p>	ECCL 9:4-7 JOHN 11:1-44	EARTHQUAKES UNDER-THE-SUN	MARY	WA	12111873047758

JOEL	048	16-Dec-18	SUN MOON - LIGHT OF THE WORLD. THE COMPLEXITY OF SCRIPTURE SOLVES EVERYTHING!	<p>We have letters from some of you to read. The first one is from Jennifer from AZ. Then we have one from Sheri, and she has some really good questions and one has to do with slavery, so pastor thinks it a good idea to do a little teaching from Exodus 21:4-6 (It's about Christ). We also have a gift for the buffet along with a letter from Joanie from Cincinnati.</p> <p>Our pastor starts with this: The irreducible complexity in the human body, and, in the totality of Scripture, is incredible. And now he goes on to anger theistic evolutionists. Nothing in the world makes sense apart from the Bible. The Bible solves everything. Joel explains the sun and the moon. And it's not confusing at all. Example: Which "Day of The Lord" is "The day of The Lord"? And what's the problem with light from the sun and the Giver of Light who made the sun and the moon?</p> <p>Revelation and Joel tell us plainly, the great light – the sun – goes dark. In other words, the clock goes away. The Angels think the sun is for them. They were the only ones around who saw it created. Men think it's for them. Both are right. But when the sun goes dark, that leaves Christ! He is Light. If you put Genesis 1, 2 and 3 against Revelation 19 - 22, you can see the resolution, the Cause and Effect. And did you know that the magnetic North Pole is moving? This guy will educate you on the science behind it, along with the ramifications if it flips. It's informative and maybe a little entertaining. We also get some anthropogenic news, which is always fun. This section is called, "Things I've learned from the media."</p> <p>Okay, on to the 'requests' portion on the lecture. That's right, we take request. sometimes. You'll be interested to find out how this one got picked. And the first one comes from Pastor Sherman in Oklahoma. He wants to know more about our pastor's teaching on Acts 5 – Ananias and Sapphira. What was the trap? What would the charges be against Peter? .Am I going to fill you in, or make you listen for the answer? (if he even gives us an answer) You guessed it. Either stop reading and quit now while you're behind, or press play. Them's your choices. Okay, basically it's a Genesis 14 question. Here a list of scriptures this preacher wants us to look at:</p> <p>Acts 1:3 Acts 1:12-14 Acts 2 Exodus 20:18 The Thunderings Acts 2:16 Acts 4:18-19 Acts 4:32-37 Acts 5 Acts 23:5- Acts 24:1- Genesis 14</p> <p>He'll get into several of these, but the funny part is how Pastor Sherman got him to take this on in the first place. Tie the tithe given to Melchizedek with Acts 5. If Peter accepts the tithe, what will they charge him with? That was a hint. JOEL	050	20-Jan-19	ANANIAS AND SAPPHIRA. WHY? YES, GOD KILLED THEM, BUT. THE 'WHY' IS THE QUESTION	<p>Today we are going to try to get into Slavery as requested last Sunday by Sheri. You first go to Samson with the gates, freeing the slaves. And this is compared to Christ freeing us from the slavery of sin and death. So, whenever you come to slavery in the Bible, you're in a discussion of being freed from sin and death. But last week. we left off with Pastor Sherman's question.</p> <p>This is Ananias and Sapphira in Acts 4 and 5. Maybe today we'll get an answer to Sherm's question. That seems to be the only way we get answers, is to have the favored of the Internet ask them. Hey, we'll take what we can get around here. Here are the things you'll need to pay attention to. It's a LIST! Yay!</p> <p>1. Possessions 2. Proceeds 3. Levites – Land / Houses 4. At Apostles Feet 5. GREAT FEAR 6. Young Men 7. Wrapped Carried Buried</p> <p>So, let's start at Act 2:38. Notice it is the Apostles, and no one else who are doing this. And 3000 saved, compared to the 3000 slain at Exodus 32:28. Let's get into that. Moses is a Type of Christ here. And Acts 2:31 cannot be understood without Exodus 32:28. Here's something. How do you think it would be if all the rich people in these Health and Wealth churches were to start selling what they owned and giving it to anything other than the church? JOEL	051	27-Jan-19	THE LIE: ANANIAS AND SAPPHIRA. LET'S FIND OUT JUST HOW BAD IT IS. IT'S BAD!	<p>We are mired in this inescapable mud that is Acts 5, so it seems. "Au contraire." This pastor has been known to pull off minor miracles at times. Of course, we at Cliffside are skeptical. Don't get us wrong. We're pretty sure he has the answer, but will he get to it? What do Acts 5 and slavery have to do with the Book of Joel? I refer you to the aforementioned "miracles". But now, for some reason, our "wise" pastor is talking about the signs of Jonah. There are three. The sign of the Sun and the Moon in Joel are linked to the sign of Lazarus, a sign of Jonah. And now we bring in Samson, who rips off the gates and runs a long way to throw them off a cliff, freeing the slaves.</p> <p>But on to the consequence of the lie from Ananias and Sapphira that causes their deaths. Satan is in Acts 5. We have a lie and we have Satan. Where are we now? That's right, Genesis 3! What was the lie of Ananias and Sapphira? Does it have to do with slavery and freedom. and Joel? So back we go to Genesis 14. That's Melchizedek, Abram and Satan. And Paul, in Hebrews, tells us that Melchizedek is outside of time. So, who is that? Now, let's get a firm grip on what this has to do with the lie in Acts 5.</p> <p>But why not go now to 2 Kings 1 and 6 and 8. Why are they so similar? From there you go to John 11, then Joel, and then Proverbs 1. But back to 2 Kings 1.</p>	ACTS 5:1-11 2 KINGS 1:1-18	ABRAM ANANIAS SIGN-OF-JONAH LAZARUS MELCHIZIDEK SAMSON SAPPHIRA SATAN SLAVERY SUN-AND-MOON TYPE-OF-CHRIST		2119551512883	
JOEL	052	10-Feb-19	SLAVERY! IT IS EVIL. AND, CAN YOU BLESS GOD? NO! ONLY GOD CAN BLESS GOD	<p>We are back. And, as you might remember, we left off with Genesis 14 because of the relation it has to the instant death of Ananias and Sapphira. We mixed in 2 Kings 1, 2 Kings 6 thru 8, and 2 Kings 2. And we are astounded that no one has thought to study Acts 5 in the light of the Old Testament complements, because it's impossible to understand what is actually going on in Acts 5 if you don't. It's NOT About Tithing!</p> <p>Now, I don't know why, but our pastor, in his finite wisdom, has determined we need to know how many galaxies they have figured out are out there. Two Trillion. Oh. he explains that we need to account for the vastness that is God, and He shows us by letting us see His handywork. And that's what we need to assume when we read scripture. We're reading something that is completely out of our ability to fully comprehend or understand. Even so, God invites us to make the attempt.</p> <p>But. today is a discussion of Slavery. Human slavery. A few weeks back our pastor asked: Why doesn't the ten commandments condemn slavery? And what about animal slavery? There's a lot he talks about here; the "good"s and the "very good" of Genesis 1, animal life, the 6th day, Adam is tied to Christ in Romans 5:14. He is a type of Christ. So, the question now is, what was Very Good? There is only one obvious answer, and he actually gives it to us!</p> <p>If you follow what I've written here, you're starting to worry me. One more thing. Slavery is ownership. Ownership of another human being is Evil! And now we're back to Genesis 14. JOEL	053	17-Feb-19	BEFORE CREATION WHERE WAS GOD? AND WICKEDNESS: SODOM AND PRE-FLOOD	<p>I am your friendly commentator at beautiful downtown Cliffside, aka "He who must not exist". Pastor Chronister's nick name for me is Supper Dave, and I tell you this because people accuse our pastor of writing his own lecture descriptions, using a pseudonym. It's been a running joke with our internet congregation for quite some time, and we absolutely love it. And. I couldn't make it in to church last Sunday due to the flu, or at least, that's my excuse, according to our pastor. So, pastor Chronister's imaginary friend is writing this description from the recording at home this week. Let's all feel sorry for his imaginary friend. Okay, now that we've dealt with that nonsense, I can get back to attempting to describe this lecture for you.</p> <p>Last Sunday we got into the ownership of a man by another man. Is this covered in the Ten Commandments? Yes! But I'll let pastor tell you where. We'll be getting into this further, but first we have a question from the Internet audience.</p> <p>Ralph from New Zealand asks, "Before God created heaven and earth, before He created Angels, before He created anything, where was He, and what was He doing?" Ralph says, "Answer me that dude." And so now, our pastor is calling himself, "The Answer me that Dude." Anyway, I think you'll like the answer.</p> <p>And we have another question from Pastor Sherman. When God describes Sodom as "exceedingly wicked", what does He mean? So, we go back to the only other time before that, that "wicked" is used, and that would be Genesis 6, describing the pre-flood world. JOEL	054	24-Feb-19	UNDERSTAND WHO GOD IS. HE EXISTS OUTSIDE OF TIME AND IS NOT SUBJECT TO IT	<p>Hey, we got another from Ralph in New Zealand, but first we go to a letter from Sheri. Her question is a complicated one, and here at Cliffside, we absolutely relish hard questions. So, what is her question? I would tell you, but the new people would turn us off so fast it would make your head spin. Let's give them a chance to learn something, shall we?</p> <p>But here's Ralph's question. It's about infinite consciousness and timelessness. Timelessness is a non-entropy state. Entropy does not apply to God. Try this. Envision a timelessness state. You're doing so, inside of time. Can you do it? "The Answer-Me-That Dude", who Ralph has unknowingly named our pastor, will try and help us out. The level of understanding of God and who He is, is sorely lacking. The church today is filled with unlearned sheep and they are being sheared by the wolves on a regular basis. The Bible even says so in Revelation 3, He calls them "wretched, miserable, poor, blind, and naked." You'll get a lot out of this, especially if you're new to Cliffside. Pastor Chronister gets into the seven parables, which connects to the seven Churches in Revelation. And about the surveillance that's going on? Google has already aligned with the government of China to do this to their people. This is what the Bible predicts, so we here at Cliffside are not surprised by it. We're in the prophecy of Joel. Here, the age of the gentiles has ended, and the bride of Christ has been abducted. and Israel, the Wife of YHVH, will notice that they are the focus now. They are awaiting the return of the King. This is Ezekiel 10 and John 14:1-4. And our pastor goes over some of the names, which correspond to the roles, of this coming King. People will start to feel Genesis 12:3; God will curse those who curse Israel. In this generation, our country has an unprecedented hatred of Israel, and this pastor has the guts to expound on this very topic.</p> <p>It is vital for the church to know what the age of Lot really is, as well as the days of Noah. And our pastor adds "Void-Zero" back into the discussion. Void-zero is not in the created order. It is timelessness. So. What applies to Timelessness?</p> <p>1. How long is Timelessness? 2. How long was Timelessness? 3. What can be done in Timelessness? 4. Is there any doing in Timelessness?</p> <p>Let's go to Deuteronomy 8:4 and 29:5. If we were to have this happen to our shoes and cloths, we would know that somehow God suspended the laws of entropy in a limited way.</p> <p>These are the things we take on at Cliffside. And why not? After all, we have "The Answer-me-that Dude" as a pastor. JOEL	056	17-Mar-19	CAN RH NEGATIVES BE SAVED? WELL, OF COURSE THEY CAN. TO THINK THEY CAN'T IS ABSURD!	<p>We continue our study on Timelessness (Void-Zero). It's where only God can exist. When men think they can exist like God, they make a grave error. But more commonly you'll see churches bring God / Jesus Christ down to a form of humanness. Why anthropomorphize God? It makes money. It makes people cry, which makes more money. It's simple showmanship and trickery that should be run out of the church. but no. People love it. It gives them a more relatable Jesus? Really?</p> <p>Oh, but now we have a letter from Peter in Australia. He informs us that some people there actually believe that people with RH Negative Blood are Nephilimic and cannot be saved. Peter wants to know if Pastor Chronister has RH Negative Blood. Ok. if you watch the YouTube video or listen to the audio, that was very funny!</p> <p>There's more from Dr. Peter, but we have new people listening, and we don't want to run them off just yet. We'll be doing that later in the service. But pastor does get further into the Nephilim discussion. because it's just fun. Go to Genesis 6:2, and then let's do 1 Peter 3:18-20, and then 2 Peter 2:4-7. But you have to add Genesis 14 and 19 and Luke 17:26-28, Jude 6 and Jude 9. Hey, in this church we don't speculate when we can just go to the obvious verses in the Bible and actually put them together and get a fuller and more accurate explanation. I know. Wow, who does that? We're talking of course, about the "Great Wickedness" at Sodom and the days of Noah. It's important because our Lord tells us it is.</p>	1 PET 3:18-20 2 PET 2:4-7	ACCURATE ANTHROPOMORPHIZE NEPHILIM VOID-ZERO DAYS-OF-NOAH RH-NEGATIVE	PETER	AUS	32019745194406
JOEL	057	24-Mar-19	CHRIST'S PHYSICAL BODY: WHEN? AND VOID-ONE VS. VOID-ZERO, AND THE 7 CHURCHES	<p>We start our lecture today with Timelessness and Void-Zero. Isn't every church teaching this today? Better yet, our pastor discusses Void One vs. Void Zero. Is space Void Zero? Is space really empty? God, before time, spoke time and space into being. Is there sound in this empty space with no time? Okay. we've driven away all the shallow Christians. If you're still here, welcome to the world of the not simple.</p> <p>After more depth into the above topic, we move on to Revelation 13:8. Did Christ add humanity? Okay, but when did Christ add humanity? Did He do it in timelessness, or inside of time? Two thousand years ago is not the first time Christ appeared inside of time. Look at Melchizedek. Start with Genesis 14:18-20, Genesis 18:1-3, Genesis 19:24, Genesis 32:24-30, Exodus 12:29, Exodus 12:23, Joshua 6:13-14, Ezekiel 1:4-5, and 26-28, and Revelation 1:12-17. These are places He has appeared in time, among men. "Great is the mystery of Godliness." How do you explain the pre-incarnate Christ? How do you explain the Incarnate Christ? Well. it's a good thing we have The Answer-Me-That Dude to clear things up for us. But let's be honest. No one can explain these things fully but let's do our best.</p> <p>But don't go away just yet. There's more. We must continue on with our discussion of the seven Churches Revelation 2 and 3, but. after 2 and 3. is 4.</p>	GEN 14:18-20 REV 13:8	CHURCHES GODLINESS MELCHIZIDEK MYSTERY SEVEN TIME TIMELESSNESS VOID-ZERO			33119744211916
JOEL	058	31-Mar-19	WHAT IS THIS PROPHECY REV 1:3? AND. BEFORE JESUS, A ONE WAY TICKET TO HELL?	<p>"What about the countless people who existed before Jesus' time. Did they also get a one way ticket to hell?"</p> <p>And we wonder what happens when people can buy a collage degree for five hundred thousand dollars. You get stuff like this. They are seldom right but never in doubt. They're creating idiots. So, our pastor takes this question of the day apart. piece by piece. To start with, the premise of this question is critically flawed. BEFORE Jesus?! Before Jesus Existed!? Who had existence before Jesus had existence? Go to Genesis 3 to find out from where this question originates. And those of you who are new should be shouting for joy right now. You found someone on the Internet who is not shallow! Finally! Now you get to find out just how "not shallow" he is. Take the Red pill, and come with us down the rabbit hole.</p> <p>Now let's go to Psalm 139:13-16. What does, "was made in secret" mean? God says, I knew you before you were formed. What is the "secret"? Now we have a Mystery. Do we have time to do this today? Ah, no.</p> <p>Revelation 1:3. What is "this prophecy"? Almost no scholar will admit "this prophecy" is that which follows next in the text. Why? What do they gain from this? I'll let our dutiful pastor lead you to the answers to these and more.</p>	PSLM 139:13-16 REV 1:3	MYSTERY SECRET			441962352461
JOEL	059	7-Apr-19	TIMELESSNESS HAS AUTHORITY! AND. HOW DOES THE DOOR KNOCK ON THE DOOR?	<p>How is it that Timelessness has complete authority over time? The Internet has said, "Prove It!" So, we shall. And by we, I mean our pastor.</p> <p>God knows every bird that falls to the ground. He knows when, He knows how, and He knows why. God knows the cat that kills the bird. Okay, I'm not going to transcribe the lecture for you, but it get's really interesting, and a Little politically incorrect. Just thought I'd warn ya.</p> <p>And now on to Jennifer's question. Oh, this is going to be really good. If Jesus Christ is the Door, then in Revelation 3:20, how can He knock on the door and be the door at the same time? And our pastor winds up. here's the pitch. and instantaneously he appears at the plate and knocks it out of the park! The crowd goes wild! Okay, end of daydream.</p> <p>Can Infinite God place Himself Inside of Finite Time? That's the question pastor puts on the board. And off we go. The questions start flying. When did Jesus Christ add humanity? He said He was slain before time, so, how do you explain this? We're still talking about the two doors (and the two BEHOLDS) of Revelation 2 and 3. By The Way. Side note: we also need to find out where the throne of Satan is.</p> <p>Is the second door a future thing? Christ said these churches are prophecy. Has the first door happened yet? But Jesus Christ, before time, decided to be resurrected on This Day, His Feast Day of First Fruits. Easter is something completely different. At the counsel of Nicaea, they began to separate themselves from Leviticus 23. Now the Jews have added two feast days to the Lords calendar. The Lord does not like that.</p> <p>But that's not the subject for today. Oh. no. Here he goes. The subject, at least for the first part of the lecture, is. Black Hole Singularity! Let the record show that there were only two people in the local congregation who approved of this topic. At any other church this man would be fired immediately. But this is Cliffside. So, deal with it.</p> <p>I would try and describe what he does with this subject, but I was one of those who approved, therefore I want you to listen.</p> <p>Okay, he's moved on to the point of this topic. Consciousness. Resurrection! Do you want to know how he got there? Good. Because Christ is the First Fruits of the Resurrection. He is the Singularity! He is the Only Door. He and God are the same. JOEL	062	28-Apr-19	CAIN. IT'S ABOUT THE BLOOD! IS JEZEBEL THE WIFE OF THE CHURCH OF THYATIRA?	<p>We have a letter from Susan. This poor lady likes our pastor's teaching on Genesis, more specifically the love story of Adam and Eve, but also the account of Cain and Able. She taught it to her ladies Sunday school class. The class took it really well but, then there was the phone call. I'll let you listen for what happened next. We also have a letter from Ralph from New Zealand. Great stuff. But. the next letter is from Stuart from Northern Ireland. He is a new Christian, longs for sound doctrine, and he was very happy to find us. You'll want to listen to this letter.</p> <p>All these writers of letters bring up things that are important to our current study. We're in Revelation 1:3. Part of the subject of 1:3, is Revelation 2:18-29. And Ralph brings up Revelation 22:7-9-10-18-19. But Susan brings the trial of Adam and Eve, Genesis 3, and this resurfaces in the 4th church, Thyatira. Christ is the Blood Covering, but with Cain and Able, the church today says, "It's what he thought, not what he brought." So, the blood is important in Genesis 3, but not in Genesis 4? IT'S ABOUT THE BLOOD!</p> <p>We're starting with Revelation 22, so strap in. It's going to be a bumpy ride. Especially if you're not Stuart. (That's because Stuart is the one driving. One letter asks about the Two Wines at the crucifixion.</p> <p>And now on to the cheerful and joyous topic of. things you can see on television and the internet. That was short, I think to minimize the letters he'll receive.</p> <p>And. Now. Beautiful Downtown Cliffside. gets back to the blessing we can expect that Revelation 1:3 promises. If you listen to this, you will be accountable to the words of this prophecy. So, you have been duly warned.</p> <p>We're back to talking about the wife of the Church of Thyatira. It will be a warm and fuzzy lecture. Okay, maybe not. at least if you know who this wife is and what she does. The warm and fuzzy seekers will be running out of here screaming. JOEL	065	19-May-19	HETEROCHRONIC PARABIOSIS! YES! THAT'S THE ACTUAL TITLE OUR PASTOR WANTS US TO GO WITH	<p>We start with the astonishing signs of the end of the age. These are what God Himself told us. This is, as it was in the days of Noah and, as in the days of Lot. What was really going on in these two events? In the days of Lot, it was regeneration. Yes, there were other really bad sins going on there, but you've got to figure out the real reason God stepped in and destroyed those cities. And, in the days of Noah, the fallen angels had corrupted all flesh with Genetic Manipulation. These things were called by God, Exceedingly Wicked and Great Wickedness. Let's sit back and listen to Cliffside Community Chapel's idea of a warm and fuzzy sermon.</p> <p>Why did the rich young Pharisee leave? This guy lied to the face of God. Just like in Matthew 7. Jesus essentially said to those who were bragging about what they had done in His name, You have lied to My face. How sad that there are people who are more than willing to lie about what they have done for God, just to get paid a lot of money for their boastings. Oh, have I offended a few of you? Then don't listen to this lecture. You'll be furious.</p> <p>But why not? Let's get into it. Heterochronic Parabiosis. not to be confused with Isochronic Parabioses. We're glad he cleared that up. You will be excited and thrilled with what you'll learn here. Okay. maybe not so much. But some of you might actually find this fascinating and enthralling. JOEL	066	2-Jun-19	ANSWERING THE INTERNET. AND WHAT A JOY IT IS FOR THIS PASTOR AND ALL OF US	<p>In the pregame, Pastor hands out cards with a depiction of what Christ actually looks like now, and how He will look to us when He returns (we will show it to the Facebook audience in the first part of the lecture). His glory is paramount, and we need to know what that glory looks like. not what's taught in the church today. It's getting worse than we could have imagined.</p> <p>As we start the lecture pastor reads some letters that you wonderful people send us. And we will try our best to cover the material these folks are asking us for.</p> <p>Seams you have to tie Mark 1 and Luke 4 into Matthew 4 in order to truly understand who Christ is. We contend here that Satan was not fully aware of exactly who Jesus is. Satan knows the Ancient of Days, but he didn't know that Jesus is He. See 1 Timothy 3:16. Satan is the most intelligent being created. And we know that Judas is the only one in history to have Satan inside him. How does that tie in? Well. listen and find out. You might not like what you hear, but we just don't care what you might like or dislike. We will tell you the truth as best as we understand it to be. no matter how small it makes our church. (our Internet audience is steadily growing BTW. You all need to move up here.)</p> <p>If there were Angels watching in Genesis 3, then wouldn't they be the only audience observing Jesus in the wilderness? Did Satan confront the first federal head? And here in Matthew 4, he is confronting the second. Remember what 1 Timothy 2:14 tells us. In the garden Adam was not deceived. JOEL	067	9-Jun-19	SATAN VS. ALMIGHTY GOD! WE KNOW. IT'S NOT A FAIR FIGHT, BUT LET'S INVESTIGATE THIS	<p>At the pregame show, we discover this could have been the post-game show. Our Pastor had a close brush with death last Monday night. AFib and a heart rate of 180. A rush to the hospital and he survived. Please pray.</p> <p>We have several letters we need to address as we start the lecture. Thank you so very much. You all are quite precious to us and our pastor. We even find that we have a listener in Antarctica. Some are asking where they can find the answers to Pastor's questions. And the local analog audience roared with laughter. Yes, unfortunately we are a bit disrespectful.</p> <p>But one letter is asking our pastor why he hasn't covered String theory. And so, we get a little coverage on that.</p> <p>The interconnectivity of this Bible in incredible. More so than the interconnectivity of our body. So needless to say, we are dedicated to teaching you the most God honoring search for connecting Scripture that we can possibly accomplish. The only problem with that, is figuring out how to keep you all awake while we do it. Okay, he says Joel has led us to Matthew 4. And now that has brought us to the following passages:</p> <p>Genesis 3:14-15 – Seed/seed. Part one and part two of the bruising's. Ezekiel 28:12-19 Isaiah 14:12-15</p> <p>So now we're starting with the bruising of the head of God's heel, and the bruising of the head of Satan. This leads us back to Matthew 4 where Satan quotes scripture, Psalm 91:12 and Christ who is God Almighty in the flesh (unbeknownst to Satan at this time, we believe). We don't really care, just as long as we are forced to endure more learning.</p> <p>We're back into the scene of the Angelic host who are watching the trial of Genesis 3. Satan's curse is more than the cattle? Our pastor explained who the "cattle" is in previous lectures. But the point here is the Lie of Satan. He was cursed more for deceiving the woman than the third of the Angelic host. We're talking about "The abundance of your traffic" that Satan did with the Angels. Trafficking in lies for those of you who are new. Okay, that's the setup for the lecture. I'll try and give you bullet points, but from here you're pretty much on your own.</p> <p>How does Satan accomplish this bruising of the heal of Omnipotent God? How can he do it? Very informative. Watch for the YouTube video. That's where you'll find this part of our service.</p> <p>We're back to Exodus 17:1-7. It's what Christ quotes while on "trial" by Satan in Matthew chapter 4, after the 40 days of going without food or water. Side note: He is not weak; He is not thirsty. He is the Bread of Life; He is the Living Water. Now that that's been established, I'll let our pastor continue. He's talking about what many of the Chinese people are going through now. The amount of Christians in China would astound you. And we're discussing Great wickedness and what it means to God. What level of evil has China achieved? And the discussion that follows about China and other nations will be very informative and fascinating for most of you.</p> <p>But. there's this one famous pastor who states, eternal security is a myth. and astoundingly enough, support for this belief system abounds. So, let's read out of Romans: There is none righteous, No, Not, One! Some of you will hate this part of the lecture. But perhaps there are a few of you that will like it. And, there are treasures unspeakable found only in its depth. It's hard, yes. His Word will reward those who search. So, instead of just reading a verse, look up all the verses that relate to that verse. That's where the real treasure can be found. If you're wondering just how this is done, you've come to the right place.</p> <p>Okay, we're back to something he touched on last week. The casting out of a demon from a deaf mute boy. You can't get the name of the spirit to call him out, and Christ, only God, can do it. Christ knows every single fallen and unfallen Angel. He created each one. He named every one. But that brings us to Adam. Because Adam had naming authority as well. That should bring you to the sign of Jonah because after Adam names the animals, he goes into a deep sleep and God builds The Woman from Adam's side. Do you see how you connect scriptures here? Please pray for this pastor. He's going to lose more weight.</p> <p>Okay he had to sit for a minute, but he's up writing on the board. We're at Joshua 7:10-26. This Joshua talking to "My son" Achan. This Joshua, the sameness to Yeshua, both mean Salvation, so Joshua is a type of Christ here. Achan hid the Garment, the same exact Garment (we believe) as was given to Adam, or at least a very strong type of what that garment represents. Why is it so valuable? Why is it so powerful? Here's the important question: Why does Christ beg the dying to be saved? Yes, this is a type of Christ asking this question. Now, some will read this passage and take the EMG view! That's Evil Murdering God, or some would add the word Angry, EAMG.</p> <p>Achan took the extended hand of Christ in front of the nation. Consider the testimony here. Our pastor connects this with Samuel and Saul in 1 Samuel 28:15-25.</p> <p>We're in 2 Samuel 12 now. The Child who is born, shall surely die. David and Saul have some similarities here. Maybe we should look at these. And why not throw in Nadab and Abihu.</p>	JOSH 7:10-26 1 SAM 28:15-25	ABIHU ACHAN DAVID EVIL JOSHUA NADAB SALVATION SAUL YESHUA TYPE-OF-CHRIST			730196306564
JOEL	073	18-Aug-19	CHRISTIAN INFLUENCERS? NEVER! CONNECTING POISON GOURDS WITH TWO TREES, ETC., ETC	<p>He has to do a quick rant about these "Christian Influencers". Why are they dropping like flies? We move on to, Answers For The Internet. The first deluge of questions come from Delmar from Ohio, and it's about the poison gourd of Jonah. Yes, he figured it out, on his own, and he keeps connecting more Scriptures, and therefore more questions, and he keeps going and going. Our pastor has succeeded in warping minds into asking questions relentlessly. But people today don't have any foundation, and they keep asking the wrong questions.</p> <p>The interlude our pastor provides is about our will, and how Hollywood tries to convince us that it's possible to put our memories into a manufactured person.</p> <p>And we're not done! Questions are now coming from Maryann. Which thief at side of Christ on the cross is the one who called God the Rememberer? That takes us to connecting the two trees in the Garden, and on, and on the connections go. JOEL	074	8-Sep-19	THE HEART/MIND. JESUS KNOWS? AND WHAT IS THIS SILVER CHORD THAT WILL BE LOOSED?	<p>Our pastor gives us a short update as to his catheter ablation. He has been able to avoid the ER for 16 days now. Forty percent of those who have gone through this are back into AFib within 4 years. Pastor Chronister has much thanks to offer all of you who have written.</p> <p>Okay, this is going to be exceptional. We're getting into the relationship of the heart and the mind. Jesus says, He is the one who searches the heart and mind together. We go through many verses that give us more insight and wisdom into the heart and the mind. Cardiological sciences always thought that the mind and the brain direct the heart. They are finding out just how wrong this thinking is. The heart communicates with the brain in four ways and we learn that the heart and the mind are more like coequal in their communication. He goes over the four different ways, the pulse wave, the electromagnetic and the other systems of hierarchy are amazing. How did Jesus Christ know all this stuff? So, when will we get deep into this stuff? He'll have heart diagrams and brain connections, the blood and how that all interacts. Next week, bring your friends.</p> <p>This Sunday, we're doing Ecclesiastes 12. It says "Remember your creator before the silver chord is loosed." Guess what? We're going to find out what that is talking about. We also go over Ecclesiastes 3:21, in case you wonder if animals are extinguished and have no soul. Yes, we sometimes do controversial things here. JOEL	075	15-Sep-19	THE 7 MILLENNIUMS OF GOD. BUT WHAT DOES THAT HAVE TO DO WITH HEART ELECTRONICS?	<p>In the pregame we talk about the Saudis and the Israelis. But you don't want to know about that.</p> <p>The lecture starts off with a discussion of, Why does this pastor seem to be distracted so easily. This is the Hebrew year 5780. We do get to the two dates that two groups think is the date of the creation of Adam and Eve. That's 3,761 B.C. by one group, and 3957 B.C. by the other group. Pastor will explain. But it should be 5,986 years since the creation of Adam. All that to say, we are 14 years away from 6,000 years. Things that make ya go Hmm.</p> <p>We are now in what happened in the Flood of Noah's day. We're starting at Genesis 7:17 and on thru 8:3. And now on to Revelation 9 starting at verse 5. Hmm, there's a hundred and fifty days in both of these passages. Couldn't be related, now could they? But then, as we read on, we find ourselves back in the Book Of JOEL! Yeah Pastor! How are these connected? Because they have to be. There are 3 Arks. Christ is pictured in all of them. And then there's Ecclesiastes 12, so there ya go.</p> <p>From here I know that I can trust you to listen on your own. But you have been warned. If you continue to listen, you will be hooked and nothing else will fulfill your yearning for good Bible teaching. . JOEL	076	22-Sep-19	TIME TRAVEL AND AI. WHY? HOLLYWOOD WANTS US THINKING THIS WAY. ASK WHY	<p>As we start the lecture, we have a letter from Susan from Bakersfield, CA. She even suggested a song to go along with our pastor's preaching. Will and Existence with Christ who created all of it, and us. And that brings us to Schrodinger's Cat. This is Duality. Subatomic particles like electrons, have two simultaneous states; particle and wave. physical and nonphysical. As they move, they create magnetic fields, and that is why God hides. If you are new to Cliffside, don't worry, you'll get this, eventually.</p> <p>Now, all this leads us to what Hollywood is doing today. They are convincing people that time will not be a problem, and we will soon be able to download and upload memories. This brings up the question of Will. Existence requires Will, and this artificial intelligence attempts to negate the need for Will and therefore the need for God. All beings, all souls will return back to Him. Why are they attacking this in the media today?</p> <p>We're in Ecclesiastes 12. What is this Silver Cord described here? You'll want to find out, because when we add the heart to all this, it fits. Let's go to Matthew 15:1-20. Here, and in other places, we learn about how Christ destroys the traditions of the church. If we offend you here, Sorry. .Okay, Not really. JOEL	077	29-Sep-19	THE GREEN/COMMUNIST MOVEMENT. HOW DID WE GET HERE? YOU DONT WANT TO KNOW	<p>We start the lecture with our now customary reading of the letters we receive from the wonderful Internet congregation. The second one is just hilarious! This lady had one of pastor Chronister's lectures start playing in the Dollar Tree as pastor is saying BEHOLD!!!</p> <p>There are more letters and you'll be touched by them almost as much as we are. Okay. maybe more. But these letters are precious and you'll understand that as you listen with us.</p> <p>We are here on the Feast Day of Rosh Hashanah – Trumpets, and we're getting into Shabbat (Shuvah) Return, Yom Kippur and Tabernacles/Booths/Sukkot. Take a look at Exodus 25. The Feast Days that have been fulfilled, point to the ones that remain. Christ has nailed the first ones. What are the chances He'll do the same with the rest?</p> <p>What follows next is a discussion of the Second Coming. Jesus has gone through His Prophet phase and He died as a prophet and rose as our High Priest, and He will return as the King who reigns forever. So, sit back and take notes. This is where the lecture gets really good.</p> <p>And later, yes, we do get back to our pastor's area of intense interest. The Heart. We'll discuss, the heart, the brain, and the mind. And we happen to have a Book that was written by the One who created and sustains these things. The really cool thing is, He even talks about these three things in His Book. You'll want to hear this part because our pastor gets himself in trouble with the radical left of this country. and other countries.</p> <p>There is so much proof in the Bible that Christ talks about the heart in terms of the nonphysical. JOEL	078	6-Oct-19	LOT'S WIFE = BRIDE ABDUCTED!? AND A CONTINUING EDUCATION PROGRAM: THE HEART	<p>In the pregame part of the lecture we learn more about what is going on in the Middle East, but more importantly, we learn the implications to what Biblical Prophecy says.</p> <p>Even though it may look like what we're doing here is arbitrary, we are actually leading up to the Mind, the Brain, and the Soul. The Bible is omnidirectional. It goes everywhere. It's alive. Who makes it alive? The Mind of God is in it. Our body and our mind, though less so, are similar. This should make us look to the One who made us. He also has the ability to reverse death to life. The heart has this reversal aspect to it. Is God showing us something? We review Genesis 3:19 and Genesis 2:7, because God will reverse what has gone to dust. Fascinating stuff here.</p> <p>Now we're going to get into the workings, as well as the electromagnetic interactions, of the heart. Did you know that our heart forms before our brain when we are infants? The design process here is astronomical. Mankind has yet to solve the mind, brain problem. They don't know how AFib happens. The electrophysiological processes elude us.</p> <p>So why not leap over to the Feast Days that relate to the End Times? We have 7 days and we have ten days. What do we do now? That's right, we go and find all the tens. How about Matthew 25. You wanted the Ten Commandments? And then we have 1 Corinthians 15:50-58.</p> <p>But why not throw in Lot's wife? If you are watching on YouTube, you will hear what many Christians do not know. Pastor Chronister corrects some grave errors here. But we must get on with the lecture. after we hear some wonderful letters from some of you out there. You have no idea how much your encouragement means to our pastor and all of us on the Cliffside.</p> <p>Is our pastor going to do something new today? You regular listeners. Nothing new under the sun. Will we get a curve ball? For now, we review what has gone before. We're talking about the "breath of life". Both animals and us, got life breathed into us. And we go straight to Revelation and Daniel. Then, to John 11:25 and John 8:12. Jesus Christ is the only one who can reverse Genesis 3:19 back to Genesis 2:7. He is the only one who knows death. He is the authority on Life and Death.</p> <p>Is consciousness eliminated while under anesthesia? Anesthesiologists will tell you they can extinguish your consciousness. Colossians 1:15-17 tells us this. Acts 2:32 in some Bibles has a comma after Jesus. It's JesusGod. In this lecture we will be delving into the aspects of The Created that points us to the One who is life. So, for those of you who have wondered if what you were taught in school is actually correct, this should be an eye-opening experience for you. Now let's go to Leviticus 17:11-14 and Leviticus 7.</p> <p>2. Blood of Life 1. Breath of Life Are you thinking that the order of the adjacent numbering system incorrect? Well, you'll need to listen to this part to find out what this means.</p> <p>There are Two chambers of the human heart. Whenever you have Two in the Bible, you are now in the realm of Witnesses, which should eventually lead you to Schrödinger's Cat. Which also means we have to endure pastor's artwork on the white board. But there's a kink in this experiment, as Supper Dave tries to insert. But isn't Supper Dave always right? Dave says, the Cat is dead because the cat itself is an observer. Could Supper Dave possibly be wrong? Because, as pastor points out, God has a "slightly" different answer.</p> <p>This takes us to Revelation 17:8. The Book of Life! God is opening this Book in front of who? The Angels. IT'S HOW YOU ENSURE NO ONE WILL LISTEN TO YOUR SERMON	<p>We start the pregame show with the good news that the head of ISIS has been killed by US Special Forces. Pastor believes that ISIS will fade away because it interferes with the confederacy that will be in place at the End Times. There's more but you can watch that on the video edition of this program on YouTube.</p> <p>People are leaping ahead on our pastor's study of The Heart. But today, we will address your questions. The first and most important is about the belief that some churches teach, that Jesus Christ is subordinate to God the Father. Go to Revelation 1 and read along with us. There are many issues to work out. just in the first verse. Hebrew / Greek Congruency. that's what we're doing. I really should take pastor's challenge and make that the lecture title. You will learn things here that you can't find anywhere else. Does that mean it's wrong? I'll let you decide. Do you want to find out who God really is? "Will the real God please stand up?" Just understand. He's God. We're never going to fully comprehend Him. If we could, He wouldn't be God.</p> <p>Okay, now comes the fun. We have a letter from Jo Val from California. JOEL	082	3-Nov-19	WHERE DID JESUS PUT HIS CROSS? WHO WAS BURIED THERE? IS IT JUST GOLIATH'S SKULL?	<p>We start with a fantastic letter from a Neuroscientist. He lives on the Isle of Skye in Scotland. Along with being a rather astute scientist, he writes children's books that teach quantum mechanics. You really need to hear this.</p> <p>We begin with Jesus Christ, The Ancient of Days, The Lord God Almighty. He decides to place His cross on the exact spot where David (who has a heart after God's own heart) buried Goliath's skull. This is a portrayal of Genesis 3:15, and various trails that we need to see converging here. Jesus Christ has absolute control of His own crucifixion.</p> <p>And we have another letter from Val Jo. Oh, this one is good. Sooo many questions. "Does God have a physical heart?", is just one. And she thinks our pastor is "Fun!". and "Funny"! We are skeptical. How much is our pastor taking from the offering plate to pay these people to write him?</p> <p>Back to Genesis 6. Hey, we read here that God has a heart. And we now continue to connect verses that have to do with the heart. It looks like we will be doing some "intentional meandering" here. Understand that Jesus Christ is fully infinite God and perfect human flesh. Our pastor fills in the truths here, of which there are many. Here we will learn that the Bible, i.e. God, describes the heart as both physical and nonphysical (and not just in the subatomic). JOEL	083	10-Nov-19	JESUS CHRIST IS THE I AM. AND. THE AUTONOMIC NERVOUS SYSTEM AND THE TWO'S!	<p>Is consciousness required for the existence of reality? Yep. That's how we're starting off this Sunday's lecture. You are in church. No, you have not stumbled into a quantum physics class. or have you? But if you think that I, with my little pea brain, am about to describe to you what pastor Chronister teaches here, you are of course incorrect. We're talking about the Ultimate, Absolute Observer. I can sum up that much for you.</p> <p>Now we're going over this wonderful understanding that Jesus Christ is the I AM. He is the only one who is in the present. We have a past and we expect to have a future, but our present is fleeting at best. And God is three distinct persons, and they are the Us. He shows Himself to us, Romans 1:19-20. What may be known of God? He's God and you're not, but there is evidence of God inside of us. and we are made in (or among) the image of God. We are also talking about a free salvation; the Love and Justice of God are beyond price.</p> <p>But for today. we will start a new area of study. The Autonomic Nervous System! This system is separated into the sympathetic and the parasympathetic. There are Two. What is it, inside of me, that testifies of God? We also have Two ganglia. We have Two hemispheres of the brain. The brain is both physical and nonphysical. Is this starting to make sense? How many trees in the Garden? How many witnesses in Revelation? This may seem simple, but in all actuality, it is extremely complex. And this pastor goes on and on.</p>	ROM 1:16-20	NONPHYSICAL PHYSICAL TWO-WITNESSES			111319219476315
JOEL	084	17-Nov-19	HOW IS ADAM LIKE GOD? GOD IS INTENTIONALLY RAISING MAN ABOVE THE ANGELS	<p>As we get the lecture started our illustrious pastor goes back to this understanding of how it is that God is in us, or actually, among us. Many preachers these days want to bring Jesus down to our level. He's God. He already knows exactly how we feel. But before we get too deep into that, we have a question from the 'vast' Internet audience. It has to do with an article Kathleen found titled: Objective Reality Doesn't Exist, Quantum Experiment Shows</p> <p>Now on to the first and greatest of the Mysteries. The Mystery of Godliness. Christ/God, taking on flesh and dwelling among us. He is the ultimate Consciousness within an unlimited human body. This is the highest duality! When He said from the cross, "Father, into thy hands I commend my spirit!", He is the only one who can say this. He is infinite God, giving infinite God His infinite spirit. What is infinity times infinity? Use your phone.</p> <p>We get into the type of Christ; Adam. And we have the fulfilment of that type, the antitype; Christ. Remember that Adam is not deceived, but Satan deceived Eve. This is one of those subjects that needs to be understood. If you understand Genesis 1 through 4, you will have little difficulty with the rest of Scripture. We will get into CalN and Able next week.</p> <p>Now let's find out about the state of the Angels and the earth in Genesis 1:2. What were they like? How dark was it? Ezekiel 28 is a wealth of information on this. This is one of those lectures you could listen to over and over again, even though there are people who will run away screaming.</p>	EZEK 28 JER 4:23	ADAM ANGELS MYSTERY PHYSICS TYPE-OF-CHRIST	KATHLEEN		11211983053652
JOEL	085	24-Nov-19	CAIN'S OFFERING NOT ACCEPTED? WE SHOULD UNDERSTAND WHY	<p>We start off with a discussion on Joel, Daniel, Ecclesiastes and Revelation. We're talking about the Scriptures that teach us the correct understanding of the breath of life God gives to man and animals, and that breath, or spirit which is given, will return to Him. Is this easy? No. If it were easy, it wouldn't be written through men by God. We learn the implications of this from what can be gleaned and confirmed with Scripture.</p> <p>Now we talk about the heart of David, the second King of Israel, which takes us to the second King of Eden. Yes. Adam. Nothing in Scripture is coincidence. Remember Who wrote it. Our pastor reminds us of the parallels and the two's with Saul, David and Adam. Then you have an Old Testament Saul and a New Testament Saul. Saul is renamed. So, who is the first person renamed in the Bible? That's right, Eve. And. if I were to try and keep up with where this pastor goes with all of this, you would be even more confused than I've already caused you to be.</p> <p>But now we move on to Hebrews 11:4. Because you have to understand this passage in order to fully understand Genesis 4 and 3:21-22. But the understanding of the two sacrifices of Cain and Able is important stuff to know. Why? Because we have an in depth question from Gabriel, one of our astute Internet listeners, asking pastor for the correct understanding of Genesis 4. Yes, pastor Chronister has taught this before, but why should we make you try and find it among the many hundreds of lectures that are on the Internet? Because last week, just before the lecture, he had to be driven to the hospital with a heart rate of over 125. But this week we start out with a few letters from a few of you kind people in our beloved Internet congregation. Some fantastic questions and observations, and even some humor.</p> <p>Our study in the Book of Joel has finally led us to the Book of Daniel. Daniel 12 to be exact. And we'll want to take a look into the final words of Solomon; the wisest person post flood. But first. (And for those of you who are new, our pastor has been delving into anything medical he can find that references his atrial fabulation.) He talks a little about drugs vs. surgery. Ablation surgery. And this leads him to an article from Heisenberg talking about 'Matrix' style uploading of memory and knowledge into humans. Have they done it? No. Will they? No. Sorry to spoil it for you. JOEL	087	15-Dec-19	WHAT DO THE 144,000 DO? MOST DON'T EVEN KNOW WHO THEY ARE, NOT ALONE	<p>In the pregame show we hear about the advancements that are being made in knowledge. Not knowledge of Christ. knowledge of things. This is not good. Pastor explains why. (This portion will be included on the YouTube video).</p> <p>As the lecture begins, we go back to the bread of the sop and the question that Lucas asked our pastor. Most would say, "Who cares?", but we say, "There must be something amazing here." We are right of course. Okay that's my attempt at humor. So, let's go to Matthew 26 and Zachariah 11 to glean the meaning of Judas taking the sop of Christ, and there are all sorts of things that could be added in to fill out the meaning of this. But if the 'most' are right, we are lost indeed. Take peace. we are not lost. We have the Word made flesh and a pastor that honors Him. In this church we bid ignorance and illiteracy, take flight.</p> <p>Now, the above goes on for most of the time allotted, by Therithity, for the lecture. But we do get back to a question posed by one of our SermonAudio/YouTube audience. What about the 144,000? Do they actually go out and evangelize the whole world? And where is your proof? Well. here you go. These are young Jewish evangelists. We go to the answers that Jesus gives in Matthew 24:3. You can listen in from here for the answer. JOEL	088	12-Jan-20	BLOODY STUMP IN THE MAIL AGAIN! AND ANSWERS TO MORE OF YOUR QUESTIONS	<p>In the pregame show we learn that God does not predict anything that's going to happen in these end times. He Knows what is going to happen!</p> <p>The lecture starts with this question: What causes this hatred for Israel? Why is there so much antisemitism in these times? We are approaching the time of Jacob's trouble.</p> <p>Before we went on break, we were equating Exodus 3:14 with John 11:25. Jesus says, "I AM THAT I AM!" See also John 8:24 and 8:58. Also. John 8:12 and Genesis 1:3 are the same. Life comes from Life. Light comes from Light. Existence comes from existence! Consciousness comes from Consciousness. The evolutionists hate these things. They hate John 14:6. Jesus gives His life, Genesis 2:7 and John 19:30.</p> <p>The letters have piled up, and our pastor is so slow at typing that he has to try and answer some of your questions in the lecture today. And, of all the questions, he starts with one on Judges 19 and 20. You can look up what he's done before with this passage on SermonAudio. One of them is titled, A Bloody Stump In The Mail? But for now, just follow along. Nothing is insignificant in this passage. It's very mysterious. What is going on here?</p> <p>And we have more letters. So here we go. Enjoy. WHAT HAPPENED?	<p>We start today's lecture with what you might think is a quantum mechanics discussion, but upon further inspection he's actually talking about the state the earth was in at Genesis 1:1-3. How did the earth get into utter darkness? Would God create absolute darkness? Okay, now you've got to resolve this. Apparently, God doesn't create absolute chaos. So, how did this condition happen? And how does any of this have anything to do with the condition we will be in at the moment God resurrects us? Well, if you just read what I'm writing here, you'll never know.</p> <p>And later in this lecture we find ourselves in a discussion of the Book that is talked about in Daniel 12. JOEL	090	26-Jan-20	A BLOODY STUMP: . PART 3! AND, DOES THE MIND REQUIRE THE PHYSICAL TO EXIST?	<p>We always have entropy and uncertainty and now we have Dark Matter. No one has ever found it. But it's unseen? The Bible deals with unseen all over the place. Your life force is unseen. Colossians 1:15-17 and John 4:24 talks about the unseen God. We see the Creator in the invisible and they see Darkness. Ironic. But they don't equate Dark Matter to the spiritual. They can't. How do you find God if you can't see Him? A body was given spirit in Genesis 2:7.</p> <p>We get into brain processes, which cannot and does not produce subjective experiences. The physical reality is not required for the mind to exist. Also. the mountains are the results of the flood. Why do we worship physical things? He says, "Worship Me in spirit." We discuss the wisdom of George Berkeley. He taught that the spiritual has no need for the physical, but the physical has to have the nonphysical to exist. We refer you to the verse that asks us, "How long, you simple ones, will you love simplicity?" Our subjective selves don't need the physical to exist. Back to Genesis 2:7 we go.</p> <p>But alas! We must get back to our most popular topic which is entitled "A Bloody Stump In The Mail?" This is Judges 19-21. We have a letter from Wendy from Dallas Texas asking serious questions about this. And rightfully so. This is not your regular passage. It's Extraordinary! What Evil is this? What caused this? This is Genesis 6! This is Genesis 19:20. And if you think that sodomy is what got Sodom destroyed. think again. You have to have a conclusion here that measures up to what God calls Great Evil.</p>	JUDG 19-21 GEN 6	CREATOR ENTROPY EVIL PHYSICS SODOM SPIRIT UNSEEN	WENDY	TX	1302071186924
JOEL	091	9-Feb-20	A BLOODY STUMP: . PART 4! AND DARK MATTER, THE MYSTERY OF 666, AND 144,000!	<p>We start this lecture with Dark Matter. Again. The construction of the universe is a mystery and the people who have taken authority over this subject cannot explain what is Seen. So, they make sure they convince us that 85% of the universe is made up of Dark Matter. Dark Energy, they say, makes up 95% of the energy. We at Cliffside, are suspicious. I could let you know what our pastor says about all this. I could. But what's the fun in that? Okay, I'll shut up.</p> <p>So, let's get on with the next part of this lecture. Revelation 13:18 and Daniel 12:10! We are told that it is wisdom to understand the number of the Beast. It is the number of a man. We start with Revelation 13:1. Now, how did a man get in the Abyss? And Satan calls him out of the Abyss so he may join with him. This pastor will help you understand The Eighth Mystery, the man of sin, the anti-christ. We are commanded to know all we can of these eleven Mysteries. Only the wise will know it. Can you be one of them? Well, of course. We'll help you. Easy as cake, piece of pie.</p> <p>We'll get back to the 144,000. and what about the tribe of Dan? And then, what about the gentiles? These 144,000 are Jews. They are from Israel. They are saved. But there's more.</p> <p>And finally. We get back to "A Bloody Stump In The Mail?" And we have a letter from Sherri. She speculates on this topic. Wow, this is good. You'll love it. One of the most horrible things the Jews have ever seen. And the tribe of Benjamin refused to hand over those who did it. What is 'it', you ask? You'll have to go back through the last four lectures to figure that out. JOEL	093	23-Feb-20	A BLOODY STUMP? . IS ENDING? WE HAVE TO GET BACK TO DANIEL AND REVELATION. JOEL!	<p>In the pregame show we are warned about people wanting to take away our choice, our free will. These people want power, and they will say anything to get as much control over us as they can grasp.</p> <p>And we start the lecture with this pastor's end to delving into the seeker sensitive, warm and fuzzy. Bloody Stump In The Mail. To establish the meaning of this passage of Judges 19-21, we must go back to Judges 17:6. The people in this timeframe are only one generation from Moses and Aaron. Everyone was doing what they wanted. and the Ark of the Covenant, the symbol of Jesus Christ. the very presence of God, the Shekinah Glory, is Right There with them! What has gone wrong? There was no King in Israel! They wanted a man. And so they rejected the King of Kings! Our pastor sets this all up for us quite well. And then he brings this study to its end.</p> <p>Now we can get back to Daniel 9, 10 and 12. And the connection to Revelation 1, 2 and 3, and 4:1. Only the wise will understand. Are you willing to be counted with them? I know. Supper Dave (that's me) is becoming a bit blunt. If you think I'm blunt. I'm just pastor Chronister's kind and gentle alter ego.</p> <p>You know?. I think I'll just let you listen, so as to not have you prejudging what is to follow. Decide for yourself, but I'm here to tell you. JOEL	094	1-Mar-20	IS IT PAINFUL TO BECOME WISE? THE GOOD NEWS IS. ONLY YOUR BRAIN WILL HURT	<p>We start this Sunday's lecture with a letter from a dear lady in Texas. She says she's going to start sharing the gospel by using Zachariah 12:10. She talks about the previous ways she has learned, and determined they were all ineffective.</p> <p>And now. we are back to the numbers of dates and years to figure out what we at Cliffside call. Really Cool Stuff! We are finding out about Daniel 9:25-27 and how important it is to learn how to count. In other words. we are figuring out the 173,800 Days! Now, right about here, is where we start weeding out the people who do not wish to be counted as "The Wise". This is special, because we know that no one will know the "day or the hour", but God didn't say we couldn't know the year or the month or the week. And no, at the end of this lecture, you will not be asked to buy Steve Chronister's book. You see Christ wanted people to know the year of His crucifixion. He made it figureoutable! He's taking the steps of the Hebrew Betrothal Ceremony, and it's our job to learn what step He is on. God has appointed times that reveal Him. The goal is to become one of the wise, Daniel 12:10.</p> <p>In short. if you came here expecting 'easy'. this is not. And if I would continue to lay out for you what our infamous pastor is teaching here, I would probably spare you some pain. So. I'm just going to hope that you endeavor to persevere and endure the joy of becoming wise. JOEL	095	8-Mar-20	THE SEVENTY WEEKS = WISDOM! YES, THIS DANIEL 9-12, WITH A LITTLE QUANTUM THROWN IN	<p>As we start, we find ourselves bogged down in Daniel 9. But you have to add a lot to this in order to understand it. Pastor gives us an auctioneer's type list of all these, so you have a pause and rewind button. Use it. We're dealing with wisdom and understanding. So, if you have no interest in those two things, this is not the place for you. You're always welcome to come back when you want to.</p> <p>The wise will understand the 69 weeks of Daniel, but none of the wicked will know. This is Daniel 9 through chapter 12. It's going to be an easy week compared to what you'll get buried with next week.</p> <p>This week we are going to talk about the Hubble Constant and the Heisenberg Uncertainty Principle. Oh, come on. It'll be fun! We learn that Quantum tunneling is the probability of a subatomic particle to tunnel through an obstruction. See, it's fascinating, right? Now, is it possible that I, your friendly Internet Supper Dave can help you understand any of this? Well, no. But our pastor can. He'll make it easy and fun. Is this theological? You'll see.</p> <p>Now, back to Daniel 9, which proves that Jesus Christ is Creator God. Let's look at Daniel 9:24, the words of Gabriel to Daniel who was praying. So, if you want to see Gabriel, pray like Daniel. We like to give you something to aspire to here at Cliffside.(-; Okay, now it gets good. So, I can expect you to listen from here on your own, right?</p> <p>Thanks so much for listening and supporting this ministry. JOEL	096	22-Mar-20	THE PALE HORSE AND WORLD WAR! WHEN SHALL THESE THINGS BE? ARE WE THERE YET?	<p>We start our lecture today letting people know what our circumstances are up here. The auditorium is empty, but we are broadcasting live on Facebook.</p> <p>What is important? What is meaningless? These are questions our pastor covers. And what does Israel have? Who is a friend of Israel? What kinds of advances, post flood, are we seeing today? Luke 21:17-34, we've been told to "Watch therefore". So, what is the pastor going to do today? How about, what is the distance between Zero and One, or Indeterminacy and, who is the One who cannot be defined? He was going to do electromagnetic resonance, but alas, our current situation dictates otherwise.</p> <p>Today, we're doing Revelation 6! The 4 Horsemen. There is much disagreement as to their definition and their timing. But we have to backup to Revelation 4 and Revelation 5. The 4 living creatures and 24 elders. Then you have the Lamb of God. He takes the book from Him. Who is He, and who is Him? Daniel 5 and Revelation 7 are both describing the same thing. And Matthew 6 is talking about this Messianic Kingdom. Christ now takes possession of the Kingdom. But what Kingdom?</p> <p>We start the sermon at Revelation 6, verse one. So now we have need of a list!</p> <p>1. White Horse Rider Bow / Crown 2. Fiery Red (War) 3. Black Horse (Famine) 4. Green / Ashen Pale Horse (Disease?) JOEL	097	5-Apr-20	ON THAT DAY. WHAT DAY? COULD WE BE GOING HOME SOON? LET'S TAKE A GOOD LOOK	<p>This is a quarantine sensitive lecture. Skeleton crew, doors locked.</p> <p>Pastor starts the lecture telling us that about the cashless society we're moving into (which John talks about nearly 2000 years ago). And then there's the drug therapy that seems to be very effective; the efforts that are being made to provide a neutralization of this virus.</p> <p>China shut down so many of its cities to combat this. That should give us a clue. They're finding out now, that over thirty feet is the actual safe distance to assure non-infection.</p> <p>The challenge for our pastor is, what to leave out of the lecture. There's so much he needs to convey. In the weeks to come, if the Lord tarries, he will get to lay out those things. Things like, "Why are there no magnetic monopoles?" . cool stuff like that.</p> <p>Now we are back to, the taking of the scroll by The Lamb. The Lamb is taking the kingdom. This is a judicial event. But why? And the questions abound. You have a pause and rewind button. You'll need them. These things launch Revelation 6, The Four Horses and Horsemen. Worldwide War. Great earthquakes. Have we had one of those? Famine and Disease. And fearful signs. No Famine yet, but every country has this corona virus.</p> <p>To answer these questions, we'll go to the first Adam, and to Passover. This year we have a Wednesday Passover? Thursday, Friday and Saturday, the Sign of Jonah? Go to Matthew 28:1. the word is Sabbaths, plural. Don't worry. Pastor explains. JOEL	098	12-Apr-20	H-BOMBS AND RESURRECTIONS? EVERY CHURCH DOING NUCLEAR FISSION, SO WE JUST HAVE TO!	<p>This is actually the Feast Day of Bikkurim, or First Fruits as we gentiles call it. Pastor explains how they determine the Feast Days. Ishtar actually falls on this day as well. This is the Feast Day of The I Am, Exodus 3:14 and John 1:3. So, we're going over some things that we, here at Cliffside, already know.</p> <p>Let's go to 1 Corinthians 15:12-28 and learn about the Resurrection. Our resurrection and that of Christ's. Christ is the First Fruits. He will deliver the Kingdom to God and bring an end to death. Why are the resurrection of Christ and the resurrection of man tied together? Why, if none are resurrected, then Christ is not resurrected? Jesus could have raised Himself, but the entire triune Godhead raised Him up.</p> <p>The incredible power to resurrect the infinite Christ is immense. Christ delivers the Kingdom and then the Three who are One will restore it (at the end of the 1000-year reign). He must reign until all His enemies are put under His feet or put to death.</p> <p>And that's just the introduction. Now, we get to Revelation 4, 5 and 6. The Four Horsemen. The age of the Gentiles began 586 B.C. The Beginning of the End. But the End will not come immediately. And thus, the learning starts. So, buckle up. So, lower your expectations and hope for the best.</p> <p>The beginning of the end of the age of the Gentiles has to do with the overthrow of the strong nuclear force. That's the gaining of the knowledge for the splitting of the atom between 1945 and 1952. How is that even possible? And, how long is the end of the age of the Gentiles? I would give you my notes on this, but I want to save space for the other stuff he's going to cover. But if you like the quantum physics he does, you're in for a treat.</p> <p>We are just about to the place where God will intervene.</p> <p>And now, as promised, we go back to 2 Kings 5 and 6, to expand on some lectures he did at the beginning of 2009.</p> <p>And pastor gets into the tribulation and the taking of the mark of the beast. What are the consequences of taking the mark? Just as the door of the Ark closes, so it is at the taking of the mark. And now we're in a discussion of Light and the lesser lights.</p> <p>As we read along with pastor, Revelation 21:17 thru 22:5, we're talking about Jerusalem and the restoration of all things. Why has He ended things that He has ended, and not ended things He has not ended? The thermonuclear device has not ended, the sun. We're talking about the period after the 75-day interval, The Millennium. There will be darkness but after, it will be removed. There's no Temple. The whole city is the temple. We might even start going live on Sermon Audio. If you would like to help with that, contact "he who must not exist", the infamous Supper Dave at cliffsidensermon@gmail.com or (907) 240-7841.</p> <p>Pastor starts the lecture talking about Max Planck and our favorite subject here at Cliffside. Quantum Physics! It proves that Jesus Christ holds all created matter together, John 1:1-4 and Colossians 1:15-17. It's the mystery of the subatomic world. It's how we determine reality. There is a secret element to Quantum Physics which is Matthew 6:6. We are to worship God in secret. He is invisible and secret. Christ is the visible of the invisible. Quantum Physics attaches to the secret and mathematics attaches to imagination, and that is consciousness. We talk about probability states and about uncertainty, and superposition, and observation which collapses clouds to particles. Because Quantum physics validates everything we know about God.</p> <p>And now we move back to Revelation 21:17-23. It describes the New Jerusalem in the time of the Millennium. Pastor reviews what we learned last week and expands on it. And he moves on to Daniel 12. Pastor reads and explains. This is really cool stuff. And we combine Daniel 12:2 with 1 Corinthians 15:20-23. We're starting out today with Hebrews 13:5-8. And as pastor starts to read, you should immediately see the relation to Matthew 10:28, and understand the importance of when He said, "I will never leave you, nor forsake you." Of course, the writer of Hebrews knew some things. We're talking about this, because there is a desire by some that any book written by Paul should not be in the Bible.</p> <p>This passage in Hebrews should also be connected with Genesis 28:13-15 and John 8:24 with John 8:58. But let's read the Genesis passage first. I Am the LORD thy God. pastor explains some really good things here. It also connects with John 8:28. Jesus walks through them in this passage. Pastor also gives us Matthew 22:29-33. And he continues in Genesis, with insight you just might like. People do not like Grace. And they love being wrong.</p> <p>There's much more to this part of the lecture, but you'll like listening on your own (if you're not a Pharisee). So, enjoy the warm fuzzy portion of the lecture. Yet, we are religious professionals and rotation and 'wheels up' has occurred into our study of Scripture. But wait. he's starting off with "Zero" and "Infinity". Not what you expect at a Baptist Church but trust me. you'll like it. Now we are in math class. and Behold! The instructor is making it Fun! Okay, 'Fun' is relative. Will this help you understand Scripture? Believe it or not. yes.</p> <p>Those who understand the Name of Christ must understand Infinity. and the math class continues. JOEL	105	7-Jun-20	JESUS: PETER, DO YOU LOVE ME? BIBLICAL GREEK VS. CLASSICAL GREEK. WHICH IS RIGHT?	<p>We start again with a report of the Covid situation as it concerns our church and the local area.</p> <p>The country is disintegrating. What's with this push to defund all law enforcement? But the Bible predicts that world will go into madness. An exponential increase in madness. Comforting? Pastor says so. And, unsurprisingly the jury is still out on whether you liked pastor's discussion on Zero and Infinity, or the ACE2 Receptor portion of last weeks lecture. But when you recognize that the Mind that put all this in motion and sustains it all is Infinite, you understand it has to be the God of the Bible. You'll really like our pastor's description of God here. Kind of like, "Will the real God please stand up?"</p> <p>And now we get to a letter from Jerry. He has concerns and questions. and we are here to help. Unlike, "We're from the Government, and we're here to help." Hopefully, we do a little better than that. Pastor lists a few passages of Scripture and gets into it. Peter says, Lord, save me. And immediately Jesus saves him. But after that, the discourse between Jesus and Peter is the issue for Jerry, where Jesus says, "Do you love me?" I'm not going to try to explain this for you, but please listen. It's very important for you to know the two ways to approach this topic. They are contentious positions of what Jesus meant when He says 'Love'. JOEL	106	14-Jun-20	SO, WHAT IS GOING TO HAPPEN? LET'S UNCOVER THE DAYS OF NOAH AND LOT	<p>Our pastor informs us of what this worldwide uprising could mean. And we have an Announcement! A new semi-cool Cliffside website is in the works, along with a smart phone/tablet app. They will all have video and audio. More on that later.</p> <p>The first part of the lecture might interest a few of you. You guessed it. We're learning more about ACE2 Receptors. This is how Covid 19 gets into human cells, and we also learn what it does once you're infected, and how it gets into people in the first place. But, because he is very susceptible to the devastation of this virus, he has done a lot of study of this topic.</p> <p>So, what is going to happen at the end of the age of the gentiles? We're in Luke 17. You'll understand some things here a little more clearly after listening to this. We end at one of our favorite passages. Remember Lot's Wife! Oh, the hidden things of Scripture. This church is known for teaching you how to dig into Scripture and uncover awesome stuff! Pastor lists a few passages to help us.</p> <p>We get back into The Days of Noah. and The Days of Lot. And here's a new idea:</p> <p>Days of Noah = Days of Christ. Genesis 7:4, 7 days. Genesis 6:3, 120 days. Revelation 19:11-21 And. Day of Noah = Day of the Son of Man.</p> <p>There are warnings in here that are extremely interesting. Just listen to this part. I don't want to spoil it for you. There are things here you may have never considered with the Days of Noah and the Days of Lot.</p> <p>Oh, we do get back to Mary Magdalene, Thomas and "Simeon" Peter. We want to thank all you real, actual people for taking the time to write our pastor. 1. He likes it. 2. It helps him to deal with questions that are currently in need of answering.</p> <p>First, the worldwide virus. Education time! The church is the place where people used to be able to really learn true, known stuff. We continue that lost tradition.</p> <p>Where is the world with respect to Revelation? We are in a deaf world. God is shouting and no one seems to be listening. Pastor thinks we are at Romans 1:18-32. Suppressing the truth in unrighteousness. Sound familiar? And people repress the truth of Genesis 1:26 and 3:22. People are not being thankful and don't glorify God. There is The Truth, and then there is The Lie. These are persons and people are exchanging one for the other. And pastor goes through Romans 1:24-32. The Truth is, God Gave Himself.</p> <p>You don't sin because you have to. You sin because you want to. Pastor brings this up because of some supposed controversy in Hebrews 10.</p> <p>But back to Luke 17 and the Day and Days of Lot and of Noah. See previous lectures. JOEL	110	26-Jul-20	ADAM AND EVE: WHAT HAPPENED? IT'S NOT A SIMPLE STORY, BUT THE TRUTH IS EXTRAORDINARY!	<p>We start with a concern from some ladies in Bakersfield, CA wanting to know our pastor's opinion of the COVID-19 situation.</p> <p>But some want to know more about his insight on Adam and Eve. Most of the answers are unknowable, and we focus on the known. It is not simple. The fig coverings alone would take years to study. The 'tar and feathers' if you will, are a confession by Adam and the Woman. And our pastor dutifully spends some time laying out the questions and the speculations we can be certain of. Adam is a type of Christ and is protecting Eve. The LORD God is there in physical manifestation which is Christ Himself. This alone is worth your time in watching or listening to this lecture.</p> <p>We have questions from Maryann, serious questions. which we like here. These are questions on Adam and Eve and the nature of God. Our pastor spends the majority of his time today getting into the detail of what actually occurred in this absolutely true story. And I'll take time here encouraging you to read or listen to the book, "Adam And Eve: The greatest love story". It's a story of the first couple and the Angels, both fallen and unfallen, and Satan. and, the murder of Cain by Able to the death of Eve. You'll find it on the Resource page of our website.</p> <p>But our pastor just has to plunge us into biology class once again. I won't bore you with an explanation of this segment. I'll let pastor bore you instead. Yes, I'm kidding. JOEL	111	2-Aug-20	THE VIRUS: WHAT, HOW, WHY? AND GREAT WICKEDNESS BEFORE THE FLOOD. CONNECTIONS?	<p>A little while ago our pastor introduced a quote by C. S. Lewis, God shouts in our pain! From his book, The Problem With Pain. There are problems with pain. What are the questions? Why is there pain? And he goes further into this very concerning topic. What are the differences between pain and death? Pain is wrong. it is evil. Death is unmasked evil. Why is pain wrong? Why are there viruses?</p> <p>And that takes us to where we are today. Theological – Immune Defense. We learn about the Febrile response and Pyrogens – Heat, and Hypothalamus. Did Adam have an immune system? Did he need one? .No. But did God install these systems in him. in us? What are the implications if He did? This will all make sense soon. Be advised, 'Soon' is a relative term at Cliffside. Why do we have deadly small things? Ah. the ground is cursed. but it's for your sake. And that takes us back into this automatic virus. so listen from here and get educated.</p> <p>But at 50 minutes into the lecture. we start the lecture. Wickedness in Genesis 6. And Moses's body, where is it? And The Resurrector. And Christ's Body. The Life is in The Blood. But he ends with, "We are a soul that has a body." JOEL	112	9-Aug-20	HOW LONG WILL GOD WAIT? HE IS PERFECT JUDGMENT AND PERFECT GRACE. PUTTING IT TOGETHER	<p>Today. we are not going to be doing microbiology! Instead we will be delving back into the horrible position that God is the author of evil, ignoring the truth of creation. It is what Satan did with the Angels who fell. It's free will and the compatibility to God's Omniscience. Yes, these things are tied together. If you are not getting that, just stay for a while and listen. This pastor has an ability to take the very complicated, and make sense of it, so you know how and why things work.</p> <p>We're in Genesis 3:4 and from there we go to Genesis 2:7, Genesis 7:22 and Leviticus 17:11-14. All this leads us straight into Genesis 1:26 and Genesis 3:22.</p> <p>But Bill the Cow, married to Crazy Becky, called, and is looking at Psalm 10 as it relates to Luke 17 due to pastor delving into the Hebrew Betrothal Ceremony. We are getting close to the abduction of the bride. So, we talk about the countries to watch right now. Turkey and Erdogan. It's time for me to listen to the lecture and I would encourage you to do the same. He's talking about perfect Judgment and perfect Grace, and 'It will get worse before it gets much worse', and 'Good health is only the slowest possible rate by which you die. So, who's going to save you from death?', and two fig trees, and 'It's all about Christ'. Okay, now you can listen.</p> <p>Now we read Psalm 10 and Proverbs 6 so we can see how they connect. We started this whole mess with Horizontal Asymptotes. Last week we were in Psalm 10:6, they say, we will never be in judgement. That's what is taught in the vast majority of our higher learning institutions. So later, we will be discussing risen bodies. Revelation 20:11-15 and Daniel 7 is involved in this. We've done Origins of pathogens and things that have toxicity. Why do these things exist? A long time ago we talked about Motion. There's a fantastic relation between Zero and Infinity. And in Acts 2:32 it actually refers to Christ as JesusGod. He can witness motion, and He can also see between motion into motionlessness. He institutes and establishes time and time has direction. And we get into a discussion of singularity and infinity. To not understand God, you just take out His Omnibenevolence. JOEL	114	23-Aug-20	ADAM + MOSES = TYPE OF CHRIST! OVERLAY THE TWO TO SEE JESUS. HERE'S HOW	<p>The lecture starts with Consciousness is not commutable. And our pastor covers a quick litany of where we have been and how we got to where we are now. 'Quick' is relative at Cliffside. He culminates this with. God says, I am the Lord and I change not. And Time is not reversable. Created beings like us are locked inside of time, and God is in authority. Pastor goes over the "I Am"s.</p> <p>Ah. a new word. "Digressrant" because today we're going to go to Adam, Moses and Jesus Christ. Adam has his scripture, Romans 5:14, as does Moses, Deuteronomy 18:15. Adam and Moses need to be looked at as one, so we can more clearly see Jesus. Just overlay the two and compare them to Christ. This is the Jude 9 discussion where Satan and the Archangel Michael contest for Moses's body. Connected to this is Genesis 2:7. The commentary pastor gives us on this is really good. Who had a body first? And, did God take His time to make Adam's body? Like creation, there's an order to it and it's important. The Angels are watching, and God is always teaching His created. How long did Adams body lay fully formed before God breathed life into it? The child Christ is called "The Holy Thing".</p>	ROM 5:14 DEUT 18:15	ADAM ARCHANGELS CREATION MICHAEL MOSES SATAN HOLY-THING			91207417291
JOEL	115	13-Sep-20	THE HOLY THING AND EVIL THING? HOW DEEP IS THE MOSES/ADAM TYPOLOGY?	<p>We are back and operating. But in what state are we operating? (That is a Schrodinger's Cat reference BTW.)</p> <p>We're continuing on with the Body of Adam, The Body of Moses, and The Body of Christ. The King James calls Christ at conception in Luke 1:35, The Holy Thing. That is correct. Other versions might say Holy One, and that is alright because it brings us to Psalm 16:10, which refers to three days, three nights, Sign of Jonah. The Holy thing also says, He is The Manna. and Manna is a test. He is The I AM That I Am in Exodus 3:14. He is The Bread of Life. But somewhere in the Bible there must be an Evil Thing.</p> <p>Now we get into Rosh Hashanah this month, and three of the fall Feast Days have not been fulfilled. We discuss how far the church has gone into darkness. Could it be this Feast Day that Christ calls us home? How soon will the Evil Thing be revealed?</p> <p>Adam and Moses are Types of Christ. Adam was placed in a deep sleep. I'll let pastor describe what this means along with the building of Eve. Adam and Christ, Water and Blood, incorruptible. Both were pierced, pastor believes in the exact same location, and Christ will descend where He ascended in the exact same spot. He will split the Mount of Olives. And the connections and inferences continue, and he asks stupid questions because he is the highly trained religious professional (H.T.R.P.). We get into the Lie of Satan, vs. The Good Shephard. JOEL	116	20-Sep-20	WHAT DOES RESURRECTION PROVE? WHAT IS THE ANATOMY OF RESURRECTION? IT'S AMAZING!	<p>We start today by addressing the Feast Day of Trumpets. associated with the abduction of the bride. That's the pre-game show.</p> <p>As the lecture starts our pastor again covers a few things that have led us to where we are today. backing up the bus to pickup the stragglers, of which on any given Sunday could be a virtual multitude (we wish). The hatred today is more than we have ever seen in this country. The indoctrination of our children with the complete lack of the truth of our history. But what is the thing you should be looking for? Yes, evil is one. but genetic manipulation is another, to keep people alive in their sin indefinitely.</p> <p>But on to our recent area of study. The Body of Jesus Christ. It cannot go into corruption. Then comparing Christ's Body to Adams and Moses' body. Genesis 2:7, the body of Adam is made with a fantastic amount of Angels gathered around. How long between the forming of man and the breath of life breathed into him? God breathed into Adam the spirit, soul, consciousness and his mind. Pastor goes into all the other things that are commissioned in Adam's body. But living beings are never defined as a body. And the resurrection of the physical body is proof that we have eternal life. Mankind has never been able to answer the question, "What is life?". Pastor goes on to describe the resurrection of our bodies, because if we are resurrected, Satan's lie is dismissed.</p>	ECCL 12:6-7 GEN 2:7	ADAM ANGELS EVIL FEAST MOSES SOULS SPIRIT TRUMPETS			92420713103512

He will deliberately reveal Himself by taking Moses' life and duplicating everything he did. He will take these things in His life and portray them. The teaching here is more valuable than anything being done from most of the pulpits today. If you're saying, "Yeah, right." this lecture might be for you. okay, not likely, but our hope for you is immense. even with our lowered expectations. There is much to learn here, and this pastor is known for taking on these important passages.</p> <p>So. it looks like our pastor is going to spend a good deal of time laying out the case he has so dutifully presented. JOEL	118	4-Oct-20	CHRIST = ROCK. MOSES? THE ADAM, MOSES, CHRIST MYSTERY. IT'S NOT APPROPRIATION!	<p>We start today with an update on the Rona situation in Anchorage. It's not good. And we have the news story of a tomb discovery that confirms Scripture.</p> <p>We're continuing (probably not a word) with the mystery of the Adam, Moses, Christ typology. The scholars say Jesus appropriated Adam and Moses. But then you have to contend with the fact that He is outside of time. I'll let our pastor explain. Inside of time you have sentient beings, so we can understand how these idio. I mean, people could come up with this way of thinking. and it's okay, just as long as they know that they're wrong.</p> <p>We go back to what the Angelic host heard. The Triune Being speaking at the beginning. And the Angels were witness to all the things that transpired. Adam and Moses are given as examples, types of Christ, for our sakes. By studying this we can deduce Adam's and Moses' thoughts. We now go to the things in Scripture that compare Adam and Moses. See Scriptures listed on our website and app for reference. Or, better yet just take good notes. (Our pastor actually admits to ambiguity. just this one time) The examples are numerous and profound. The killing of the rock by Moses and how it pertains to the killing of Eve with the fruit (fig). If that makes any sense to you, you have been listening to this pastor way too much. Maybe getting a life would be a good prescription. Otherwise, you'll need to listen to all the things this pastor puts together. Fascinating stuff. Christ = Rock. There's Rock 1 and Rock 2. You're about to learn something in church. I know. that's just not done in churches anymore. Sorry. Not really. Fake sorry.</p> <p>We're taking an assessment of all of the pieces our pastor has amassed for us. The Word of God is infinite because we're dealing with an Author who has infinite intelligence. We start with these four verses:</p> <p>Romans 5:14 Deuteronomy 18:15 Psalm 16:10 Acts 2:31 And those lead us to: Genesis 2:7 Ecclesiastes 12:6-7 Luke 1:35 John 17:15 Genesis 3:15</p> <p>That's where you start, but here's the analogy. When you have hundreds of plates spinning, what do you do? You add more plates. And today we add on The Continuity of The Mind/Soul/Spirit. John 20:25, Thomas's unbelief, then belief. Start with Genesis 28:10 and keep reading along with us. Then just add in Exodus 3:6, Exodus 3:14 and Matthew 22:29-33. See. It's easy. Add more plates. Oh, and Hebrews 13:5. The Continuity of the Body and the Continuity of the Soul are two promises Christ Gives.</p> <p>If you're confused at all with the above lecture description, it's okay. I would be too. and I wrote it. Just press play. This pastor actually makes sense of it all and ties it all together loosely so that we can continue with some great starting points for study. The sound will improve as soon as possible. The plan is to transition out of our temporary location to a more permanent temporary location. We will not be going back to the old facility.</p> <p>On with our lecture. We are at Genesis 6, Genesis 18-19, Daniel 7:9-14, Luke 17, Jude 9 (Satan wanting Moses' body) which corresponds with Deuteronomy 34:7, Matthew 17, Revelation 11, Deuteronomy 18:15 and Romans 5:14, while keeping in mind Genesis 2:7. There's more, so take notes and watch the video on our site, www.cliffside.org and our app (available on the home page of our site).</p> <p>We're talking about The I Am that I Am and Jacobs ladder, which is about resurrection. And it all starts with one sentence, Jude 9. We move on to John 19:41, the new tomb in a garden.</p> <p>Now think about what happened with Job. The entire Angelic host was watching, and Satan was watching Job. and now we can see the lies of Satan which was first given to in Genesis 3. Let's go and read Job, where God asks Satan a question. God knows what that answer will be and wants Satan exposed. Pastor Chronister explains what's going on here. You'll see that Job and Adam fit. They provide testimony against Satan that is unassailable.</p> <p>Does this guy change the subject? Oh, yes. Will you like it? Well, why wouldn't you? It's a mystery subject that you will only discover upon pushing play on this device. But Lo and Behold. he brings it back to the question in Job. But wait! Oh! JOEL	121	22-Nov-20	WILL THE REAL SATAN. PLEASE STAND UP. AND, SATAN CHALLENGING GOD. DOESN'T GO WELL	<p>Pastor starts with the pre-game show. Interesting stuff about Israel and the virus. We begin with a new addition to our Joel series. We have been hinting at it. let's add in Job!</p> <p>Here's something very interesting. We have Job being Tested by Satan. Wasn't Jesus Christ tested by Satan? Oh, yes, Matthew 4. Our pastor suspects that Satan has been told by God to leave, before Matthew 4. We get into the association of Adam and Christ. We're comparing Job and Adam. Don't both have a hedge around them? Let's add in Moses, Deuteronomy 18:15.</p> <p>But let's read again Job 1:8 thru 2. We suspect that when God and Satan are having a conversation, the entire Angelic host is in attendance. Satan challenges God to touch Job's immune system but there is no permission to kill. And Satan touches Job as God allows him to. What kind of knowledge does Satan have of biological structures? Satan is unsuccessful with Job, but Job's wife on the other hand is taking the side of Satan. Think Eve. think Zipporah and Moses. Pastor makes the connections, and they are many and profound.</p> <p>There are two wonderful truths that Christ guarantees us in Scripture: 1. Continuity of the Soul 2. Resurrection of the Body</p> <p>He is able and He is willing. So, where do we go next? The scientists cannot even define one living cell. nor can they define what a particle is. JOEL	122	29-Nov-20	THE TRUE IDENTITY OF CHRIST! THE TESTIMONY OF MOSES AND ELISHA. BUT THERE'S MORE	<p>We start with the pressure that Covid is putting on the countries in Europe.</p> <p>Then on with the lecture. we're beginning where we left off with the two advents of Moses. Deuteronomy 18:15 says that Moses is a type of Christ, and he is the foremost type in Scripture. When you look at Moses, you can see the One who comes saying I Am as who He really is. Many say that the second coming of Moses is at Matthew 17, but our pastor does not agree. We're talking about the second coming of Moses and Elisha. We look at Moses and Aaron as equated to Elijah and Elisha. If Matthew 17 is not the return of Moses, then when is it? To some of you it might be obvious, but I'll let pastor lay it out for you. There's a lot to this, so sit back, relax. and take good notes.</p> <p>We bring in Job 38:7, the Sons of God. It's a bookend to Genesis 6. There are Sons of God who are fallen, and there are the unfallen Sons of God. And why was the darkness not completely eradicated? The answer is found in Psalm 10:1. Then you have 2 Peter 3:8-9 to add in. explained. Because what does "all" mean? Who is within this "all"? JOEL	123	6-Dec-20	PRAY, AND BAD THINGS HAPPEN? YEAH. THAT'S WHY YOU NEED TO LISTEN TO THIS PASTOR	<p>Again we need to start with a Rona update and the side effects to society and economics world wide.</p> <p>From time to time our pastor receives advice. Oh, this should be good. I'll just let you listen to this part. It's fun.</p> <p>The most important thing our pastor can do every Sunday is John 11:25, because when you read or hear that verse, you're mind has to answer. Do you Believe Him? We get into this in a little bit of depth. This verse takes you places in the Bible. We're talking about Continuity of the Soul. You must define 'life' as Jesus defines it. You will keep on living. It's your destination that's at stake.</p> <p>Now we're back to Job 1:12. Always look at the 'Behold's. When God says that, something very complicated is about to be said. One good question here in this study of Job is, How much free will do we have? Discovering what happened with Job is very important. Satan struck Job with an infection, a bad one. Why didn't God protect him? We pray and we pray, that bad things don't happen to us. But God does nothing! Yeah. that's why you need to listen to this pastor. So, let's settle in and just listen for a while. The one thing that it's critical to understand here is the death of his sons and daughters. Extreme sorrow. We delve into the curse on Job. Satan's trying to get him to curse God. Instead, he curses himself. We talk about Job's position as mediator. There are others in that role. Suffice it to say, lots of problems need to be solved with this Book of Job.</p> <p>We do get back to Moses and Elisha. This is good stuff, and important.</p>	JOB 1:9-13 JOB 2:13-3:26	BEHOLD BOILS COVID CURSE FREE-WILL JOB SATAN SOULS			121020757575471
JOEL	124	13-Dec-20	MOSES' BODY. IMPORTANT? WE'RE GLAD YOU ASKED. THE ADVANCED CLASS IS NOW IN SESSION	<p>Immunosenescence', means diminished immune response (just in case you were unaware). Yes, that's how our pastor starts the lecture. In short, we old folks need to be careful. And, we cover the electoral process. We're watching the end of the age. We also talk about the rich. In other words, the warm and fuzzy part of the lecture.</p> <p>That was the pregame. On with the lecture. Two ladies from Bakersfield, CA wanted pastor to tell us about Jude 9. That's what got us started on a study of the mystery of Moses' body.</p> <p>Pastor Chronister reminisces about Supper Dave's first meeting with him in his office with this blackboard full of notes and study topics he wanted to look deeper into on the Creation Evolution debate. Oh, boy. now he's writing a bunch of Scriptures on the board, which added together (although incomplete), equal Jude 9. So, here you go:</p> <p>Deuteronomy 18:15 + Deuteronomy 34:5-12 + Genesis 2:7 + Romans 5:14 + Psalm 16:10 + Ezekiel 1:4 + 2 Kings 2:1, 2:11 + Genesis 5:22-25 + Matthew 22:31 + Genesis 28:13 + 2 Kings 13:20-21 + Matthew 17:1-13 + Genesis 1:3 + John 8:12 + Exodus 3:14 + John 11:25 + Job 1:9-12 + (Romans 5:14 + 1 Timothy 2:14) + Exodus 3:2-6 + Job 2:1-10 + Psalm 10 + 2 Peter 3:8-9 + Genesis 1:2 + Genesis 1:4 + Genesis 1:6-7 + Matthew 25:31-33 + Zachariah 4:11-14 + Revelation 11:4 + Revelation 11:11-14 + Revelation 21:1 + Revelation 21:22 + Revelation 11:7-10 = Jude 9</p>	JUDE 9 DEUT 18:15	ADAM JOB MOSES MYSTERY SALVATION COVID		CA	1218205552221
JOEL	125	3-Jan-21	THE WITHERED HAND MEN. AND THE ONLY THING GOD/CHRIST WITHERED	<p>Over the break, to let Therithithy recover from the operation she had to fix the hole in her face (pastor speculates as to how said hole came to be), we got lots of calls and letters. One from Brad from Florida that was really nice. He describes this pastor as Clint Eastwood meets Einstein. And there were more, with questions that pastor Chronister will attempt to answer. Yeah. not sure that's gonna happen.</p> <p>As the lecture starts, we learn more about God's relationship with Israel, His wife, and the Church, His bride. But how has this worldwide pandemic effected these two entities? We learn about the 'Lion' and the 'Young Lion', how the US is a large part of the Young Lion, protecting Israel throughout its history. But who will fight alongside Israel in the last days? The WHO is predicting this virus will continue for nine more years. Pastor is enthralled with the Theological Implications of Immunology, so we learn about the virus itself and how it works. BTW, who does this in church anymore? If this is an End Times event, we should be excited. Oh, and he also covers Government Control. you'll like this. Satan says freedom is evil.</p> <p>But Mark 3 came up. In Mark 1 Christ is preaching and casting out unclean spirits and one of them is quoting Psalm 16:10. Christ is ridding His wife of unclean spirits. Mark 1 and Mark 2 are preparing us for Mark 3 (you listened for 30 minutes for that). The man says, "If you are willing.", and that makes Christ weep for joy! He figured out who Christ was. Then you have Psalm 10. God hides and God waits.</p> <p>There is so much more to this lecture. JOEL	126	10-Jan-21	ZERO, INFINITY, TIME, GRAVITY! BUT YOU WILL REALLY LIKE THE ANNIHILATIONISM PART	<p>People wonder if this pastor has a lesion plan or any kind of a schedule. We're pretty sure he does. so we'll give him the benefit of the doubt.</p> <p>The Bible, Scripture, is one book. Therefore, Joel and Job, do actually go together. The lesson of Job is the resurrection, Job 42. Joel is also about resurrection. I know. many of you out there are scratching your heads. To make it better our pastor asks, what are the implications of believing in annihilationism? Well, don't you find that in Job?</p> <p>Speaking of annihilationism, our pastor talks about the state of our impending governmental system. I won't describe this part, but it has to do with the Lie of Satan.</p> <p>Oh, goody! We have Math. 1 X 10 to the 12th divided by infinity equals 0. There is an obvious relationship between Zero, Infinity and Time. and Gravity? If you're new, just give this pastor a chance to relate all this to God/Jesus Christ. Here's a hint: Genesis 1, and the Word is Jesus Christ himself. who created Time Space and Matter, John 1:3. And infinity must come from infinity. Will comes from will. Consciousness comes from consciousness. Time is inside of infinity. Information cannot be destroyed. Information is neither matter nor energy. So, give it a chance. Some of you might actually like it.</p> <p>Anyway, the Book of Job refutes annihilationism. Job is about restoration. yes, he has said that before, but now he backs that up.</p> <p>But it gets worse. Now he's going to do 'Matter' and 'Antimatter' and 'Chiral Anomalies', and E=MC squared. And most of the people walking into this class are wondering, "What have I gotten myself into?"</p> <p>And now. JOEL	127	17-Jan-21	WHO IS THE UNNAMED PROPHET? THERE IS MORE TO THIS STORY THAN MEETS THE EYE	<p>Today we are back at 1 Kings 13. It's a continuation of last week. This is the Unnamed Prophet. We're talking about Jeroboam with his withered hand and he makes two golden calves. This is the complement to Mark 3:1-6 and Zechariah 11:17. Why is the Unnamed Prophet the unnamed prophet? Does God know who He is? Now, our pastor takes the time to fill us in and expound on what we have been taught so far.</p> <p>He digresses into the Covid-19 virus variants, or mutations. This is something you will not learn in any other church operating today. But stick with us. You'll learn things that you can impress your friends with. We learn about N501.Y and the B.1.1.7 lineage, and we get to watch his masterful artistry. The technology is amazing. just like it was in the days of Noah and Lot.</p> <p>But back to 1 Kings 13. God sends the Unnamed Prophet because of a lot of things are done by Jeroboam that he probably shouldn't have done. Okay. I'll give it away. The God sent, Unnamed Prophet is. The Second person of the Godhead, preincarnate Christ Himself. Three Hundred years later (very important), according to the prophesy given by the Unnamed Prophet, who comes on the scene? Josiah. and what he does is amazing. In this story there is child sacrifice and burning of bones and a Lion and a split alter, with Someone's ashes coming out of it, and the Anti-christ, the gates of hell, the strong man and the stronger man, with withered hand men. and a bunch of other stuff. Listen and learn.</p> <p>We cover Satan, his lie, and who does he weep for? Himself? Also, control, and what this country is going through and into. JOEL	128	24-Jan-21	WHO ARE THE PRIESTS OF BAAL? THIS QUESTION WILL EVENTUALLY MAKE SENSE AS YOU LISTEN	<p>We start with a letter from Luke. He is waiting for pastor to call him and talk with him about quantum physics. Yes. we have a pastor who can do that. You'll like what Luke says. He's interested in quantum entanglement. He thinks he needs to apologize to the other Cliffsideers.</p> <p>But on with the lecture, continuing along with the Unnamed Prophet. We do go into a little background, 1 Kings 13 and Zechariah 11:17, Mark 3, Zechariah 13 and 14, several passages in Revelation. We get into Judas/Satan and what they realize about Christ's death on the cross, and the three withered-hand men. We correlate the Mark of the Beast with the boils of Job. That and more are included in the withered hand and the cursed fig tree. We go into what Josiah did with the bones of these evil men to make a point. But Christ at His death split the veil of the temple, and that takes us to the stone alter that was split in half.</p> <p>So now we read 1 Kings 13:1-6. and we're talking about why Adam names Eve twice, among other things. But we need to read about the death of the Unnamed Prophet, 1 Kings 13:11.</p> <p>The list: 1. Old Prophet in Bethel 2. Sons Told 3. Man of God in Bethel 4. Which Way Did He Go 5. Sons Saw 6. JOEL	129	31-Jan-21	PROHIBITIONS: EAT, DRINK, WAY? OR YOU WILL BE A CORPSE? WHY? FIND CHRIST!	<p>Our pastor starts off with a real letter from Wendy from Texas. wanting longer lectures!</p> <p>We assume you've listened to number 128? Just as the Unnamed Prophet has an unusual death, so does Josiah. The underlying Scripture for all of this is John 5:39. The unnamed Prophet and Josiah both testify of Christ.</p> <p>1 Kings 13 gives a penalty if you violate any of these: 1. You shall not eat bread 2. You shall not drink water 3. You shall not return the same way you came If you do, your body will become a corpse.</p> <p>Short Covid virus digression and back to the prohibitions. They reference what God/Christ told Adam and Eve. Isn't this also the Magi that came to visit Christ? They were told also not to return the same way you came. But now pastor asks, why are these prohibitions in the order we find them? First. find Christ. Matthew 4 and Luke 4 are talking about Christ in the desert. Bread is mentioned there. And the 5th saying from the cross, "I thirst." We get into more death penalties in the Bible.</p>	1 KINGS 13 2 KINGS 23	ADAM BREAD EVE JOSIAH COVID	WENDY	TX	242121146346
JOEL	130	21-Feb-21	THE MULTIPLICITY OF THE TWOS! ALL BECAUSE OF SOME KIDNEY STONES? YEAH. PRETTY MUCH	<p>Pastor starts by telling about his recent experience with uric-acid based kidney stones. But the discussion, in true Chronister style, gets really interesting. It's actually worth listening to a sermon about Dual Kidneys and the Multiplicity of The Twos! Then there's the fun pastor has when the Anesthesiologist shows up and a discussion of Consciousness ensues. They think they extinguish consciousness. And that leads to Quantum Entanglement!</p> <p>Now we go to Acts 16. An amazing discussion of, Why was Paul Annoyed? Paul knew the motive of the demon inside this slave girl. When he removes the demon, that completely removed the income source of this business enterprise. It turns out that the truth of the gospel draws a crowd, and they were capitalizing on it. But Paul winds up bankrupting the screaming girl enterprise. The salvation of this girl was not greatly appreciated either. Why do people capitalize on the truth of Christ? Is there wealth in religion? Pastor tells a story about this situation. Christ throws out the den of vipers making money selling of salvation. Paul and Silas were imprisoned because of all this, and we hear about the keeper of the jail and his salvation.</p> <p>Now we have a letter from MaryAnn from Arkansas. Who is watching when the bodies of Adam and the animals were made? Why dust? Why duality? Some answers ensue. Then back to, "You shall not return the way you came." It has to do with the court of Daniel.</p>	ECCL 12:6-7 ACTS 16	CONSCIOUSNESS DEMONS PHYSICS SALVATION SILAS SLAVERY	MARYANN	AR	2252164714149
JOEL	131	28-Feb-21	THE DUST OF THE EARTH! NOW PUT THAT TOGETHER WITH SEPARATING LIGHT FROM DARKNESS	<p>Pastor starts with an update to his kidney stone situation, and from there he goes directly into the discussion from last week. The Dust of the Earth. Reading from Genesis 2, the description of God creating Adam and Eve. The answer is in the scope of Christ's infinite mind. Omniscience makes it so that it must be done from the dust of the earth. What was Christ remembering? (Thank you, Gabriel, for the encouragement to discuss the three-dimensional complexity of all Scripture) Consider that the Light of the earth is only half light and half dark. God/Christ did that. And the new earth will have only light. redemption, with a new and glorious city.</p> <p>We get into the cursing of Satan. partially for the abundance of his traffic (trafficking in lies). What is utter darkness? The lake of fire. Now contrast that with the New Heaven and the New Earth. And when we understand the partial darkness, then we can begin to understand "Dust of the Earth".</p> <p>The Bible is a legal document, and what you'll learn about that is eye opening to say the least. The Judge has put Himself on trial. No one can take His life. He must lay it down. He is life, therefore – our life, animal life – cannot be extinguished.</p> <p>Adam was not made from nothing. He was made from the dust, but the Angels were not. What are the implications of that?. Christ allows the darkness to continue after the fall of Satan. JOEL	132	7-Mar-21	MOND OR DARK MATTER? THE UNDETECTABLE, INVISIBLE, GRAVITATIONAL MASS IS CREATOR GOD!	<p>We start with a quick update on pastors' kidney stone saga (not much fun), then on to the mail bag where pastor gets a great book from Dime Box Dan, who does transcriptions for us, and pastor tells us about a letter from Jacob in Coeur d'Alene Idaho, which is a great segue into our starting topic.</p> <p>MOND, Modified Newtonian Dynamics, or Modified Gravity Theory. This is the missing mass problem in Astrophysics. If you expect any description of this topic. sorry. not happening. But it has to do with the serious problems of Dark Matter, Black Holes and the like. We love it when he does this kind of stuff here at Cliffside.</p> <p>That leads us to Colossians 1:15-17, Jesus. the image of the invisible, undetectable, unseen God. All things consist, are held together in Christ! And now we go to Hebrews 1:1-3. Two passages that say, the undetectable, invisible, gravitational mass is Creator God! This is Psalms 10. Let's start at 10:6. It's talking about free will and the lie of Satan. MOND is a Psalms 10 issue. Schools and churches do not teach this. And that reminded pastor of the letter from Jacob, going around looking for a church, and telling pastor that he trusts him for answers.</p> <p>Now we get back to MaryAnn's question about Adam made from The Dust of the Earth. First, we cover The Godhood, the triune nature of God, and for that we go to Genesis 1:1 and immediately to Genesis 1:26, the Let Us. Many, many passages attach to Genesis 1:1 and 1:26.</p> <p>First question is from Pastor Sherman. About the head of Goliath. How do you know it was buried at the spot where Christ chose to be crucified? Second question is from Anna. Can we see the Breath of Life? Is the Spirit/Soul visible? Third Question is from Valerie. What is the meaning of Genesis 3:17? Cursed. for your sake? Her actual question was, Did Christ come to save both men and Angels? Fourthly, Seven Things Christ says from the cross. How did the thief know Christ is God? Hebrews 2:10-18</p> <p>They are all the same question. And of course, you should expect Chronister would say that. You see, while he was recovering from 4 kidney surgeries and passing over 80 kidney stones! We got flooded with letters and therefore questions. So, we continue this Sunday to answer four of them.</p> <p>We start off with the very important question that the learned Pastor Sherman from Oklahoma had asked. How do we know that Christ had Himself crucified on top of the head of Goliath? Last week we covered the name of the place of the crucifixion, Golgotha. This week we dig deeper into David and that spot. God has a GPS locator that is amazing. This discussion gets really interesting. We're assuming that hardly anyone there knew that the cross was put on that spot, but we believe the Bible makes it clear. So, for whom was this done? But, wait. isn't this pastor going to answer questions? Well. if you're new here, don't get disappointed. Just listen. He sneaks in answers when you're not looking.</p> <p>Now, Valerie's question. Did Christ come to save both Angels and mankind? Why is the dust important? We look into the "for our sake". Michael is important here. The Angels are important, because they have a job now. I know. that's cryptic. Well. I can't write it all down for you.</p> <p>And the unnamed Anna's question is here too. JOEL	135	25-Apr-21	ANSWERS. IT IS WHAT WE DO. WHY DOES CHRIST PLACE HIS CROSS WHERE HE DID?	<p>We start by delving back into Pastor Sherman's question. Yes. Jesus put His cross on the buried head of Goliath. Last week we brought in the ladder, known as Jacob's Ladder, and connected it to the Cross. This week we find out how Goliath's skull relates to the ladder. So, go to Genesis 28:12-15, because Jesus asks the Sadducees if they have read this passage. Before Time, the Lamb is slain. Now we get a brief lesson on Gravitational Time Dilation and such, because the church should have never conceded the creation of all things to the Atheists. But back to the question of the cross, the skull and the ladder. Why this time and place? We go all over the Bible to answer these and more questions. We go to the Flood, and the creation of the animals and humans. The Angels are watching too and we can know a little bit of what's going on there. And for the unfallen Angels, we talk about their ministry and assignments that God has given to them. The point is, there's a wealth of possibilities as to why Jesus Christ placed His cross on this exact spot.</p> <p>Here's our list: 1. Where did Satan fall? 2. Where did Cain kill Abel? 3. Where did Cain bury Abel? 4. Where did God place Adam in a deep sleep? 5. Where were the two lambs slain? 6. Where did Eve fall? 7. Where did Adam fall? 8. Where's the tree of life? 9. JOEL	136	2-May-21	OMNISCIENT GOD REGRETS? WE CAN HELP WITH THAT. AND, SATAN EATS DUST?	<p>India is the focus of pastor's opening discussion. The Covid-19 situation over there is getting really bad.</p> <p>Last week we concluded with the Unnamed Anna question, "Can you see the spirit when it leaves the body?". We have four questions on the board and we've only covered one, although not completely, about the head of Goliath and Christ placing His cross on top of it.</p> <p>To begin answering Anna's question we start with the Veil in Exodus 26:31-34. The Veil and the Cherubin. That brings us to Matthew 27:51-54. The Veil of the Temple. The other verses to look at here are Genesis 7:22, Genesis 2:7, and Ecclesiastes 12:7. But our next focus is 2 Kings 6:17. Our pastor throws out quite a few more verses, like 2 Kings 2:11. The question here is, "Why is it necessary to remove the Veil." We have a curtain between the two realms. Why? Or, what if. We go to Genesis 28:12-15 and the Ladder and to Luke 16:22. From here, more questions. and, some answers!</p> <p>We diverge. and for good reason, to answer a last-minute question that Jennifer from AZ put in the comments of our last live, "Pastor, have you ever tackled how Omniscient God "regrets"? It was brought up in a Gen 6 study."</p> <p>And we have a question from Wendy that has to do with Valerie's question. So, pastor reads part of her letter. What a joy. Wendy is considering the announcement of Genesis 3 that Satan will eat dust. It's a misunderstood verse, and we learn how badly.</p>	GEN 6 GEN 3:14 EXOD 26:31-34 GEN 7:22 ECCL 12:7 2 KINGS 6:17 2 KINGS 2:11 GEN 28:12-15 LUKE 16:22	CHERUBIM COVID DUST INDIA JACOB'S-LADDER OMNISCIENT REALMS SATAN TEMPLE VEIL	ANNA JENNIFER WENDY VALERIE	AZ	542103561497

And the letters poured in, and as per usual, we get to hear a few of them. We start with one from Coeur d'Alene ID. The next one pastor says would be suitable for print in the Babylon Bee. Wonderful stuff.</p> <p>We jump back into the Veil of the Tabernacle. and it connects to Jude 6, then Genesis 3:24. And we talk about the collapse of one third of the Angels. They didn't fall. It says they "left". Take a look at 2 Corinthians 5:1-4 for reference. These passages all connect to Genesis 6. Confused yet? This has to do with: Abode, Dwelling, Estate, Body</p> <p>At Genesis 6 all flesh was contaminated and the earth was being buried in water, as it was at Genesis 1:2. Both have to do with the collapse of the one third. We need to understand the level of evil here. Christ knows the world hates Him. "The Why Of The Veil" Let's read Luke 4. He didn't come to bring peace on earth. The Angels in Jude 6 hate Him. They don't care. Their mind is made up. The things our pastor gets into here will astound you. we hope. Did the "left" Angels attack because Adam fell? And did Satan control the mind of an animal when he went after Eve? JOEL	138	16-May-21	WHY WE CANNOT SEE THE ANGELS! THE TIME LINE OF THE UNSEEN WORLD, AND MORE!	<p>We begin with an update on Israel and the consequences of cursing that nation.</p> <p>Pastor Chronister, aka, "The Answer Me That Dude" has prewritten a list on the dry erase board. just to give you an idea of what we're working on. There are seven millenniums and 5-6 are put into a suspended position. We talk about the symbiosis between the Angelic realm and the human realm. But we have a letter. from Mark, a fellow kidney stone survivor. Our pastor is up to 96 stones passed now. What this man has to say is quite interesting (as we define interesting). Part of it is relating to calendars and how they are used in Biblical references. We have many other letters that are amazing and intelligent. Calendars may sound trivial, but think about it. we need to understand how God views time.</p> <p>But back to the list. There are going to be some corrections and added information from last week. Not that he was wrong. Duh. We're charting how the Angels move through time. This is the unseen aspect of the Angelic spiritual realm. 2 Kings 6:12 is an example of this. Pastor encourages us to find the New Testament complements to Old Testament passages. Like, the entire Book of Revelation. There is some occurrence that separated the Angelic realm from us. The United States, India, Australia and Japan have formed an alliance against China. Interesting stuff.</p> <p>We keep getting wonderful letters. Gary from Indiana sent us a nice request.</p> <p>Genesis 3:4 is: Satan going to the woman to move her from saved to unsaved, trying to make her unclean. There's a bunch of material that goes with that passage. The lie of Satan is being repeated to the woman. Yes, he has done this before with the Angels.</p> <p>The church today is doing a really bad job. It is a destructive mess. People laugh at us today and ask questions like, "Why doesn't God just kill Satan and get it over with?" They want God to make Satan cease to exist, and it should be obvious that God won't do that. The unnamed Anna has another question about God giving us a new name. You'll enjoy the fun we have with that.</p> <p>There was a time when we had free access to the Angels. Why are we now unable to see or interact with the Angelic reality? People say they have near death experiences and see Christ. And they write books. People want pastor to include "The Angel of The LORD" with the Angels, but that's preincarnate Christ and not an Angelic created being. Why does Christ call Himself that? He is the unmade One. He wants to be called that. Why? He is Melchizedek. Side note: Only God can bless God. You can't do it.</p>	GEN 3:4 HEB 7:1-4	ANGELS BLESS MELCHIZIDEK SATAN WOMAN	GARY ANNA	IN	528212255335072
JOEL	140	6-Jun-21	REMEMBER NOW THY CREATOR. IT'S A SONG! WHAT HAPPENS IN THE TRIBULATION PAUSE?	<p>Someone wrote an amazing song after listening to Pastor's teaching on Ecclesiastes 12! It's titled "Remember Now Thy Creator" by, a 'Friend of Cliffside', arranged, performed and produced by Toby Wilson. You can listen to it at the end of this lecture. And what about the gain of function virus? Pastor will tell you about that.</p> <p>We want to solve the veil question. There's two, but we'll focus on the one between the Angelic realm and us. The resurrected saved dead will be "like" the Angels. What does that mean? Why do people hate Jesus Christ? Love wickedness so much? When we get the new heaven and the new earth, what happens to the old? Hebrews 12:22 gives us some clues. We have Hades and Death. What's the difference?</p> <p>But what about the mail we've received? We thought you'd never ask. We have some great letters. One is from Sheri. Why does He have to die first? There are three deaths. I'll let pastor work through this with us. Then we look at death of Satan/Judas. Judas is chosen by God Himself to be one of the 12. Why? The relationship between Satan and God, and Judas and God, is one of love. God loves them both. Matthew 26:24 is what God says about Judas, and so Job 3:13-16 comes into play. Suffice to say, there's a lot more going on here. But what is the plan here? Matthew 27:3-9 says some really good stuff about this. But back to the timeline of the three deaths, Christ, Judas and the thief on the cross.</p> <p>There's much more to this lecture. We get into the death of Adam and Eve. JOEL	141	13-Jun-21	DOES GOD HAVE BLOOD? DOES HE HIDE? WHY DOES GOD WAIT? MYSTERY OF THE INDWELLING	<p>Our pastor got a call from a pastor named Daniel. He's an Ethiopian Jew down in San Diego. They are listening to us, and there's some things they want us to cover, so we'll be doing that soon.</p> <p>Last week emphasized the Mystery of Godliness, 1 Timothy 3:16. It ties into the second Mystery which is Colossians 1:27, "Christ in you, the hope of glory." They both have this 'hidden' aspect to them. Today, we will deal with what the Angels have the ability to see. When our pastor delves into this, he is always asked about 2 Corinthians 12:2-6. Let's learn about this Satanic adversary sent by Satan himself to buffet Paul. Paul was a man of great power given by God. But he is not going to ask God to get rid of any 'light affliction'.</p> <p>It seems like the Bible just keeps branching out on itself, but Jesus Christ is on every page and it must all interconnect. We talk about 'out of body experience' and the drug released in our body that causes that experience. We're still talking about what Paul said earlier. I think you'll like the difficulty of this passage.</p> <p>An intriguing letter from Susie in Bakersfield leads us back to the Ladder, so we go to Hebrews 1:14 and talk about the unfallen Angels. There must be a fallen mankind for there to be a Ladder. We go to Adam. Satan hated the second king of Eden. We talk about the demons that come out of the abyss. the hatred they have for mankind. And 'death' is defined by the people in the lake of fire. Our physical death is but a light affliction. God/Christ weeps for the lost. We get into the three 'Woe's'. JOEL	142	20-Jun-21	IS SATAN PLAYING CHESS? WELL. HE IS USING US ON THE BOARD, BUT HE CANNOT WIN	<p>Our pastor spends a little time reviewing some of what we've covered so far. We talk about how the church today has misconstrued the Son of God and the Son of Man. They have no idea what that means, and they wind up greatly diminishing the Godhood of Jesus Christ. Body and soul, and there's much, much more here. Everyone seems to get Joel, Daniel, Ecclesiastes and Job, but most are having trouble with 1 Kings 13 and 2 Kings 23, so our pastor helps us with that. There are meanings that are hard to gather up, but it's very fascinating. It's partly resurrection. God's "reverse of entropy". And He gathers every single thought of our mind.</p> <p>How is it that the lie of Satan is detrimental to man? In Revelation 7:9-17 there is an uncountable number gathered around the throne, The Lamb slain, in possession of salvation. Why does God have to wipe away their tears? Be ready to write down verses, because he's going to rattle off a whole bunch here. We get into God's definition of "I thirst" and the 7 sayings from the cross, specifically the two wines. And believe it or not, all of the stuff our pastor has dumped on us has to do with Jesus giving Satan the key to the abyss.</p> <p>The lecture goes into Satan playing chess, and he is the grand master, so to speak. We're in Revelation 9, the New Testament complement to Genesis 6:5-6. What is Satan's great weakness? And what does he think God's weakness is? The fallen Angels and Satan have no remorse whatsoever. They're killing people in the tribulation like never before. Why? JOEL	143	11-Jul-21	THE IMMORTALITY OF ANIMALS! YOU WOULD BE SURPRISED AT HOW MANY CHURCHES DENY THIS!	<p>As we start our pastor announces we are now recording for World Wide Christian Radio! On shortwave we can reach places we could never dream of before. The discussion this week should be amazing and a little controversial. But the main focus of this lecture is to give a definitive discussion on the Immortality of Animals.</p> <p>Jesus was with the wild animals which was the time when the Angels came to minister to Christ after the testing from Satan. This is where we think Satan found out that he is dealing with God in the flesh. But there's a BEHOLD here! That's important. Can we agree that animals don't sin? Can we agree that animals did not eat from the tree of the knowledge of good from evil? Animals are declared to be innocent by many Bible texts. The animals bare no fault but they are included in the curse. There's also verses about being redeemed by the precious blood of the Lamb.</p> <p>But the church has gotten so desperate to be accepted by atheistic Academia that they teach that Animals cease to exist. They say you have to be in the image of God to be resurrected, therefore animals cannot have souls. But the Bible defines animals as living souls, and our pastor gives us the references. The Bible is unequivocal on this. All who have Nephesh Chayyah have existence and cannot cease to exist. At the new heaven and the new earth, they are not in the lake of fire, so where are they? You'll want to hear the description of our dwelling place in the new earth. JOEL	144	18-Jul-21	DO ALL ANIMALS GO TO HEAVEN? THERE ARE STUPID QUESTIONS. SHALL WE TAKE A LOOK?	<p>There are a lot of verses that are interrupted so incorrectly, They are misunderstood as passages of animals having Nephesh Chayyah. This pastor says he's sure we can clear up the aforementioned misunderstanding. Their immortality is an absolute guarantee. This a fundamental doctrine.</p> <p>Why do animals die? Why are animals immortal? The answers are not simple, but Ecclesiastes 3:18-22 can help. Solomon asks rhetorical questions to make his point. Why can't commentators after the late 1800's get this right? They'll pontificate on Ecclesiastes 3:18-21, on the cessation of animals and completely ignore verse 22. Solomon says, We are animals. What happens to man and what happens to animals, is. the. same! Okay. it seems like I'm ranting at you, but it's just so important.</p> <p>Now first, we need to understand what the Holy Spirit through Solomon means when he says 'vanity'. Today's definition? No good. Solomon gives three.</p> <p>God brought animals to Adam and instructed him to name them, and he gave a new name to every single animal.</p> <p>God tells them, the animals, to go out and multiply. If they didn't have souls, what's the purpose of this? And why do animals need no repentance?!</p>	ECCL 3:18-22 1 COR 15:39-42	ANIMALS-IN-HEAVEN IMMORTALITY NEPESH REPENTANCE SOLOMON SOULS STUPID-QUESTION			72121458262399

JOEL	145	25-Jul-21	DOES GOD ANNIHILATE PEOPLE? OKAY. WHAT ABOUT ANIMALS? ANNIHILATIONISM IS ATHEISM	<p>We start with Sheri's email. She says it's a wonder to hear what our pastor has begun to teach. The Immortality of Animals.</p> <p>The animals were given the breath of life. It is eternal life. A gift from God. There are two eternal destinations for humans, but for animals there is only one. We die once, as do the animals, but then there's the judgment for us humans. But Life or Death, as God defines those two destinations. The lake of fire is Death. All humans will be resurrected, because we are all living souls. God resurrects all living souls, but the animals will only have Life. Let's go back to Solomon, Ecclesiastes 3:18-22.</p> <p>We talk about the Septuagint, the LXX, and the Vulgate, and the Masoretic text. Which is the best translation? We believe the best one is the King James Version, the best word for word translation. But to get an understanding of Scripture it is best to look at each word in context. Why do animals need no repentance? Why do animals die? Why were animals sacrificed? There is a short answer, but you'll want to listen for the long answer. The animals have the likeness of the Cherubim and the Seraphim. The Angels were first, and then they witnessed their likenesses being made on the earth. Satan was most likely Cherubim and Seraphim. Now back to Ecclesiastes 3. Can you annihilate a living soul? Annihilationism is Atheism. Is God a lying evil murder? We are testing to see if our World Wide Christian Radio ministry is something we can financially support. So, listen to the letter and then, if you would like to help us continue, we, and they, would appreciate it.</p> <p>As we start the lecture with a quote from Jesus, saying, Behold! I make all things new! Now, He has stopped creating anything "new", so we are taking the Greek meaning of "Restored" here. But to confirm this we go back to the Old Testament to find the complement. We go to Revelation first, but we must also go back to the Old Testament. So, it's a different new, not a "new" new. This is the volume question. Why is the city of the Lamb's wife 1,500 Miles cubed? You'll like our pastor's description here. we hope. Does Jesus Christ know how much resurrecting He will have to do? Yes! And He's ready to resurrect humans and animals. Everyone!</p> <p>Now on to Zechariah 2:1-4 and Towns without walls? You've got a man with a measuring line here. Who is he and why is he measuring? Go to Ezekiel 40:1-3 for descriptions of this guy. Wait. What? It's Christ! He's measuring the millennial kingdom. But here's the point. Jesus Christ is saying that the city will be occupied by a multitude of humans and animals. The discussion that ensues will be wonderful to hear. Do we guarantee that? Sure. why not? But in the restored earth, All the bodies of all these creatures will be Raised! And you wonder why the city is going to be so Huge! WHAT WILL THEY BE LIKE?	<p>We start by reiterating that we will never be able to "get done" with any passage of scripture. Our pastor has never finished anything.</p> <p>We have a tendency to call animals dumb in this country. Let's go to the story of Balaam and his donkey. He takes his donkey out for a ride, and all of the sudden she, the donkey, sees The Angel of The Lord with His sword raised, but Balaam does not. yet. But Balaam abused his donkey and finally the donkey herself started objecting to that. verbally. Balaam is then allowed to see the Angel and the story goes on. Now to start with, this "Angel" is Christ Himself. Notice that now Christ and Balaam have a conversation. Listen for yourself because your note taker has been distracted with Internet broadcast problems. But understand that Christ came to Moses, Christ came to Joshua, and Christ came to Balaam. You now need to put these three together, and this pastor will help you with it. He's the deepest Bible teacher alive today, but he is also understanding of our need for help. You see, we have a constant influx of new listeners, and we have absolutely no idea how that happens.</p> <p>We're talking about how the resurrection is exactly like creation. We have a choice to make. Some have made the choice. We encourage you to choose the Lord. Believe Him is all He requires. Jesus Christ comes to this female Donkey; Christ comes to Balaam. Pastor backs up the bus to pick up the stragglers while adding a little new material for those who didn't wander off. Why do animals die? They did nothing to deserve it. For us, existence is not the issue. The destination is our main concern. Animals and us both go to dust. God has no partiality. it is the same. Omniscience requires it.</p> <p>Let's start with Val Jo's question. Why didn't the faithful angels know that Jesus was God until after Satan was expelled from His presence? Short answer. Psalm 10:1. He hides Himself from us. and He hides Himself from the Angels. The key question is, "Why do you hide, oh Lord?"</p> <p>The army fell on their faces when the I AM says I AM. Actually, they were slammed to the ground. But we'll focus on the covering of the Ark of the Covenant. It must be covered with the Veil. The wood is overlaid with Gold. Deity is covering humanity. JOEL	150	26-Sep-21	ANIMALS IN HEAVEN? YES! THEY ARE RESURRECTED BY JESUS AND THEY ARE GOING TO BE THERE	<p>This lecture is about the Immortality of Animals. The first question is, "Why are the animals resurrected?" And we start with Acts 10:9-15. This is Peter's vision of animals that God is now telling him to eat. Peter says, No! God then proceeds to rebuke him. three times, again. But he also talks about the leper, so we're still talking about cleansing. Because God Himself says the animals are cleansed. When will the animals be resurrected? But how complexed are the visions that God gives? Now. tie in Revelation 5:8-14. We have an Angel kingdom, an animal kingdom. and a mankind kingdom, and they're all singing and shouting together.</p> <p>We get into Deuteronomy 6:4 but we go back to an explanation of what is going on in Revelation 5 and 4, and what the animals are called, and what mankind is called.</p> <p>God creates the animals in the image of the Angels. Some of the Angels, as you may recall, had the faces of animals before God created the animals. But the animals are there in heaven watching and listening and. understanding what is going on there. They're watching the opening of the scroll, and many theologians think this is the deed to the earth. Who bought it? Yes. Jesus Christ. Jesus paid with His blood to have animals and humans cleansed. The Angels have no blood, and they watch animals and humans being created. But do Angels have the breath of God? Why don't they? Why don't they have blood? Do they need to be saved? JOEL	151	10-Oct-21	NOTHINGNESS CANNOT EXIST! BUT, WHAT DOES THAT HAVE TO DO WITH RESURRECTING ANIMALS?	We start with a great question from one of our internet listeners who calls himself Dime Box Dan. It leads our pastor into our topic on the Immortality of Animals, through the discussion that has to do with Pre-Adamic man. That idea is a made-up position because the church back in the 1800's wanted to have the approval of the academic world who were insisting that evolution and millions and billions of years are truth. We go to the Bible and prove them wrong. We use these two references: 1 Corinthians 15:45 added to Genesis 2:7, and they give you a wonderful statement when you read them together. Then we talk about the 4 living creatures in Revelation 5. This ties in. And we bring back into the mix, 1 Timothy 4:4 and Acts 10:7-15. The Cherubim are like animals in appearance, so we have to talk about that. And we have to get back to the animals praising God and singing in heaven. But you have to look at the original languages to see it. Just know that if you have the position of Pre-Adamic man you've got a real problem with who the first Adam was. And that leads you to other serious problems trying to figure out who the last Adam, Jesus Christ died for. Oh, this gets heated! That's Ecclesiastes 3:14 and Psalm 50:10-11. And now read Ecclesiastes 3:18-21. Yes. we are finishing up The Immortality of Animals. There are many more verses. And this pastor is on a roll. Is God not willing, or is He not able to raise the innocent animals from the dead? Pastors in most of the churches today, when a little child ask about their animal who has just died, will assure them that their animal will be with them in heaven, BUT. when they get a little older, that same pastor will tell them that was a lie! If you have to "lie" to children, your position is WRONG!  And pastor goes on to tell us that it is not his job to determine who are saved and who are not. Beware of people who want to be the judge of that.  The story our pastor tells after this will stun you beyond belief. I won't even describe it. It's the true story of a sociopathic murderer. If you think God is doing that. creating animals just to murder them, to destroy them, then you pastors that are teaching this false doctrine should be ashamed of yourselves. God says, "For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord." That's Isaiah 55:8. When you add annihilationism to your teaching of who God is, then you need to reevaluate your thinking. What God has cleansed you must not call defiled. Christ was with the wild beasts. It has to do with Captain Kirk and the transporter system. Figuring out, when he is disassembled and reassembled if he is alive or dead. Okay. we're weird.  It looks like we're still talking about The Immortality of Animals. And now we're talking about insects. Do they have souls? We take a look at when The Light of Life puts His finger in the dirt (dust). When God puts His finger in the dust, what is He doing? This woman was about to die, but she does not. And now we're talking about the battle of Armageddon. The adulterous woman and the war of Armageddon has to do with Christ being the one who brings forth all life. And in John 8 the Pharisee's want to stone God, and He walks through them. John 8:58 is exposing that Christ is outside of time. But, one of our listeners wants to add Isaiah 35:9 into the discussion. and here we go. This is in the context of Daniel 12:12, the 75-day interval. Why aren't there going to be any ravenous beasts or lions there? Here, no animal will kill another animal. There are two kingdoms coming. The two kingdoms are often mixed in the Bible.  Our list: 1. Mountain 2. Nation 3. Weapons 4. War 5. No Predation 6. Midst  Animals have states: 1. Edenic State 2. Fallen State 3. Millennial State 4. Glorified State  Man follows the same states. JOEL	154	7-Nov-21	SATAN ANTICHRIST FALSE PROPHET. WHAT DOES THAT HAVE TO DO WITH RESURRECTING OF BIRDS?	We start with a continuation of a question our pastor is answering about The Immortality of Animals, specifically Isaiah 35:9. So we go to Ezekiel 44:45-46, the Mystery of The Prince. And why is he now asking the question, "Are we made of math?" But let's move on to Isaiah 9:6. This declares Jesus Christ the Prince of Peace. What Peace is Christ talking about? Let's go to Romans 5:1 and Colossians 1:20. These can be comingled with Isaiah 9:6. This is Peace we cannot understand, Philippians 4:7. How does God get peace with us? That's Genesis 15. The blood of Christ makes peace.  We're dealing with the animals in the Millennial Kingdom. Christ alone has Immortality. What does that mean? It means, Immortality comes from Christ. He is the being from which all things must come. What does the Bible mean when it says nobody can see Christ? It is because He is Infinite. The Millennial Reign is the seventh thousand years. Man in time past was no longer the caretaker of animals. He became the predator of animals. And in the Millennial Kingdom that will be restored, even though there will still be sin. Christ will rule during this time, with a rod of iron. why? This is all because Satan must be released. There are two Magog Gog Gog's. These are two attacks on Israel, before and after. And finally, Satan is cast into the lake of fire. This discussion get's very interesting, because we also deal with the Antichrist and the false prophet. JOEL	155	21-Nov-21	SEEING THE SPIRITUAL REALM? HERE IS WHY WE DO NOT SEE THE SPIRIT LEAVE THE BODY	We start today's lecture with a question from Kathleen about the Nephilim. So, we hope you'll enjoy the answer.  We go back to a question that Anna asked, "Why can't we see the spiritual realm?" This is Job 1-2, along with other scriptures. It starts off with God asking Satan a question. Have you considered my servant Job? He says, there is none like Job on earth. The question is, "Does Job have free will?" Satan accuses God of protecting Job. He's saying to God, if you take away his protection, Job will hate you. So, the hedge around Job is the issue. Now, this hedge is a protective veil. This veil is what keeps us from seeing the spiritual realm.  And now we combine that with Genesis 6 and the havoc that the Angelic realm is doing with the Human Kingdom and the Animal Kingdom. They experimented with the animals first. And we move on to Lazarus and the rich Pharisee (and BTW, the Pharisee's hate dogs). Bringing us to Genesis 1:30, where Adam and Eve are given authority over the Living Soul animals. God says, these animals are they in which there is a living soul. We don't get to see a living soul leave the animal or human body. Why is that? How fast can the Angels move and carry a soul to heaven? And that gives us "instant heaven for children and animals". So, let's look at Revelation 4:1-2, where John is taken into the throne room of heaven. The travel time is instantaneous. and that's why we cannot see the spirit leave the body. Light travels instantly when it's outside of time. But what about the unsaved? Will they instantly be in hell? Why are people and Angels together in hell? JOEL	156	28-Nov-21	SATAN: THERE IS NO FREE WILL! THAT IS THE LIE OF JOB 1. WHY MUST CHRIST CHAIN SATAN?	We start with an update on the virus. Pastor is interested because it may tell us that the end of the age of the Gentiles is upon us.  Why do we do what we do? And why do we do church like we do it? Pastor reviews what our purpose as a church is.  On to Kathleen's question. Satan thought what he did at the flood was a success. And we need to know that Satan sees the Ezekiel 38 slaughter of his army to be a complete success. John 8:44, Satan is a murderer from the beginning. Another example is Revelation 9.  And now some events of Tribulation. The Lord God Almighty, Jesus Christ is the one who casts Satan into the Lake of Fire. But was Satan the only one in the abyss when he was there?  Here's a good point. We can't blame Satan for sin during the Thousand Year Reign of Christ. Which makes the people who say, "The Devil made me do it!" into fools. But this pastor says don't settle for what's on the surface. Keep digging. We go back to Job 1:9-11. Satan is saying that God is interfering with Job's free will.  And, just so you know. our plan (plan B) to move into a permanent building with another church has fallen through. That great little church had to fold (and for good reasons). JOEL	157	5-Dec-21	GOD PUT THE COLOR IN THE CLOUD. BUT SCIENCE SAYS COLOR DOES NOT EXIST! REALLY?	<p>We start off with Genesis 9 and the Noahic Covenant and we're comparing it to the Exodus, because we have the same word for cloud in both passages, Exodus 14:19. The fulfillment of the separation of light from the darkness prophecy is in Revelation. It's important that the Bible describes color in the cloud. The Noahic Covenant is everlasting and it has color and it is for animals and it is for humanity.</p> <p>Now what's involved in this color God puts in the Noahic Covenant also is Consciousness and Resurrection and to infinity. God is looking at the colors in the cloud, because He's in the cloud. He is saying to us, He wants to look at the color because He wants to be reminded of the spectrum of His covenant. Experiencing color is accomplishing something, because physicists insist that color is an illusion. The evolutionists, the atheists insist that consciousness is a lie, an illusion. The contemporary church doesn't understand the relationship between free will and consciousness.</p> <p>Why does God choose color as the promise of His covenant? The covenant is for humans and animals because both man and animals can see and perceive color. God knows that animals can see color. What is the implication of that? And scientists believe that free will is an illusion and consciousness does not exist. and color does not exist. If colors do not exist in the physical reality, where does it exist? If it's not in the physical, it must be in our consciousness. JOEL	159	9-Jan-22	SUPER DETERMINISM. WRONG? OTHER RELIGIONS TEACH IT. SCIENCE TEACHES IT. WHY?	<p>We start today's lecture with a gift. of sorts. It's a Joel Osteen box. And pastor is now telling us what he thinks about his type of preaching.</p> <p>Joel. no, not that Joel. The writer of the Book of Joel. found in the Bible. discusses hidden manna. Why is it hidden? It's the secret name. Who is it given to in Revelation 2:17? Those who overcome. John 6:32-35 tells us that Christ is the hidden manna. He gives you a white stone along with a new name. Jesus Christ Himself gets to define what Living means, and only He is qualified to see who believes Him. He also assigns to those who reject their creator, their place. They are dead. as He defines dead. Jesus is in the present, and He sees everything that happens, everything that exists. the stars also. He names every star. He names everything. We're talking about a mind that is outside of time and He can see everything.</p> <p>We get into a discussion of Super Determinism. there is no free will, and the churches today are grabbing on to this. But there are prominent physicists who will tell the truth. Let's find out what God thinks of this type of thought with Genesis 3. And now we're back into a discussion of death and dying. If you have a beginning and an end, then you don't have life. The other religions will tell you that you don't have existence. Only Christianity teaches what Life is. Death has no ability to destroy your existence or your soul. So, what is being taught by God with what we see, and we can see that we are ageing. If death is not real, is ageing real? There's no ageing system in the Millennium. Either you die at age 100 or you live without ageing. JOEL	160	23-Jan-22	IS DEATH REAL? WHY NOT? AND. SUPER DETERMINISM = NO ACCOUNTABILITY	<p>Today. we have a "Cleanup on Aisle Four" situation. Pastor starts off with, Dust. The bodies of us, and the bodies the animals, are made from dust. The dust question gets into a quantum physics discussion. You have the uncertainty principle or, Super Determinism. But for the truth we have to turn to Scripture. When the churches start siding with the atheistic position, that there is no free will, then we have some serious work to do. What does dust have to do with Super Determinism? Why did God use this dust? Does God know what the dust is, what it's made of, where it came from? And now. of course, our pastor has a list for us:</p> <p>1. Death – Sin 2. Death – Decay 3. Death – Dust 4. Death – Time 5. Death – Darkness 6. Death – Curse 7. Death – Satan – Dust 8. Dust – Resurrection – Proves Indeterminism</p> <p>The ground was cursed for our sake. Satan is a murderer. When did he begin his murdering? John 8:42-59 helps us clear this up. And Jesus says that those who keep My word, they will never see death. Jesus says to them, "I Am", and next He proves it by walking right through them. The first known instance of quantum tunneling.</p> <p>It's the One Who is outside of time, talking about Time. And that One, Jesus Christ, is Life. He knows the difference between Life and Death. His definition of murdering and our definition of murdering is not the same thing. We get into, "What is real, and what is not?" JOEL	161	30-Jan-22	ONE FLOOD. OR TWO? WHAT WAS THE FIRST ATTEMPT TO MAKE LIFE FROM PRIMORDIAL SOUP?	<p>We start off with current events, from COVID to Russia. So that's informative.</p> <p>What have we found so far in our lectures that is of great importance? We're back to Dust, and now looking at the Hebrew word for dust of which the first mention we find in Genesis 2:7. A lot of people say there's a difference between the dirt in Genesis 1:24 and 2:7. But, is this the kind of preacher that just goes along with what people say? He thinks it's not what they think it means. So, Hebrew class for today with Genesis 1:24. There are two groups. Group 2 says that animals are nothingness and go to nothingness when they die. That's the majority. Group 1 thinks animals have value and can worship God. This pastor believes that man and animals all came from the same dust.</p> <p>We have living beings in the sea. What were they made from? We go to Exodus 8:17. What did God do with dirt there? And now, Hebrew Lesson Number 2. In Exodus 8:19 we have the first ever attempt by man to create life from primordial soup. and they failed. Life can only come from Him Who is Life. If the land animals were created from the dust, then were the sea creatures created from water? Were the birds created from the air? Who saw God take dust and make man and all the creatures? We discuss the mineral earth where Satan ruled and God removing him from his position of authority. God covered the abode of Satan and his army with water and darkness. Now, how is God's creating from dust demonstrating His Grace and Mercy? It's the price of the Blood of Christ!</p>	EXOD 8:17-19 GEN 1:24	ANIMALS BIRDS COVID DARKNESS DUST EARTH NOTHINGNESS PRIMORDIAL RUSSIA SATAN			23221922434
JOEL	162	6-Feb-22	ARE THERE APOSTLES TODAY? AND WHAT DOES IT MEAN THAT THE APOSTLES ARE ON DISPLAY?	<p>We're pounding away again on Dust. Jesus is telling us by putting His finger in the dust, that He is the One Who raised lice from the dust at Exodus 8:17-19. He is the resurrector from the dust of all the creatures to whom He has given life. He says, I am the resurrection and the life in John 11:25.</p> <p>Now, the pastor reminds us that the only way to be an apostle is to have been in the presence of Christ, so Paul qualifies. Here's what the Apostle Paul said in 1 Corinthians 4:9. We are a spectacle to both the Angels and to men. It's a reference to the Roman gladiator spectacle. This relates to the Angels watching the spectacle that is the battle of Job and Satan.</p> <p>Let's go to Ephesians 3:8 and start reading. We're adding more information. And the questions commence. We get into the people that think they can lose their salvation. But back to "Why?" questions. Why are the apostles on display for the fallen and the unfallen Angels? They watched the dust being made into living souls. How is it that the dust and the Apostles are on display? On another note. The question is not, "Why is there evil?", it's, "Why is there any goodness at all?"</p> <p>And to end this discussion, we have the levels of hell. JOEL	163	20-Feb-22	GOD DID NOT GIVE FREE WILL? IF THIS IS TRUE, THEN ALL OF CREATION IS HOPELESS	<p>We need to think about what's going on in the world as far as the virus is concerned, but mostly in regards to Russia.</p> <p>We start the discussion with the ubiquitous emphasis of the idea that we have no free will. But this is a dangerous thing to do. So, we talk at length about free will and the importance of the Bible's truth concerning this problem. If you take will away, then you take away existence. there's no accountability. Why would the Angels rejoice at the soul that comes to Christ if there is no free will? "Does God have free will?" Then the next obvious question is, "Did He give it to any of His creation?" There are churches today that will tell you that God didn't give free will to anyone or any animal. even no free will for the Angels. If this is true, then all of creation is hopeless. So, let's get into God hardening the heart of Pharaoh. Do Not use your definition of hardening. Only use God's definition. Romans 1:24-32 outlines the situation. Don't think this pastor's forgotten the Dust. Only God can convert all the dust of Egypt into lice. And Pharaoh said, "I don't care!" In Nineveh, that didn't happen. The King there saw Jonah vomited up on the beach and through himself on the mercy of God. Those who reject God, hate Him. Thus, we return to free will and accountability. But now the focus is on God, Who is only Good continually. and man, who is only evil continuously. JOEL	164	27-Feb-22	NEW JERUSALEM: HOW BIG IS IT? AND WHY IS GENESIS 15 THE MOST IMPORTANT PASSAGE?	<p>We start with what our pastor is seeing with the Russian invasion. Some insights and history as well as how it relates to scripture, specifically Ezekiel 38. And there's China too, and Iran.</p> <p>Last week we started, sort of, a discussion of the two birds in Genesis 15. But to get there you have to get through the myriad of mysteries that lead up to it and contribute to it. Because, this is not just Genesis 15, it's everywhere. But it's not "Bring me" as all other versions render it, it's "Take Me" with a comma after, because all these animals are types of Christ's sacrifice. It's the mystery of Godliness. and how do you solve that in one lifetime? The two birds are just a sub-mystery of the Take Me.</p> <p>But we now go to a very outstanding message from Gabriel (no, not the Angel), asking about the geometry of the New Jerusalem. This is really great stuff! And the discussion that follows is mind blowing (okay, for Supper Dave that was a small explosion). But it's elementary math, Euclidean Geometry, so please try not to get too board as you listen. But. It's Math! So, about two of you will be excited.</p> <p>And now, back to the Take Me in Genesis 15. Everything that happens is a picture of Christ. What about the vultures? But we're talking about the two birds. What did Abram see that taught him that he has everlasting life? Commentators will say that God is copying a pagan ritual. Are they right? No! God's thoughts are not your thoughts! Where do they get this? Well, the pastor has fun with it, but he also explains why they're wrong. Infinity passed through the animals. JOEL	165	6-Mar-22	WHAT IS WITH. THE 153 FISH? WHAT MADE ABRAM UNDERSTAND THE RESURRECTION?	<p>So, what's going on with the invasion of Ukraine? Pastor gives us his assessment of what is happening there.</p> <p>As the lecture starts, we jump right into Genesis 15, and there's far more going on in this passage that we can possibly know. And, there's much that is unknowable. For instance, just the Take Me, the incarnation of Christ, is the most unknowable. This is the infinite mind of God who put this all together. Pastor compares it with attempting to bat a thousand. It's just not doable. So, where did the pastor leave off?</p> <p>What did Abram see. what did God give him that made him believe that he has everlasting life? Some commentators realize that he sees more than we think. There's much that our pastor brings up here, and I'm sure there's much more to come, but. What does it mean that God breathes the breath of life into His creation? Did He breathe that life into the Angels? And. Christ was slain before time was instituted. We think there's just three days between The Lamb slain and His resurrection. We're now in Genesis 1:31, the Behold and Very Good. What does that mean while there were fallen angels at this point? But back to "deep sleep" and assurance of salvation which is given by the divided animals and the two birds. And now for something rare. he actually lays out an answer. And, we find out how Abram has seen the resurrection.</p> <p>And Now. Drum roll please. This pastor is finally going to tell us about the 153 fish! And it has relativity to Genesis 15. The Book of John, lists seven things that prove Jesus Christ is God, and after, for added measure he gives us 153 fish. JOEL	166	13-Mar-22	RESURRECTION: WHAT WILL WE BE? ARE THE COMMA'S BY THE BIBLE TRANSLATORS ALL CORRECT?	<p>Our pastor jumps right into Genesis 15. right after he discusses Ezekiel 38 and Russia. Listen to this for sure, because he gets into details that you're going to want to know. okay, maybe not.</p> <p>And our pastor is nothing if he's not consistent. consistently bombarding us with the details that put people to sleep about Genesis 15. We talk about the intermittent state and our resurrected state. Will we be equivalent to the Angels in this state? And the animal kingdom will not experience guilt, where we and the Angels are not so lucky.</p> <p>But getting to one of the questions. we'll get into what Jesus Christ did when His body was in the tomb. Why did He go to preach to the Angels who are imprisoned? It's the two birds. among other things. And it has to do with Michael winning the war against Satan and his Angels. And why does Jesus Christ empty out Abraham's Bosom? It's Christ's response to the thieves on the cross when one asks Him to remember me.</p> <p>I'll let you listen for the answer. as well as answers to other questions. Will he get to all eleven? I'll let you be the judge, but it looks like he's actually going to make good on his promise, if he has time. Are there two deaths, or one? The thief on the cross understood there are two! JOEL	167	20-Mar-22	ARE WE LEPERS? WELL. HOW DOES GOD'S WORD MAKE THAT CONNECTION?	<p>Pastor Chronister starts today's lecture jumping right back into the amazing passage of Scripture which is Genesis 15. If you're new here, I assure you that you will learn things that you've never heard any pastor teach. It's what deep teaching should be. We're answering a question from someone of our internet congregation about the two birds in this passage. Why does the Lord God Almighty put all this detail into the procedure of the cleansing ceremony that must be accomplished when someone comes to the priest after being healed of leprosy? Never mind that no one has ever been healed of this disease throughout the entire Old Testament with only one exception. But what about the symbology involved here? Trust me. there's much more here than you'd expect.</p> <p>The purpose for today is that Leprosy is God's analogy of our pre-resurrection condition. We have a rotting debilitating disease. JOEL	168	27-Mar-22	RESURRECTION IS EVERYWHERE! IT'S ALL OVER! AND GENESIS 15 IS THE MOST SPECTACULAR	<p>We start with a synopsis of what's going on in Genesis 15. Why did Abram not cut those birds in two? God is ordering this and He's copying some pagan practice. He chose the animal and put them in an exacting pattern. What's happening here is Genesis 3:21. For the first time, people are covered with blood. Genesis 15 is "The Lamb slain." It lines up with Exodus 12:5-7 and other passages. The Lambs Book of Life goes back to 3:21. This is where God creates this portrait that starts answering Abram's question. Why was the three-year-old heifer first? We'll, the red heifer is very important. It's Numbers 19. But understand. This is Christ in Genesis 15. He is The Take Me. And, of course we have to get back to Leprosy because of the two birds. This takes us to Miriam who claims equality with Moses. But God himself gets to choose His Prophets. and He's not choosing anybody today. But if someone wants to appoint themselves. It's Not God! The pastor almost broke out into a full rant right there, but caught himself. And people want to stand up and say, "Thus sayeth the Lord!" That is not God. God speaks to Moses, face to face. You'll like the way this pastor takes us into what happened with Miriam and Aaron. And, wait for it. scriptures get dumped all over you by this dump truck driving pastor.</p> <p>The discussion of Jude 9 is amazing because of what is also going on with the fight over Moses's body.</p>	GEN 15 GEN 3:21 EXOD 12:5-7	ABRAM AARON TWO-BIRDS BLOOD HEIFER LAMB MIRIAM MOSES PROPHETS RESURRECTION SALVATION			41222344586462

It looks as though the hook that brings the kingdoms of the north to Israel is shaping up to be oil.</p> <p>We move straight into Genesis 15 and getting into the continuing string of the Lie of Satan that goes through the entire of Scripture and finding where it is present in our passage. Satan is the first being to postulate Super Determinism. That is the first lie. This goes against Luke 15:10 where the Angels rejoice and celebrate when one comes to the Savior. Luke 4 and Matthew 4 come into play. They go with Job 1 and 2. There, the faithful Angels come at the end of the testing of Christ by Satan, and they come down ministering to Jesus. Ministering is believing Him.</p> <p>In Genesis 15, God responds to Abram's prayer. Ask God what He wants and you'll be just fine. God's answer to "How can I know I will have everlasting Life?" is "Take Me!" God is telling him how he can know. The discussion that follows is something you'll be hard pressed to find anywhere else. What is it that God gives to Abram? Go to Galatians 3. The Law And Grace people will never read this. Our pastor has given up trying to fight with them. They are blind to this truth and absolutely refuse to see what is written there. Now we look at the stunning passage which is Genesis 22:15-19. It's the same as Galatians 3. JOEL	170	10-Apr-22	LAW OR COVENANT? LAW IS A PROVISIONAL DOCUMENT. WHAT ABOUT THE ABRAHAMIC COVENANT?	<p>Our pastor says he doesn't see anything that is not in line with Ezekiel 38 at this point. So, you'll want to listen to this first part.</p> <p>We're back in Genesis 15. He says we, yes all of us, are going to resolve this passage. We won't fully understand until we are face to face with God, because then we will have full knowledge. Abraham believes God and asks, "How will I know I will inherit it?", the "it" being eternal life. We read in the Bible that Abraham believed, and God accounted it for him as righteousness. Our pastor tells us that salvation is a belief process. God gave "it", Salvation (not Law) to him by promise. Galatians 3 verifies this. But people love to be wrong. If you're adding anything that has to do with keeping the Law to God's free gift of Grace, then you have death. We are saved by grace because of our faith, our belief. We come in humility, naked before God. And now we're in Genesis 3. Our pastor does a wonderful job in driving home this point. And you'll learn about who God is here, that's critical.</p> <p>Now, we need to find all of the pieces to understand this. God says, I brought you out and I gave you this. God brought us out of sin and death. We are also looking at the promise of Abraham and the Law of Moses. Moses gave a provisional document and those who try to keep it in order to obtain salvation have death. What Abraham received was the contrast between what cannot save and what can. Galatians says the Law is a poison to the promise God gives to Abraham.</p>	GEN 15 GAL 3	ABRAHAMIC COVENANT FAITH FREE-WILL GRACE POISON RIGHTEOUSNESS SALVATION SIN	JOHN	PA	4142246507785
JOEL	171	17-Apr-22	MELCHIZEDEK IS JESUS CHRIST! ABRAM HEARS HIS VOICE AND KNOWS WHO SAID, TAKE ME!	<p>The situation with the war over Ukraine is convincing our pastor that there's nothing here that doesn't convince him that Ezekiel 38 is not in the works. (A Triple negative. Yes!)</p> <p>Pastor has the goal of binding Galatians 3 together with Genesis 15. The underlying power there is Belief. It's the first mention of the word Believing in the Bible. This is consequential and extraordinary! This is the salvific process. In Genesis 15, for the first time in the Bible, Salvation is being dealt with. It results from Genesis 14. Abram meets Melchizedek, the King of Jerusalem, Jehovah Jireh Shalom: God Provides Peace. So, Abram has already met Jesus Christ Himself. You'll want to listen to the reasoning behind this, because a lot of people in academia don't want to resolve this. This is Hebrews 7:1-6. You'll learn that there's always math, because the context of this passage adds up to an amazing description of Christ.</p> <p>Genesis 15 begins with, After These Things. What are the These Things? And after these things Abram is in a vision. It's not a dream. Abram was participating in something that is absolutely real. And pastor Chronister goes on to tell us what These Things are in Genesis 14. You've got the new king of Sodom who wants to trade riches for the people. This is God and Satan, and Abram gets to watch and even participate a little. JOEL	172	24-Apr-22	IS MELCHIZEDEK THE TAKE ME? SO, WHO IS TALKING TO ABRAHAM BEFORE SODOM'S DESTRUCTION?	<p>Last Sunday, you might remember, we talked about Melchizedek. And we start today with the third Feast Day which is the Resurrections, of which there are three. The destination of the resurrected is what we need to delineate. But First Fruits has to do with the subatomic location, the gathering of both physical information and metaphysical information which has to be done. Yes. We do Quantum Physics at this church.</p> <p>But the thesis statement for today is, Melchizedek embodies resurrection. He is God/Jesus Christ, creator and sustainer. and Resurrector! If this is not Christ, it is meaningless! He's there in Genesis 18 advocating for Justice. And this is the same as Genesis 15. Listen for the discussion of Genesis 18 and how it is a continuation of Genesis 15, from Genesis 14. This will tie together some things for you that you've probably not heard before. Matthew 4 and Luke 4 adds information, where Satan attempts to persuade someone. Did Satan know in all these cases that he's talking to God?</p> <p>Now, we might move on to Genesis 15:1. but first, the Angelic realm. because they're watching. But yes. now comes Genesis 15:1. We're not going to settle for a translation here, but we want to find out what the Hebrew phrase means when it says "The Word of the Lord". And we go further into the Abrahamic Covenant. Why is Abraham being blessed? It's because he understands Genesis 15 and rejects the lie of Satan and believes God! Satan, the old king of Sodom, wants the people. He wants to enslave them. And if people do not have will, how can he enslave them? But he enslaves them by telling them they have no free will.</p> <p>What is God's definition of the Blessing of Abraham? This orchestrated Mother's Day sermon is actually the Seed of the Woman and is focused in part on the freedom of the will.e. The proof is found in Genesis 15. The world is mathematical uncertainty, incompleteness. Only God can prove something is true. Because He is the only One Who is Complete!</p> <p>The plan for today is to introduce incompleteness. Abraham asks, "How can I KNOW I can possess Eternal Salvation", and the answer from God (actually Jesus Christ, because He's God and He's Melchizedek) is. "Take Me!"</p> <p>This sermon is dealing with the Quantum Physics that Jesus created, because Determinism is NOT! Pastor Chronister also makes the connection with the fallen axe head in 2 Kings 6 and the Take Me of Genesis 15. JOEL	174	22-May-22	THE MYSTERY OF THE BORN AGAIN! HOW DO TWO UNDIVIDED BIRDS REPRESENT THE GOD/MAN?	<p>So. according to pastor, we have a parenthetical summation situation. Which brings us to a quantum physics explanation of cessation of movement. But we are dealing with somebody who is outside of time. If He can install time, He can suspend time, because He can view the entire state of reality in motionlessness. They are His laws and He can do with them as He wills. He will stop death for a hundred fifty days. He can stop light.</p> <p>Okay. that was fun. Back to. Christ is the Light of Life. If He takes Himself away, those go away too. And now we're in Exodus and what God does with Egypt. What causes God to give someone over to a debased mind, their hardened mind. Romans 1 is the answer. Now we're at the widened gate and the narrow gate. Those who have chosen to go through the wide gate do so because they want to choose the thick darkness. Why would they do that? Because they hate Him. They refuse to believe. Is that ability forced on them? But He weeps over those who have that position. When Satan says the warning God gives in Genesis 3:10 is a lie, it's a lie! Satan's position is that everything is determined before time began. His premise is that God is the author of evil. If God predetermines evil and we have no free will to choose otherwise, then. Why even create? The determinists will tell you that there is no free will. But the determinist doesn't want to discuss the loving kindness and the fairness, the goodness, of God. Rule number 1. God is always good. If you go against rule 1, you find yourself on the side of evolutionary atheists!</p> <p>Okay. Two birds. Mount of Olives. JOEL	175	5-Jun-22	THE MYSTERY OF THE TWO BIRDS! AND GÖDEL'S INCOMPLETENESS THEOREM, GOD IS INFINITE!	<p>We are going to attempt to solve the Mystery of the Two Birds of Genesis 15:10. People suspect that our HTRP is just floundering around. but that is impossible, because he is our intrepid Highly Trained Religious Professional. We start with Gödel's Incompleteness Theorem.</p> <p>Why is Incompleteness Theory correct? You can't prove truth without completeness. The only One with completeness is God. He is Infinity. Because He is the Aleph-Tav. If you intend to prove a mathematical expression you must be Infinite. Complete. But the only One Who can prove anything is the Aleph-Tav, Jesus Christ. Melchizedek. You'll need to have what Christ says about Himself. He says He is The Truth. He can be trusted to testify the truth because He has seen everything. He is The I Am. And then there's John 14:6. He is the gate, John 10:9. And we ask "Why?" There is no such thing as "Easy Believism". Why are there two trees? And, pastor tells us that this is all about the Two Birds in Genesis 15. Jesus says, "Take Me". How do we take Him? The Two Birds prove He is The Aleph-Tav. Because the God/Man is not divided. The Two Birds are not divided. He is the invisible made visible, and therefore whenever God appears in the Bible, it is Jesus Christ.</p> <p>Mary did not marvel at Jesus' birth. She kept it and contemplated. And now we're in the offering of the Two Birds by Mary, and she brought the exact same birds as Abraham did. She brings infinity and truth as her offering. And we have the Simeon prophecy. And then there's math.</p>	GEN 15 LUKE 2:19-24	ABRAHAM ALEPH-TAV MELCHIZEDEK OFFERING TWO-BIRDS	GODEL		672263527253

JOEL	176	19-Jun-22	THE WHY OF BELIEF. WHY IS THAT THE ONLY SYSTEM? IS THAT THE ABRAHAMIC COVENANT	<p>The Bible is written in such a way that we are to seek Him out. Welcome to our special Father's Day lecture? Because we're still "Chasing away the visitor every Sunday."</p> <p>We start with the belief process. The "Why" of Belief. Genesis 15 is our view into the mind of God when it comes to Belief. What does it cost to buy even one drop of Christ's Blood? Why did He make belief a system, and why did He make that the only System? We're back to making sure you know for sure that Christ talked with Abram as Melchizedek in the event immediately preceding the Abrahamic Covenant laid out by God in Genesis 15. Had Abram ever considered infinity before this moment? God asks if Abram can count the stars. Only the Aleph-Tav is Infinity. The Aleph-Tav is Jesus Christ. And they, the One, can prove truth because God is infinity. Let's listen as the pastor talks with us about Melchizedek.</p> <p>We tie in Judas, who has Satan inside of him, and he is the guest of honor at that ceremony. What happens at Genesis 14 is the exact same thing as what happens at Matthew 24. The bloodshed in Genesis 15 is everywhere, just like the Blood shed by Christ, which ties into the bread and wine that Melchizedek brings in Genesis 14:18-24. And that passage continues into Genesis 15. The Lamb slain is Genesis 15. And No one can enter the presence of God except by Christ. Who is Melchizedek! God sent God, Christ, Melchizedek to bring bread and wine, which is Himself (Body and Blood). We go into several other references in Genesis to see that Christ is there too.</p>	GEN 15 GEN 14	ABRAHAMIC COVENANT ALEPH-TAV BLOOD JUDAS LAMB MELCHIZIDEK SALVATION SATAN			622224485949
JOEL	177	10-Jul-22	WHY A TREE OF DEATH? WHAT CAUSED THE TREE OF DEATH TO BE PUT IN THE GARDEN OF EDEN?	<p>We received a gift. It's from Dime Box Dan. A New, New King James Bible. And we have a letter from one of our most beloved Cliffsideers, Robin.</p> <p>We hope we've identified Melchizedek as Jesus Christ, the Aleph Tav, the Infinite God. Abraham is clearly the vehicle by which Christ does all of these things. The Lord's Supper, the Passover Supper. That takes us to Satan inside Judas given the place of honor. The reason for John 13:21-30. The Supper that Melchizedek brings is the first communion, the first supper. And that very same person, Jesus Christ, brings the Last Supper. The people need to be redeemed and we need Christ's blood to do that. How much does it cost? Melchizedek knows to bring bread and wine because He is Jesus Christ.</p> <p>Now to the connectivity of Adam and Abraham. Genesis 15 connects directly to Adam. Clarence Larkin mapped out everywhere in the Bible where Satan appears. The Trail of the Serpent. I think you'll like the discussion that follows. Isaiah 14, Ezekiel 28, is where Satan fell.</p> <p>And we knew this pastor would do something astonishing today. It's the cause of what placed the tree of certain death in the garden.</p> <p>Abraham killed the three, three-year-old animals. God provided those animals, which takes us to the first place that a Ram is caught in the thorns, a picture of Christ who made sure His head was in a crown of thorns, But, that's not where the first place we have thorns. JOEL	178	24-Jul-22	WHO WERE THESE GIANTS? HOW BIG ARE THEY? IS THIS CONNECTED TO THE BLOODY STUMPS?	<p>We have record heat down south, and so our pastor takes that on.</p> <p>And we start today's lecture with Genesis 15:15. This is God/Christ/Melchizedek telling Abram about his future. But, by this time, the animals have been resurrected! See, I told you that you'd hear something you've probably never heard before. Satan is there. The Angels are there, fallen and unfallen. Yes. Satan sticks around to hear what comes immediately after the First Supper in Genesis 14 with Melchizedek. Satan's lie is that free will always causes us to choose evil. The lie of Satan with the "abundance of his traffic" is Ezekiel 28:16. But how many animals were gathered there? This passage is about resurrection. Abram believed God, and that goes against Satan's lie that free will dictates that man can only choose evil. And pastor goes on with more great stuff, with things being said here that we may not have even considered, some obvious, some, not so much.</p> <p>Why are the animals turned to food for us after the flood, when they are the ones who suffer the most because of what we do to them and what they are paying for due to the fall of Adam? This is for their sake, because it is the most best way it could be done. Our job is to figure out how this is so.</p> <p>Oh, and if you're reading this, you'll be happy to know that the pastor sprinkles Gödel's Incompleteness theorem throughout. And, he says, he's going to answer question today. So, we start with a letter from Cathleen about Judges 19, and we're back to "A Bloody Stump in the Mail". Good questions there. JOEL	179	7-Aug-22	TIE SODOM AND FLOOD TOGETHER?! THERE ARE THINGS YOU DID NOT KNOW ABOUT THESE	<p>We start with the great wickedness that was around before the flood of Noah. And there's a paralleling of Noah and Lot. Both were removed before the destruction. Hebrews 11:1-7 describes Lot as righteous. And now we're finding out what God means when He says "perversion". All flesh was corrupted in the days of Noah, but Noah was not contaminated. We do have corruption that survived the flood. One of the wives of the sons of Noah had the corruption. And God gave two warnings of the destruction, as Pastor explains.</p> <p>We're unpacking the Nephelium, the daughters of men had sons of the fallen angels. But this is really cool. We've found the connection with the "old men" who surrounded the house at Sodom. There are "old men" in the times of Noah, and we have "old men" in Sodom. And there's people out there who have figured part of this out and right now our pastor has just uncovered something for them. How "grave" is the sin here that God is describing. It's not the evil we know. And God did the only things in both cases that we're the only effective solutions.</p> <p>The question becomes, "Did Satan orchestrate what happened before the flood? JOEL	180	21-Aug-22	THAT WHICH IS PERFECT? HOW IS THIS CONNECTED TO THE LORD'S PRAYER? LET'S FIND OUT	<p>We start this Sunday with recovering something, which involves the constitutional nature of Scripture. We have an infinite Book written by an Infinite being. He spends some time on the imperfect and the perfect which is to come. Our pastor is convinced that it's when the Scriptures are gathered by the Holy Spirit.</p> <p>But, we're answering the four questions we've received from our Internet audience. We're going first to the Lord's Prayer. We're in Matthew 6:9-13 and Luke 11:2-4. So, we're going to chase the meaning down, as best we can. This may take a while, but since we're not meeting again until September 11th, why not just keep preaching 'til the cows come home? We go on to the prohibitions in Ecclesiastes for part of it. But if you know this pastor, you'll understand that the things you'll learn here are not what you would get from your normal Baptist Church. And we're talking about what Jesus is saying when He says, "in the secret". Suffice to say, if you don't go out and gather the connections to be made here, you will not understand The Lord's Prayer. And, we get into Animals. How many have there been? Have you ever heard the number "Nanillion"? There is so much packed into this lecture that to write it here for you would be unproductive. JOEL	181	11-Sep-22	SATAN AND GREAT WICKEDNESS. WHAT DO NEPHILIM AND SODOM HAVE IN COMMON?	<p>This pastor gets a lot of hate mail, so the good mail is so very encouraging. We can't thank you enough for all the questions and encouragement you pour onto this pastor.</p> <p>We start again with the infinity of the Bible and getting into the Word which is Christ. We should be amazed at the intricacy and the complexity of this outside-of-time book that Christ wrote for us. The only Timeless One wrote this book.</p> <p>But the pastor says he has a plan, and the emails and letters just lend to his plan. And the question comes up, "Are there stupid questions?" Well, there are stupid people, the media, Hollywood. But we have smart people writing to us. So, we commence with the reading of the letters and a few answers and discussions follow. One from William deals with the Creation/ Evolution debate. There are several more letters but our pastor picks out the ones that proclaim him to be funny. The Truth is God. He's a person. The Lie is among the fallen Angels and Satan, and great wickedness was in nearly all created beings, and now we're into Genesis 6 finding about "Great" wickedness. How great was Great, and even though it's applied to humans, it derived from the Evil One and his fallen Angels. And the Exceedingly Wicked at Sodom is something we have trouble understanding. JOEL	182	25-Sep-22	IRRESISTIBLE GRACE/DETERMINISM. IS EITHER TRUE? HERE'S A DIFFERENT TAKE ON THIS	<p>How do we reorganize this traveling band called Cliffside? Pastor says, "We ask more questions." The question we tackle today is (an I'll paraphrase), "Can pastor Chronister explain the difference between irresistible grace and free will belief when it comes to the Calvinist verses Arminianism debate?" But there are other questions we'll see blended in today as well, because the initial question could take quite a while, being that the definition of beliefs held by these entities is being constantly modified. but here goes. Our pastor dutifully complies.</p> <p>We're going with Chronister's definition of Irresistible Grace. There's an alignment between Calvinism and Catholicism. Our pastor talked with me before the broadcast and said he no longer cares if this topic makes people mad, because he's old now. The connection with the Atheistic Materialistic Determinism view and the Calvinistic view is something to be very wary of. If God is responsible for everything, then He is responsible for. Sin. Did God give His creation free will? Did He create beings that were only capable of evil? But the requirement Calvinists give that debate is between what they believe and Arminianism is so messed up because it does not get you to a Biblical answer. See Psalm 36:5-7 for the real answer to what God really is with His relation to us. JOEL	183	9-Oct-22	TOTAL INABILITY. TRUTH? AND WE GET THERE FROM, HOW IS IT THAT SATAN DIDN'T KNOW?	<p>Today, pastor warned me before the lecture that we're going to delve deeper into the question that was brought up the last time we met. We start with 1 Corinthians 13:10. We're getting back into the discussion of Irresistible Grace and how unviable that position is. Our pastor lays out passages that all need to be tied together to understand the truth of the Gospel. We go to John 17:12, where we have the triune Godhead talking to the triune Godhead. Think it's going to be simple? We connect this with Genesis 15 and Genesis 18 and New Testament passages.</p> <p>We're into the question of why does God withhold His identity from the fallen and unfallen Angels until the timeframe of Genesis 2? And he connects that with what happened when Judas with Satan inside of him found out that Jesus was not doing what they thought He was doing. Then we go to the beast and the Antichrist at the end times.</p> <p>We're back in Genesis 6 and 19. The days of Noah and the days of Lot and witnessing Angels. And we're into the Biblical fact that the unsaved will go into eternal conscious punishment.</p> <p>And now we tie in Total Inability! We're at Matthew 22:34-36 with the trap the Pharisee's try and set for God. This is the beginning of the answer to the question.</p> <p>Next time we'll go over the order to eternal security, along with more answers to Total Inability.</p>	1 COR 13:10 MATT 22:34-36	ANTICHRIST DAYS-OF-NOAH END-TIMES FALLEN-ANGELS GRACE DAYS-OF-LOT JUDAS SATAN SODOM DEPRIVITY TRIUNITY			101122559482924
JOEL	184	23-Oct-22	FREE WILL IS REQUIRED TO LOVE? IS BELIEVING GOD, LOVE? IS OMNISCIENCE CAUSATION?	<p>We are going to be diving back into this horrible doctrine called Calvinism. But we first have to acknowledge the two Nobel Prize winners for their work with Superposition.</p> <p>This false premise espoused by John Calvin, which is "Omniscience is Causation", is Super Determinism. But. Along came John Bell's incompleteness theorem. And Einstein brings us Hidden Variables, which proposes that we have imaginary free will. Now we have to know about Location and Non-Location and Interferometry and. by this point we have lost nearly everybody. Einstein has absolutely no proof for his theory. We talk about the speed of light and how Einstein is wrong that it is a constant. But the two Nobel Prize winners have proved Einstein wrong, thus Super Determinism is wrong. which makes John Calvin wrong. And back to Gödel's Incompleteness Theorem. There is no truth unless you have all knowledge. which is the arena of God and God alone. We find out here exactly how we are saved. Prayer is quantum entanglement. It's instantaneous communication. Prayer is done with free will or it is nonsense. We go back to a few lectures ago where we got into Matthew 22:42-46 where Jesus mocked the Scribes because they tried to say there is no resurrection. They don't understand God at all. And the Pharisee's tried their "claptrap" and Christ brings up Deuteronomy 6:4-5. Love. And you have to use your free will to love. If God predestined that love, it's God loving God, not us loving God. We look at John 21:12 and John 20:19-29. God says, "If you don't believe Me, you don't love Me." JOEL	185	6-Nov-22	FREE WILL IS EXISTENCE! THE LIE OF SATAN IS THE SAME AS CALVINISM AND ARMINIANISM	<p>In the last few lectures, we have determined that the positions of Calvinism and Arminianism are simple and elementary. We compare this with the depth of God's Love and His Mercy. When you know how God is described and then you say things that demean His character, when you say that God is evil, that He is a murderer, then you don't know what you're saying. But when you say things like that to the Calvinist and the Arminian, they get indignant.</p> <p>You will hear some quantum mechanics in this lecture. Things like the principle of locality and the Einstein Rosen Paradox. Einstein thought that things have to be close in order to effect one another. which is proven wrong. Einstein posited that the speed of light is in control of matter with his 299 792 458 determination. He didn't understand non-local entanglement. Pastor will explain.</p> <p>Salvation is not simple. And that is just the introduction. Pastor got a call from Luke from Ohio, asking about a lecture where he equated the two trees in the garden with the two rocks that Moses smote. It's entanglement. He uses to call it "complement" but to adhere to the theme of today's program, it is now entanglement, and with Adam and Moses being identified in scripture as foremost types of Christ. Entanglement!</p> <p>But back to our topic. Existence is at the core of the Calvinist and Arminian position. They didn't consider that God could give His creation existence. That's Satan's lie. we have no existence. The ideology of Calvinism and Arminianism are exactly the same as that of Satan. Free will is welded to existence. God loves Adam and He wanted to see what Adam was thinking, Genesis 2:19. God was allowing Adam his will.</p>	PSLM 36:5-7 GEN 2:19	ADAM ARMINIANISM CALVINISM EVIL EXISTENCE FREE-WILL MOSES PHYSICS SALVATION SATAN TREES	EINSTEIN		11922110433797
JOEL	186	13-Nov-22	NOTHING IS IMPOSSIBLE? THEN CAN THE NOTION OF TOTAL INABILITY BE RIGHT?	<p>Our pastor has been focusing on finding scripture in the Calvinist and Arminian debate that have been overlooked in the past four hundred years. But. now he has gotten to point where he feels it needful to present things more stridently. How can you have a discussion of Calvinism and Arminianism without bringing in Adam and Moses. They are the most prominent types of Christ in the Bible, and they are being ignored for the extremely narrow view they wish to present. There are a lot being ignored, and the list goes on and on from the pastor of why their views are shallow. Why does God intend for us to seek and find Him in Scripture. He says, Seek Me that you might LIVE. Really LIVE. Go to John 17:10-12 and Romans 3:11-12, because it's in conflict with what it says in Amos. I'll let you listen on your own, but I will tell you that we're in the parable of the lost coin.</p> <p>The supposed contradiction of the free will of Angels, animals and man, and the Calvinist position that it's impossible for someone that is predestined not to be saved, then why does God say Nothing Is Impossible? Is it your position that God cannot reconcile free will? It's like the question, "Who Made God?"</p> <p>Free Will Is Existence! How do you reconcile John 11:25-26 where God asks, "DO YOU BELIEVE?" and your position that we can't freely believe. We get into the entanglement of the mind and the brain, and consciousness. We are in the discussion of Total Inability. And pastor gives all kinds of things that contradict that idea. Sorry. Not really. Fake sorry. We start today with some quantum physics because the subject is Determinism and Calvinism and Arminianism. That may not inspire much confidence in our pastor's plan, but when you listen it will make perfect sense. Nobody understands quantum mechanics, but it's even harder to understand Christ's atonement. the solution to sin. We're dealing with consciousness and time.</p> <p>Our pastor's intent is to locate scripture that has not been used in this discussion. We cannot resolve the Mystery of Godliness. We are going to venture into Romans 8:29 and John 17:12. We don't have all the information. Romans 8:29 is used by the Calvinistic system and they don't understand it. God never violates Psalms 36:5-7, a description of Who God is. They don't even consider that they could be wrong.</p> <p>God gave the Woman to Adam and God gave the Apostles to Christ. Christ lost Judas, so now we need to dig into that. We go to Absalom and David to find out. Christ must have wept for Judas. JOEL	188	18-Dec-22	CAN YOU LOSE CHRIST? HEBREWS SAYS IT IS IMPOSSIBLE TO BE SAVED AGAIN. NOW WHAT?	<p>We start today with a letter from Luke from Ohio. Great letter! Thanks Luke!</p> <p>We're going into our structure of noncompletion. we never complete any subject we start. We've got loose ends and we hope to get to them. We're in a mini-series prompted by a letter from our internet audience.</p> <p>There are five admonitions in the book of Hebrews and our pastor lists them off for us. We're dealing with the 1st the fourth and fifth. Calvinists will not admit what they're talking about, but they use Hebrews 6 and Hebrews 10. Hebrews 6 discusses the impossibility that you can be saved again, implying outright that you cannot lose your salvation. Pastor lists some of the "Whosoever calls on the name of the Lord" passages. Does super deterministic precepts comply with Romans 10:11? Jesus says to come to Him. He shall give you rest. Psalms 95:8 says it so plainly, and pastor reads from that passage. which disproves Total Inability. God says "I have no bias." He has no partiality because He has no sin.</p> <p>Everyone who believes those five things in Hebrews 6 cannot be born again and therefore Christ cannot be lost. You cannot determine the saved from the unsaved. Read Matthew 23, the woes to the Pharisee's. And Hebrews 2:9 clenches it about Christ tasting death for EVERY ONE. Who's Everyone? Even though, not everyone is going to be saved. JOEL	189	8-Jan-23	FREE WILL PROVES GOD'S EXISTENCE PREDESTINATION CAUSES ARTIFICIAL INTELLIGENCE!	<p>We start back into this long process of divulging how it is that Determinism is false. The ancients call it, The Paradox of Man's Free Will. The Pharisee's agreed with determinism, but even they had problems with it. This is not a new debate that started around 400 years ago. It goes back a couple thousand years. Is the Omniscience and the Omnipresence of God something that overrides the free will of Angels, humans, and animals? What is neglected there is the Goodness of God, Psalms 36:5-7, and then there is Colossians 1:15-18. Ask, why is there evil because God is good? Is it a possibility to have a paradox with the Lord God Almighty. Step 1) God is Good. Step 2) He's infinitely smarter than me. Then there's the Time factor because He says to call upon Him while He is near. Our free will is not a paradox to God. And we're back to Gödel's Incompleteness Theorem. Then there's Deuteronomy 10:17, Romans 2:11. God has no partiality when it comes to salvation. You'll want to listen with your finger poised above the pause button, because there are many more verses you'll want to add into your study. Do we expect you to study? Well, it wouldn't be The Advanced Class if that weren't the case.</p> <p>We go over, "What is partiality?" because partiality is sin, and what does time have to do with free will? Time is derived out of consciousness, and now we're back to Genesis 1:1 and the time pieces God put into place. Clock time is not the same as conscious time. Nobody who believes in Calvinism talks about consciousness and time. Because they don't know what they don't know. and they don't want to know. HOW DO YOU GET FROM THERE INTO CALVINISM?	<p>We start with an article that is telling us that death is a disease and not a natural occurrence and the article is saying they can stop aging in dogs. We are officially in the days of Noah and the days of Lot. Many don't know it (except for those who listen to this pastor) but extending lives indefinitely was one of the worst things of those two times that people were doing.</p> <p>We also announce that a dear friend of ours, Mark Lindloff, has passed away in complications after heart surgery. He is a good friend of our pastor's and to all of us here at Cliffside.</p> <p>But now., we're going to find out just how this pastor is going to give an answer for Dime Box Dan, from Texas, and still stay on topic. Because his question is about the passage that some will say gives Peter the headship of the true church today, found in Matthew 16:18-20. So, instead of me telling you what our pastor says, I'm going to let you listen for yourselves. But it's much like Calvinism and Arminianism. They don't know. and they don't care that they don't know. because they want to stay simple and not go and find out the truth presented in Scripture. They don't mind being wrong, and they like being wrong.</p> <p>Our pastor does manage to interject the errors of Calvinism and Arminianism into the discussion of the little stone, Peter. We talk about free will and predestination. Without free will we have no existence. With predestination you have God as the author of hopelessness, fatalism and evil.</p>	MATT 16:18-20 JOHN 21:15-23	ARMINIANISM CALVINISM CATHOLICISM FATALISM FREE-WILL DAYS-OF-LOT DAYS-OF-NOAH PREDESTINATION			12423839465641
JOEL	191	5-Feb-23	CONSCIOUSNESS AND TIME = FREE WILL. PREDESTINATION HAS NO PLACE IN THE BIBLE	<p>We left off at Hebrews 10:19-31 and we go back to 23. So, open your TextBooks and get out your note taking devices. We find out that "He is faithful" is of the foremost understanding, because without that you'll wind up careening into the ditch. Everything in the Bible refers back to Exodus 3:14. And there's only one way to approach the Bible and that's with the quantum phrase Entanglement. He intentionally hides Himself in Scripture. Do not throw out the whole Bible because you discover one verse you don't understand. When He compiled His Book, why did he include human beings in the process? It's free will. That's why... Okay, the pastor explains that much better.</p> <p>How can the Calvinists and the Armenians use Hebrews 10:23 to make their case for their doctrine? They have a simplistic why of looking at things. Now we get back to the question of time and consciousness. Christ says "Come!" and take the water of life FREELY. There is no infringement there. So, Total Inability is crushed by the words of Christ. Calvinists tell you that you're inability has the power to thwart Christ. We might think God has a paradox, but there is no paradox with God. Freedom is in the consciousness. And, Time is felt. It's subjective. And now we get further into quantum mechanics. He gives the answer as to how time connects to free will. What is imagination? Is time real or an illusion? Ecclesiastes 3:11 lays it out.</p> <p>Is God capable of saving everyone? Why doesn't He? Does that relate to time? Malachi 3:6... I change not. His goodness doesn't change. Ezekiel 3:16-21 explains a lot.</p>	EZEK 3:16-21 HEB 10:19-31	ARMINIANISM CALVINISM SALVATION PREDESTINATION			2823733158089
JOEL	192	19-Feb-23	TIME PROVES FREE WILL. ARE MEN EVIL? ARE THERE A BUNCH OF OUT-OF-WORK DEMONS?	<p>We're delving into the question of Judas knowing that he is lost. How does he know? And connecting that with when Judas takes a large brigade to take Jesus, and when He says, "I Am.", the people find themselves face first in the dust. And we move on to Jesus walking through people after He says, "I Am, that I Am." And we get into the fact that Jesus is hiding Himself. So, this is an extensive and wonderful rabbit trail.</p> <p>We've segued into Time, and time provides evidence. And we're trying to imagine what God does with time. The Sons of God shout for joy at the sign of time beginning, but the sons of Satan don't like it at all because time proves free will.</p> <p>We've moved on to Sadducees and how they remind us of the current state of academia. And we talk about the evil abilities of the fallen angels, but how the Calvinists want to blame men for the evil, that men are predestined to do evil with total disregard to the evil being done by demons. If God places too much control over everything that consists everything freezes up, which has the implication that God does not hold great control over us, like what the Calvinists would have us believe. And that leads us into a discussion on the nonexistence of Dark Matter. God holds everything in free movement, but they want Dark Matter. Christ Jesus Himself unifies all these theories, because in Him all things consist.</p>	EPH 1 HEB 10:33	ANGELS CALVINISM PHYSICS DEMONS FREE-WILL JUDAS SADDUCEES SONS-OF-GOD			220232037528120
JOEL	193	5-Mar-23	MOND TRUE, CALVINISM FALSE? ALSO, THE MIND-BRAIN PROBLEM. DO WE HAVE FREE WILL?	<p>We're on to the wonders of taking medicine, but me move quickly on to the fine tuning of the four constants. That may make no sense but if you listen it just might start making sense... no promises. If gravity was 5% stronger life would be impossible... and there are many more "impossible's" that our pastor gets into. These "fine tuning" arguments destroy atheism. There's the Weak Anthropic Principles, because they claim that this supposedly disposes the Fine-Tuning argument. But we have Romans 1:19-20, so we know that their WAP is not true. And then there's firing squad scenario... which pastor will tell us about.</p> <p>Is the universe's purpose to preserve life? How many planets would be habitable? There is no evidence whatsoever that life exists anywhere else than here on earth. If God has made it so there can be life and fine tuned His creation, can He give His created free will?</p> <p>And now, we reenter the Mind, Brain problem. Because the debate is, does humankind, does the animal kind, do the Angels, have free will? And with the fact that you can divide the body from the spirit/soul, is the body necessary? Some say the mind and soul emerge from the body. The brain and the body are particle. The mind, the spirit, the soul, cannot be reduced and is not divisible, where as the body can be divided.</p>	ROM 1:19-20 HEB 8:4-6	ANGELS ATHEISM CALVINISM DETERMINISM FREE-WILL GRACE PREDESTINATION PHYSICS	MOND		3923551264708

JOEL	194	19-Mar-23	DID GOD CREATE US EVIL? WHY DOES GOD HIDE? WHO BLASPHEMED THE HOLY SPIRIT?	<p>We begin with discussions of the errors of Calvinism and Arminianism. We are not in a position where we have to hold on to our own salvation, but the Arminianism position is one of self-aggrandizement thinking they are secure because they only have sins of omission and not commission. The Calvinistic position is that of God causing those who are elect to persist in the faith.</p> <p>We're moving into a subject that is related to Ephesians 1 and that is MOND, Modified Newtonian Physics, which destroys the Einstein position. This relates to the Calvinistic and Arminianism positions. I'll let pastor get into this with you because there is so much to cover and it'll be much more interesting when you hear pastor tell it. This is fascinating stuff, such as the orbit of Mercury around the sun and the gravitational problem that discovery presented. It made scientists wanted to abandon the Newtonian model so, they invent Dark Matter to try and explain things. But the problem is more than just with Mercury.</p> <p>In this discussion we go into the invisibility of God and when God leaves and the return of Christ. Romans 1:20 talks about God's invisibility and that we are not excused, because of Word of God, Jesus Christ. Then there's the lie of Satan, accusing God of creating us evil. Acts 14:15-17 says that God allows all nations to walk in their own way... so God did not predestine evil. Now we move on to Colossians 1:16-20 where we see that all things were made by Him and consist by him.</p>	EPH 1:3-14 COL 1:26-27	ARMINIANISM CALVINISM PHYSICS OMNISCIENCE PHYSICS SATAN	MOND EINSTEIN		3232344101362
JOEL	195	2-Apr-23	THE THIRD MYSTERY FROM PAUL. IT'S NOT ABOUT PREDESTINATION OR INDIVIDUAL SALVATION.	<p>We're dealing with the third Mystery given to Paul. Paul, in chapter 3, is telling us what chapter 1 and 2 are all about. These chapters, 1 thru 3, are never talking about individual salvation. It's not talking about predestination or election, as the Calvinistic belief system would want this to be about. But we see that Angels, both fallen and unfallen, are included in this Mystery in that they are observing. Why does God want the Angelic realm to know about the death of the Apostles and the ministry of the Apostles? Christ makes a proclamation to the fallen Angels after His crucifixion. This get's really interesting, but that's just my opinion. Listen and decide for yourself. As a note, pastor mentions that the purpose of God, Romans 8:28, is Jesus Christ. But there are a lot of things that we need to fit together, so our dutiful pastor throws us a lot of verses and a lot of stuff.</p> <p>Predestination is the opposite of good news when it comes to individuals. God does predestine, but not those whom He will save. The nation of Israel rejected God's plan. This has nothing to do with individuals. Romans 9:19-24 is one long question and it has an answer that Paul gives from Old Testament Scripture.</p>	EPH 1-3 ROM 9:19-24	PREDESTINATION CALVINISM MYSTERY			
JOEL	196	16-Apr-23	FLAT EARTH AND SATAN'S LIE. GOD DOES NOT PRESELECT THOSE WHO WILL RESPOND TO THE GOSPEL.	<p>With what's going on it looks like we're getting closer to Ezekiel 38. And then there's the discovery from the Jim Web Telescope is that the big bang has been proven false.</p> <p>We start the lecture with math! Fractals to be precise. A geometric shape that when you cut it the fracture looks the same however you slice it. An example of infinity. And the theological implication is that all of the created universe is made up of fractals. Including the human brain. JesusGod is the infinite God in the flesh. Is the Star of David infinite? It's a Fractal. We're getting into "How an infinite God thinks?" But the questions for you is, How infinity connect to free will? Only an infinite God can give beings free will. And, Why will free will be allowed throughout eternity?</p> <p>But we have a question form Sharron from Texas. She asks if this pastor has an opinion on Flat Earth? He suspects that he does.</p> <p>Now we go to the two trees and that the tree of life was in the midst... and Jesus Christ was crucified in the midst. He is between man and sin. He is also the Light. This stems from the discussion of a Flat Earth. Gravity is a person... Jesus Christ. Pastor gets into more verses to refute Flat Earth theory.</p> <p>But we do get back to the errors of Calvinism. God cannot be tempted and God does not tempt. Now we're in James 1:12-15 which we have to connect with Matthew 6:13, the temptation verse of the Lord's Prayer. It takes us also to Genesis 3:4-7. The lie of Satan has entered into the church. God does not lead us into sin. We go now to Job. Did God put a hedge around Job? The answer is not what you think.</p>	JAMES 1:12-15 MATT 6:13 GEN 3:4-7 JOB 1:9-11	PHYSICS TREES CALVINISM	SHARON	TX	4192302013573
JOEL	197	7-May-23	IS SATAN TELLING THE TRUTH? NO. HE NEVER MAKES THAT MISTAKE. HE NEVER TELLS THE TRUTH.	<p>A passage in Joel supports the need to combat the teachings of Calvinism, along with 2 Kings 6, the floating axe head, and these things make untenable the positions of Arminianism and Calvinism. Our pastor does a really good rant on this and typing it wouldn't do it justice. And what about Easy Believism? People have no idea about that.</p> <p>In Job 1 we have two questions that Satan asks and the two questions from God. Here is the main part of the lecture and it is something our pastor has been wanting to bring to us for quite some time... in other words, this is going to be really good. This discussion has to do with all of the Angels, fallen and faithful, on one day. We're going to find out what day this is. So, let's sit back with our TextBooks and note taking devices out and listen intently. It has to do with Ezekiel 28:14, so we're going there and beyond, but we're sticking with the story of Job. And apparently, when Satan's "job" early on is to walk to and fro in the fiery stones has to do with free will. Question is... is Satan telling the truth? No. He never makes that mistake. He never tells the truth. What Satan is doing here and in Genesis 3 is exactly the lie of Calvinism, that God causes, and is the author of, evil. We go to John 1:5 because the light shines... but the darkness does not understand... the darkness is a person.
